City Promises Treatment Work This Year, 1974 Completion; Opposes 'Crash Program' Cost

By HARRY BARNES
Press-Record Staff Writer

Because Granite City cannot meet a state-mandated deadline for completion of secondary sewage treatment facilities, a petition for a variance moving the deadline to March 1, 1975, has been filed, city council members were told at a regular meeting Monday night.

The present deadline for construction of the city's secondary treatment plant is Dec. 31, 1973. To meet it would require a costly "crash program," the city contends.

The variance petition, prepared by M. W. Engineering and Architectural, Inc., the city's special treatment plant engineers, and signed by Mayor Donald Partney, has been filed with L. D. Hudson, manager of the Variance Section of the Illinois Environmental Protection Agency at Springfield, the council was told.

No date for a hearing has been set.

The petition, a copy of which was presented to council members as a communication, disclosed that the EPA earlier this month refused a construction permit "as the compliance schedule does not meet the original directive."

Project Completion Date
Under the present engineering completion schedule, the earliest date of operation of secondary facilities will be Dec. 31, 1974, with plant start-up and final adjustments requiring an additional 60 days, according to the variance petition.

A procedural schedule included in the petition said the city expects to complete acquisition of approximately 20 acres of land adjacent to the present primary treatment plant at the Army Insulation by the latter part of this month, and that construction bids will be called for in mid-November.

Financing, through sale of \$3 million in revenue bonds, is expected to be completed about Dec. 15, with contracts awarded during the latter part of December, the petition said.

A partial text of the variance petition said:

"The current schedule set out by the engineer is as follows, barring any unforeseen circumstances:

Plans and specifications submitted—Aug. 15; Date of land acquisition—Sept. 30; Construction bids—Nov. 15; Financing arranged—Dec. 15; Contracts awarded—Dec. 20; Start construction—Dec. 20; Complete construction—December 31,

1974; Start operation—Dec. 31, 1974; and Final, adjusted operation—March 1, 1975.

Reason for Variance
The extension of time is necessary because of the physical impracticability and improbability of constructing a \$10 million project in approximately a one-year period.

To effect this construction would require an around-the-clock shift operation, which would add an estimated 25 to 30% to the cost of construction because of labor costs and inefficiency.

Also, maintenance of operation of the present plant during

construction affects the time required to construct around it.

Some specific items involved in a crash program of construction are as follows:

a. Long delivery on items of specialized equipment and premium prices to reduce this time.

b. Inefficiency in shift-work. One half hour minimum is lost in each shift, overtime costs, and double overtime cost for weekend work.

c. Availability of construction material in off-hours.

d. Actual time required to construct the job because of the

order of steps required such as concrete, piping, equipment setting, painting, electrical, and start-up.

e. Increase of at least 30% in labor costs due to shift work.

The additional cost contemplated as outlined heretofore could be in the order of \$2.5 to \$5 million, which would be borne by the city and also the state and federal governments through grants. This fact will constitute a monetary hardship on those entities.

The variance will cause a continuance of pollution of the Mississippi River for an additional period of time.

Mall, Johnson Road Plagued by Delays

Delay in progressive action on the proposed construction of the downtown Granite City mall—a project designed to spur activity in the business district—was criticized in a meeting of the city council Monday night by Alderman Walter Nonn who advised the council to move "and move fast," or there "won't be any mall project."

Nonn spoke on the issue at the conclusion of the council session in which an ordinance authorizing a special assessment bond issue to finance the project was not on the agenda. City officials said prior to the meeting that the bond measure was certain to be presented for action in the Monday night meeting.

"I would like to know what the bond ordinance would be here for tonight's meeting. Now another night has gone by without any action."

"I want to tell you men that if we fool around a few more months on this project, there won't be any mall. Things are bad enough around here with one industrial plant ready to fold up and another hanging on by a shoe string, that the mall

will be a disaster."

Plans and specifications submitted—Aug. 15; Date of land acquisition—Sept. 30; Construction bids—Nov. 15; Financing arranged—Dec. 15; Contracts awarded—Dec. 20; Start construction—Dec. 20; Complete construction—December 31,

1974; Start operation—Dec. 31, 1974; and Final, adjusted operation—March 1, 1975.

The extension of time is necessary because of the physical impracticability and improbability of constructing a \$10 million project in approximately a one-year period.

To effect this construction would require an around-the-clock shift operation, which would add an estimated 25 to 30% to the cost of construction because of labor costs and inefficiency.

Also, maintenance of operation of the present plant during

EXAMINING NEW SOD on Wilson Park golf green are three SIUE sorority girls who will help in the United Fund Hole-In-One Tournament opening Saturday. They are, from left, Kathi Lexow of Edwardsville, Lynn Whaley of Granite City and Jo

Ellen Niebrugge of Effingham—all members of Mu Phi Alpha. Holding flag are Del Frech of A. O. Smith Corp., left, publicity man for the tourney, and Park Superintendent Harold Brown.

Golf Will Aid United Cut Venice School Levy

A reduction of 18.2 cents per \$100 assessed valuation in the 1972 tax rate for Venice School District 3 is projected in a new tax levy of \$388,186 approved by the Venice Board of Education Monday night.

The tax levy ordinance was adopted in a regular meeting of the board following a public hearing at 7:30 p.m. in which a permanent budget for the 1972-73 fiscal year totaling \$1,833,314 was approved.

Final touches are being put on a new golf green at Wilson Park which will be the target in the United Fund's Hole-In-One Tournament during the next two weekends. Area golfers and duffers have been invited to take three (or more) shots for the benefit of the Fund.

The tournament opens tomorrow at 10 a.m. and will continue until 7 p.m.

The event will continue on Saturday and Sunday this weekend, as well as on Friday, Saturday and Sunday of next weekend.

First prize is a trip for two to Miami Beach, including lodging. Other prizes will be awarded on the basis of the closest shots to the hole.

Men will shoot from approximately 125 yards away, while the women's tee will be about 10 yards closer.

Weather a Problem
"The hot weather has given us some problems in getting the new sod to take," Park superintendent Harold Brown said, "but when we now it, we hope to find new growth underneath."

The Park District has done the work of installing the grass for the green, with the cost of the sod to be taken from proceeds of the tournament.

Supervisors from A. O. Smith Corp. have been active in planning the event. They will be assisted on tournament days by 12 volunteers from Mu Phi

Alpha. Holding flag are Del Frech of A. O. Smith Corp., left, publicity man for the tourney, and Park Superintendent Harold Brown.

The budget figure given final passage was an increase of \$4,698 over a tentative budget of \$1,789,616 approved and paid for public inspection in mid-August. All of the budget increase accepted in the public hearing was in the educational and building funds.

Projected expenditures in the bonds and interest fund, the transportation account and the municipal retirement fund remained unchanged in the permanent budget.

School Superintendent John Pier said the tax levy approved Monday night, applied against the school district's estimated assessed valuation for the 1972 tax year, is expected to total \$2,673 per \$100 property valuation. The 1971 tax rate upon which this year's tax bills were based was \$2,655.

Rate Breakdown
A breakdown of the estimated 1972 tax rate, Pier said, includes: educational fund, \$2.65; building fund, 37.5 cents; municipal retirement, 6.139 cents; working cash fund, 3 cents; transportation fund, 5.72 cents; junior college tuition, 1 cent; fire and safety account, 5 cents; and special education, 4 cents.

The amount of the tax levy for separate accounts, compared to budgeted expenditures shown in parenthesis, are: Educational, \$680,361 (\$1,651,443); building, \$124,569 (\$257,376); transportation, \$19,024 (\$38,239); municipal retirement, \$20,292 (\$20,392); special education, \$13,287; working cash, \$10,000; fire prevention and safety, \$16,606; junior college tuition, \$3,321.

Despite the projected drop in

the tax rate effected by the new tax levy, Venice School District still will be confronted by financial problems during the next year, with a deficit of nearly \$200,000 in the budget.

While the final budget figure approved Monday sets expenditures for the 1972-73 year at \$1,833,314, revenue from all sources is estimated at a total of \$1,633,488 in all funds, for \$174,826 less than all projected expenditures.

Authorize Bonds
Confronted with this problem, Venice school board members last month approved a resolution authorizing the sale of \$300,000 worth of working cash fund bonds to finance expenditures that exceed income in the educational and building funds, where all of the anticipated deficit lies.

In setting the final budget figures in Monday's public hearing, the school board increased the tentative budget figure in the educational fund from \$1,441,443 to \$1,651,443 (\$1,000,000) and in the building fund from \$233,676 (up \$33,700).

The increases resulted primarily from salary adjustments for faculty members in the educational fund and custodians and other employees in the building fund, Pier said.

The finalized budget items totaling \$1,833,314 include \$1,651,443 in the educational fund, compared with \$1,000,000 last year; \$237,376 in the building fund (\$244,503 last year); \$45,863 in the bonds and interest fund (\$46,702 last year); \$58,239 in the transportation fund (\$67,733) and \$20,393 in the municipal retirement fund (\$21,075).

will and do consider the proposed federal revenue sharing monies with the same concern for Madison County taxpayers as always," they said in today's statement.

"Federal revenue sharing must be applied to certain programs, such as law enforcement."

Charged in 3 Robberies Here

Michael T. Hamilton, 33, of East St. Louis, is being held at the Madison County Jail in Edwardsville in lieu of \$185,000 bond on three charges of armed robbery.

The complaints charge Hamilton robbed Viviano's Tom Boy Market in Gaslight Plaza, Pontoon Beach, at 6:25 p.m. Thursday; took an undetermined amount of cash from the A&P Food Co. Store, 20th Street and Madison Avenue, at 5:20 p.m. Saturday; and then robbed the Kroger Store at 5401 Collinsville Road at 6:55 p.m. Saturday.

Hamilton also is held on an armed robbery warrant from the Madison County Jail in the robbery of the Tri-City Grocery in East St. Louis. Another warrant may be served later from East St. Louis, it was reported.

Hamilton was released from the Madison County Jail Wednesday, before the robberies on \$400 cash bond on two former armed robbery charges, sheriff's department detectives said.

Identification Made
A sheriff's department spokesman said Tuesday that "identification of the suspect were made by numerous witnesses."

Among those who identified him was Mrs. Susanne Viviano who was working in the Pontoon Beach store office when he was arrested, asked her if she could change a \$100 bill and then displayed a pistol and asked for all the money in the office.

Hamilton was arrested Sunday night by Fayette County sheriff's deputies in Vandalia and was returned here.

Lower County Tax Possible

Madison County Board Chairman Nelson Hagnum and County Auditor John L. Kraynak today urged that federal revenue sharing in the amount of \$383,444, as reported by Congressman Melvin Price, be applied when received to compensatory reduction of property

taxes for city taxpayers "are too high" and that as a relief measure the revenue-sharing allotment, if approved by Congress, should be applied to the city's tax levy rather than be used for other purposes.

"I believe the mayor is absolutely right about this," Alderman Walter Nonn said. "City taxes are too high and so are those of the other taxing bodies... it's about time all the agencies start thinking about the taxpayer."

Too Late This Year
After the council approved Partney's suggestion, the mayor told the Press-Record that it is too late to apply the money to the 1972 levy which was adopted by the council several weeks ago and already has been certified to the county clerk's office.

"The program, if it is approved, will be applied to the 1973 levy," he said.

19 Seats Available For Barn Dinner Trip

Nineteen reservations remain for a trip to the Barn Dinner Theatre at Ellisville, Mo., on Sunday, Oct. 8. Harold Brown, superintendent of parks and recreation for Granite City, said today.

A total of 90 persons making the dinner-theatre excursion will view the stage production "Wait Until Dark." The Oct. 8 trip is the first Sunday excursion for some time for which seats are available, the park official noted.

Cost of the smorgasbord-style meal, admission to the show and roundtrip transportation is \$8.75 per person. Buses will leave the rink circle drive in Wilson Park at 4:30 p.m. Oct. 8.

Payment for reservations must be received at the Wilson Park office by Friday, Sept. 29.

Mrs. Charlotte Weir Dies Here at Age 72

Mrs. Charlotte Weir, 72, of 2125 Benton St., was pronounced dead upon arrival at St. Elizabeth Hospital this morning. She was stricken at a laundry at 2300 Illinois Ave., and taken to the hospital by ambulance.

Born in Galatia County, Ill., Mrs. Weir lived in Granite City 40 years. She was a member of the Niedringhaus United Methodist Church.

Survivors include her husband, Seigle G. Weir; two daughters, Mrs. Howard (Betty Sue) Elbertson and Mrs. Albert (Marlyn) Heaton, both of Granite City; two brothers Philip Backiewicz of Granite City and Ransom Backiewicz of Seattle, Wash.; and four grandchildren.

Details are given in the obituary column.

Mary Nohum and Gus Tomich; dear grandfather, great-grandfather.

Funeral services 10 a.m. Saturday, Sept. 23, at MERCER MORTUARY Chapel, 1416 Niedringhaus Ave. Interment St. John Cemetery, Edwardsville Township.

WEIR, MRS. CHARLOTTE, 2125 Benton St., entered into rest Thursday morning, Sept. 21, 1972.

Beloved wife of Seigle G. Weir; dear mother of Mrs. Betty Elbertson and Mrs. Marlyn Heaton; dear sister of Philip and Ransom Backiewicz; dear grandmother. Arrangements are pending at MERCER MORTUARY, 1416 Niedringhaus Ave., Call 876-4321 for information.

Johnson Rd.

plans, proposals and estimates have been updated, the city should submit four copies of each, for each section, for state approval.

The council voted two weeks ago to call bids on the long-controversial Johnson Road project under plans and specifications prepared by Research Planning & Design Associates, Inc. Louis planning engineers who previously served the city as special consulting engineers of all motor fuel tax projects.

The Johnson Road project would be financed entirely by MFT funds.

Council members refused to renew the Research Planning firm's contract and on Jan. 1 this year accepted the M. W. Architectural and Engineering firm of St. Louis as the city's motor fuel tax engineers. M. W. also is the city's special engineers for construction of the secondary sewage treatment plant.

As a result of Kursor's letter, the council Monday night voted to refer the problem to M. W., although officials of that firm have told the city on several occasions that it cannot ethically pick up the work initiated by another firm.

Improvement of Johnson Road originally was planned in two sections — from Franklin Avenue to Lindell Boulevard, and from Lindell to Pontion Road. This latter was revised, however, in two sections from Franklin to Edgewood and from Edgewood to Pontion Road.

The plan calls for widening to a 60-foot roadway, with curbing, guttering and extensive drainage installations that engineers say would mean much in improving drainage problems of the area.

At the same time Kursor notified the council in a separate letter that the Department of Transportation is withholding action on a request by the city for a change in plans for improvement of Buxton Avenue from St. Clair Avenue to Terminal Avenue.

Kursor said that the plan changes involved work extensions in tree cutting, driveway construction, sidewalk construction and sodding, much of which was added by orders of the ward aldermen. The project is located in the Second Ward where Sam Whitmer and Frank Greenwald are the aldermen.

"We see no reason why the motor fuel tax funds should pay for sidewalks and additional sodding added at the direction of the ward aldermen," Kursor said. "These costs should be borne by the city at its own expense. As stated above, the ward aldermen do not have authority to order changes in plans and the engineer should be aware of this."

Council members referred this problem to Research Planning & Design Associates because the project was planned by them prior to discontinuance of the Research Planning contract with the city.

ATTEMPT TO BEAT THE HEAT at SIUE. Robert Duncan, English professor, seated on the left, took his students outdoors Wednesday to escape overheated, stuffy classrooms in the Peck Building. Air conditioning still was not operating at normal capacity because of a strike by painters and a resultant work slowdown by engineers who operate cooling equipment. All the SIUE buildings have windows that do not open. Last night, the impasse was broken about the same time this week's heat wave ended — when responsibility for washing walls was assigned to painters.

News Notes

The new Russell D. Johnson Elementary School on Old Alton Road will be dedicated at 2 p.m. Sunday, Oct. 15. The public will have an opportunity to attend the program and tour the unique "open space" school.

SIUE has been awarded a grant to conduct 12 drug abuse seminars for educators, allied health personnel and SIUE students. The series already had been scheduled, and the first seminar ended Sept. 16 at St. Elizabeth Hospital, Granite City. The second is set for 8:30 p.m. Oct. 1 in Room 118 of Collinsville High School-Greenwood campus.

LT. Gov. Paul K. Carlton yesterday was named commander of the Military Airlift Command, based at Scott Air Force Base. He is being nominated by President Nixon for four-star rank. He will succeed Gen. Jack J. Catton, whose announced successor, Gen. George B. Simler, was killed in an air plane crash three days before the change of command.

State's Attorney R. W. Griffin Jr. ruled yesterday that Illinois law does not permit the Madison County Board's Finance Committee to bar the public or press from its budget hearings. As a unit of a tax-supported public body, it is subject to the Public Meetings Act, he said in a written opinion. Budget hearings are in progress.

Richard Speck cannot be executed for the 1966 murder of eight nurses in Chicago, the Illinois Supreme Court ruled Wednesday. It ordered a new hearing to bring out facts about his life and character that might help in setting a sentence. The court cited a U.S. Supreme Court June 29 decision that the death penalty is unconstitutional in most cases.

The Southwestern Illinois Organized Crime Prevention Council, a fact-finding group to oppose organized crime in Madison, St. Clair, Washington, Bond, Monroe, Randolph and Clinton counties, has set up office in Collinsville. Bill Belaud is in charge.

The United Steelworkers of America, meeting in Las Vegas, Nev., decided yesterday to take no stand on the U. S. Presidential election. A motion to endorse the Democratic nomination was shouted down by most of the 5,000 leaders present.

Walter Burke, international secretary-treasurer, told the delegates, "Ripples, Yippee, and Zippies are the same stripe of cat who support Sen. McGovern. I am not so worried about many people behind McGovern, who would be appointed to responsible posts, than I am the candidate."

\$120,000 Grant Given State Library Center

Secretary of State and State Librarian John W. Lewis has announced the award of a \$120,000 federal grant to the Illinois Library Materials Processing Center, a centralized book processing center located in Rockford.

The center has been in operation for more than six years, and provides ordering and processing service of books for any library unit in Illinois. As a result of Center operations, local libraries do not have to handle book processing in any way. They may request the center to provide their services at a reasonable cost, Lewis said.

MORE ABOUT

Mall

project is needed and needed badly. Downtown Granite City needs the business the mall would bring."

Moves to Adjourn While Nomm was talking, Alderman Emerald Dawes interrupted with a motion to adjourn the meeting.

"What's the matter," Nomm asked Dawes, "aren't you interested in getting the mall?"

"I'm making an insidious remark to Nomm, but by that time most of the aldermen had called out 'aye' to Dawes' adjournment motion and began leaving the meeting room."

The mall project, in the planning stage since early 1969, has been held up by delay in completion of the special assessment bond ordinance by the law firm of Charles & Traver, St. Louis, an authority on municipal law.

The firm was retained by the city to prepare the bond ordinance and other legal procedure upon which the city council must act before the mall project can progress.

Mayor Donald Partney, who has not been attending council sessions because of illness, said after Monday session that he intends to meet this week with City Attorney Leon Scroggins and Granite City Attorney William Brandt, special attorney for the Board of Local Improvements which is developing the program.

Partney said the St. Louis law firm promised him three weeks ago that the bond ordinance would be completed within a matter of days, but the measure has not yet been delivered.

TOOL BOX STOLEN

A tool box and tools worth \$500 were taken from under the porch of the mobile home on Park Street, near the Braden Avenue, the owner reported at 2:20 p.m. Tuesday.

MORE ABOUT

County Tax

ment, public health, recreation, social services for the poor or aged, financial administration and libraries, as well as public transportation, but not necessarily in that order, nor on a preferential basis.

"We believe that the new monies should be spread equally and proportionally among all county departments where needed. The \$853,844 can reduce the county county tax rate by approximately eight to nine cents per \$100 valuation."

"At present the county tax rate is 43 cents, which provides tax income for all the departments in the county government. With an assessed valuation of \$986,000,000 for current year tax collection levies, the \$853,844 federal monies could replace that amount in taxes levied in the next fiscal year, thus resulting in the above reduction in the tax rate for county purposes."

"Local-level property taxes must be reduced and should be replaced by the new federal monies. We are submitting this approach on the new monies to all the county offices and departments, and urge that it be fully supported."

Power Demand Hits Record Peak in Area

The demand for electricity over the Illinois Power Co. System reached a peak of 2,178,500 kilowatts between 7 and 8 p.m. Monday.

This was 10.3% above the 1971 peak of 1,973,670 kilowatts on Sept. 8, 1971, and the fourth time the 1971 record has been exceeded in 1972. This week's heat wave was regarded as responsible for Monday's power demand.

INTIMIDATION CHARGED

Haskell R. Howkes, 30, of 25 Tennessee Ave., Mitchell, was arrested at 11:55 p.m. Monday and charged with intimidation, allegedly for threatening this brother, Anthony Howkes.

Injured in Route 162 Cycle, Truck Accident

Lonnie McFarland, 22, of 922 Washington Ave., was injured when his motorcycle and a pickup truck collided on Route 162 at Nameoki Road at 10:15 p.m. Tuesday.

Witnesses said McFarland was westbound on Route 162 when the eastbound truck turned left in front of him. After the accident, the truck drove from the scene. It was described as a green pickup with a camper.

McFarland was taken to St. Elizabeth Hospital with cuts to his scalp and right arm which required 30 sutures. X-rays were taken and he was admitted.

Ballot Deadline

Tomorrow is the deadline for servicemen stationed outside of Madison County to submit applications to the County Clerk for absentee ballots.

School Tax Levy is Set

Levies totaling \$8,760,633 to be assessed taxpayers of the Granite City School District for the 1972-73 year were certified Tuesday by the office of the Madison County clerk following adoption of levies and the annual budget Monday night by the Board of Education.

Victor Anderson, school controller, said the levy for the bond and interest fund needed in the 1973-74 school year was certified at \$1,365,123.75, or \$257,300 more than a \$1,108,333 amount he said his accounts show would be needed.

He said he would confer with county tax officials this week in an attempt to reduce the figure. The school administration had shown an estimated overall levy of about \$8,503,633 when the board adopted a tentative school budget of \$19,176,772 a month ago.

Budget Increased

The budget figure was increased to \$19,290,257, showing a decrease of \$2,555,816 from that of last year. The board added a working cash fund of \$122,485 to the budget, following a public hearing, an amount not included in the tentative roundup.

The total levy as it now stands is \$670,472 more than last year, to be raised from an estimated assessed valuation of \$229 million.

A tax rate of \$3.826 per \$100 assessed valuation, about the maximum permitted without voter approval, would be 12.16 cents higher than last year's actual rate of 3.7110.

Anderson again informed the board that the education fund will be insufficient to meet expenses and the district will be forced to borrow on tax anticipation warrants before the end of the school year.

It will be the first time since 1963 that the school district will be forced to issue tax anticipation warrants.

The amount of money to be borrowed will depend on how tax funds will be collected and how soon the money will be turned over to the district, amount of personal tax that may be lost this and next year and how much money can be saved out of the new budget.

The total levy includes education, \$5,630,400; building, \$862,500; transportation, \$770,000; Illinois Municipal Retirement Fund, \$344,000; fire prevention and safety, \$110,400; special education, \$84,600; and junior college, \$87,400.

The decrease in the budget resulted in elimination of an appropriation for new buildings which last year was \$4,456,664, mostly for schools, but includes \$450,000 for equipment under the new construction account, an increase for \$250,000, for the new high school. All other appropriations show increases.

Total Increase

The total increase in the budget, not including new buildings and equipment, is \$1,558,563 as compared with a total increase of \$1,490,766 for the 1971-72 year and \$1,541,696 for the 1970-71 year.

Major cause of the increase in the budget is instruction, which accounted for \$787,440 of the amount. Included were salaries of teachers and secretaries, which added \$617,421 to the account.

The budget includes \$15,593,614 for the educational fund, up \$1,281,376, \$1,213,240 for the building fund, up \$173,240; \$1,108,333 for the bond and interest fund, up \$1,005; \$358,706 for the transportation fund, up \$3,069; and \$344,885 for the municipal retirement fund, up \$69,885.

FLAGSHIP OF THE FLEET. The all-new Chevrolet Monte Carlo is among the most changed of all seven Chevrolet car lines in 1973. Featuring sculptured side and rear-quarter metal, a new grille and an optional Landau or opera-style vinyl roof, the Monte Carlo has received months of advanced chassis and suspension engineering work, with a goal of handling and roadability matching Europe's most expensive personal touring cars.

GC Council Meeting Reset for Tuesday

The Granite City Council will meet Tuesday night instead of on Monday because most city officials will be in Chicago Monday attending final sessions of the four-day annual convention of the Illinois Municipal League.

The delegation, which will include all council members except Aldermen Sam Whitmer and Gerald Parney, will leave Friday for convention sessions that start that day and continue into Monday afternoon.

Convention headquarters will be at the Conrad Hilton hotel. City officials of Madison and Venice also are scheduled to attend the convention sessions, designed to bring Illinois officials up to date on new legislation, legal interpretations and other pertinent municipal matters.

Respiratory Therapy Topic of GC Rotary

Curtis E. Jackson, service director of the Respiratory Therapy Department at St. Elizabeth Hospital, explained the duties and program of the therapy department at Tuesday's meeting of the Granite City Rotary Club.

He displayed several pieces of equipment used in the therapy program to train people to breathe when stricken with a respiratory ailment.

Jackson said the cardiac arrest team in his department also aid in emergency treatment under the instruction of doctors. They also are in charge of all oxygen that is used in the hospital, he added.

Richard West, president, opened the luncheon meeting held at the YMCA and distributed committee assignments for the 1972-73 year.

Quartet to Appear at Shrine Club Meeting

The Missouri Barbershop Quartet will make a guest appearance at a meeting of the Tri-City Shrine Club at 8 o'clock tonight at the Masonic Temple, 20th Street and Cleveland Boulevard.

George Frangoulis leads the Missouri singing group, according to Avery Schermer, Shrine Club president. All members are urged to attend this evening's performance, he said.

Chevrolets Here Today

New Chevrolets for 1973 are going on display today at Matthews Chevrolet Co., 1511 Niedringhaus Ave., Granite City.

Chevrolet, which sells more cars and trucks than any other manufacturer in the world, in 1973 will offer three product lines completely new from the ground up... the Monte Carlo, the division's personal luxury car; an all-new Chevelle; and a completely restyled line of pickup trucks, Chevrolet's first new pickup truck in six years.

The 1973 Chevrolets, featuring seven car series... from the top-of-the-line Caprice to the versatile Vega... give the automobile buyer the greatest choice of styling features and safety innovations ever offered in the division's 62-year history.

In the model year that just ended, Chevrolet broke its all-time past sales record. Along the way, new sales records were established for the Cor-

vette, the Monte Carlo, the Caprice, the Nova and the Vega... which gives an idea of the breadth of Chevrolet's current sales strength.

John Z. DeLoe, a General Motors vice-president and general manager of Chevrolet, said that "the '73 models are substantially improved in roadability, comfort and styling."

"In addition," DeLoe added, "Chevrolet dealers are undertaking an all-new service program, called Service Supremacy, which should result in a giant step toward better service."

"The addition of an improved product and improved service to the momentum built in the past year should guarantee a super year for Chevrolet in 1973," he concluded.

All told, Chevrolet will offer 47 passenger car models for 1973, eight more than in the previous year.

Beer Costs Go Up, Drinkers Feel Pinch

This week is one of bad news for beer drinkers. It is costing more to imbibe.

Area beer distributors have boosted prices from 25 to 40 cents a case and 10 cents for a six-pack. Draft beer also will be higher at most area taverns, according to the Madison County Tavern Owners Association.

Some distributors made the hike effective Monday, another major brand went up yesterday and the last of the premium beers is scheduled to cost more tomorrow.

One local distributor said the increases became necessary with recent contracts providing salary and fringe benefit improvements for employees and wage hikes pressed by brewers, caused by the same basic reasons.

Charles Hester, president of the Tavern Owners Association, said outlets are passing the cost to the consumer.

One distributor said the extra cost of draft beer would be a penny a glass, and Hester said tavern operators have the option of absorbing the cost, and serving smaller glasses or increasing the cost.

Most are charging more, he said. "It's a matter of making money or going out of business," Hester added. "Taverns have to compete with big package liquor stores."

A distributor related that in the past three to five years the cost of pay and fringe benefits have increased to more than \$3,000 per employee.

Two Women Injured In Nameoki, Pontoon Crash

Two drivers were injured when the auto of Mrs. Deborah Gresham, 15, of 1720 Kennedy Drive, Madison, struck the rear of the stopped car of Mrs. Mary Anita Dean, 33, of 223 State St., at Pontoon and Nameoki Roads at 11:50 a.m. Tuesday. Mrs. Gresham was charged with having inadequate brakes on her auto.

The women were taken by ambulance to St. Elizabeth Hospital where Mrs. Gresham was treated for a half inch cut to her nose and Mrs. Dean was examined for pain to her neck, back, left arm and both knees. X-rays were taken and both were released.

STRUCK WITH STICK

Kathy O'Beare, 13, of 2231 State St., said an older girl struck her with a stick while she was walking in the 2300 block of State Street at 8:30 p.m. Tuesday. Miss O'Beare's upper left arm was injured. She declined hospital treatment.

Motivators Speak At Madison Rotary

"Making Success A Habit" was the topic of Jeff Royall and Al Wells, Denver, Colo., members of Executive Ideas, Inc. motivation training division who spoke at the noon meeting of the Madison Rotary Wednesday at the Madison Recreation Center.

The two men are conducting training courses for the employees of the First Granite City National Bank.

The speakers were introduced by David Fox, vice-president for marketing of the bank.

The club celebrated its president's birthday as they sang the traditional song to Jerry Maeras.

A picnic is planned Nov. 4 at the Cahokia Mound State Park instead of the regular meeting.

TIRE THIEF WATCHED

A man wearing a white undershirt and driving a light colored car was seen stealing the right rear tire and rim of the auto of Paul Baker, 2323 State St., it was reported to police at 4:55 a.m. Tuesday.

Miss Toundas Enrolls At Fontbonne College

Sandra Marie Toundas, daughter of Mr. and Mrs. Michael Toundas, 1801 Pontoon Road, has enrolled as a freshman at Fontbonne College in St. Louis.

Fontbonne is a four-year liberal arts college with an enrollment of 675 resident and day students. The college was founded in 1917 by the Sisters of St. Joseph of Carondelet, with legal ownership and control transferred in 1968 to a board of trustees composed largely of lay persons.

TAKE TIRE FROM CAR

Fred Baitinger, 2334 Edison Ave., reported at 7:25 a.m. Tuesday that the right rear tire and wheel was removed from his car and stolen overnight while the auto was parked at his home.

COLLIDE AT RESTAURANT

Autos of Christine Kelly, 1423 Third St., Madison, and Thomas Stanfill, 2214 State St., collided on the parking lot of Burger King Restaurant, 2406 Nameoki Road, during the weekend.

Teachers Introduced to Frohardt PTA

The Frohardt Parent-Teacher Association held its first meeting of the 1972-73 school year Tuesday evening in the gymnasium.

The PTA Prayer was offered by Principal Lee Reed and Boy Scout Troop 22 presented the colors.

Mrs. Fran Holt, president, was in charge and Mrs. Marsha Watson submitted the treasurer's report. A proposed budget for the year was discussed.

Ways and means chairman, Mrs. Linda Luebert, gave a progress report on plans for a sweatshirt sale. Also discussed was a "Fun Fair," to be held

in November, and a candy sale planned for next spring.

Faculty members were introduced to the members present and each teacher was presented a ceramic book engraved with her name and grade.

Guest speakers for the evening were Mrs. Alice Worthen, who spoke on "Cystic Fibrosis," and Sister Cornelia, who discussed her activities with Co-ordinated Youth Services, a United Fund agency.

Refreshments were served after the meeting by members of the PTA executive board. Officers and PTA chairman introduced at the session were: Mrs. Fran Holt, president; Mrs.

Sharon Rurkey, vice president; Mrs. Joyce Toussaint, secretary; Mrs. Marsha Watson, treasurer; Mrs. Luebert, ways and means; Mrs. Sue Moss, room mothers; Mrs. Phyllis Steib, yearbooks; Mary Jo Hein, membership; Mrs. Joyce Harris, hospitality; Mrs. Janet Wilson, legislation; Mrs. Sara Metcalf, health and safety; Mrs. Florence Petrovich and Mrs. Jerry Doney, picnic co-chairmen; Mrs. Karen Frazer, scholarships; Mrs. Billie Majer, librarian; Mrs. Judy Russell, publicity; Dick Oliver, Boy Scouts; and Mrs. Carolyn Votaw and Mrs. Shirley Long, Girl Scouts.

Detention Home Tax Levy to Be Reduced

A special tax levy for the Madison County Detention Home can be reduced for the 1972-73 fiscal year because of a large cash surplus, the Finance Committee of the Madison County Board learned this week.

Harry Thiel, chief probation officer, said that about \$149,000 is available, and the detention home should generate about \$45,000 during the year beginning Dec. 1. A tentative budget increase of \$45,000 for the home is being considered by the committee.

The tax levy would be reduced from .0167 to .0138, about a third of a cent, and would produce tax revenues of \$138,000 compared with the current \$167,000 levy.

The finance committee also received budget requests of \$336,790 for the office of the clerk of the circuit court, up \$10,000; \$273,950 for the office of the state's attorney, up \$21,000; \$338,970 for the sheriff's department, up \$54,000; and \$313,100 for the county jail, up \$6,400.

13 Recovering After Surgery at Hospital

Patients at St. Elizabeth who have undergone major surgery: Ralph Skaggs, 2610 W. 20th St.; Larry Chaffin Jr., 309 Wilson Park Lane; Joan Bittles, Collinsville; Esther Bennett, Box 31, Mitchell; Shirley Mitchell, Troy, Ill.; Daniel Rushing, Edwardsville; and Robert Munsterman, 1721 Primrose Ave.

Beulah Boone, 4718 Benning St.; Donald Madison, 3817 B St.; Edith Wagner, Collinsville; Mattie Lance, 2737 Iowa St.; Rosetta Horton, 306 Hill St.; Madison; Mae Harris, Collinsville.

The auto of Robert S. Hill, Edwardsville, stopped eastbound on Johnson Road at Edgewood Drive for a stop sign, was struck from the rear by the auto of Thomas A. Rogers, Rural Route One, Box 576, Granite City, at 2:10 p.m. yesterday.

MRS. WENDELL JOHNSON, the former Miss Janet Harrison, a daughter of Mr. and Mrs. Robert P. Harrison, 1009 Wayne Ave. She was married Sept. 16 at St. John United Church of Christ. Her husband is the son of Mr. and Mrs. Earl T. Johnson, 3321 Wilshire Drive.

CHURCH WOMEN TO HEAR BLOOD DONOR PROGRAM

An all-volunteer blood donor program for the area will be the topic of the second annual forum of the Quad-City Council of Church Women United to be held at 7:30 p.m. Tuesday at Suburban Baptist Church, 2300 St. Clair Ave.

THEFT FROM AUTO

A CB 5-channel radio, carpenter's belt, tools, tool box and skill saw were stolen from an auto belonging to Bruce Foster, 2613 W. 26th St., while it was parked in the Laclede Street parking lot. The theft was noticed by Foster at 4:25 p.m. Wednesday.

GARAGE LOOTED

Thieves stole a hunting jacket, fishing rod and reel, tree saw, shotgun shells and a torch, all valued at \$100, from the garage of Robt. G. Brassfield, 1701 Third St., Madison. The theft was reported to police at 7:15 p.m. Wednesday.

REV. DAVID TOMICH Retired Pastor, Dies

The Rev. David Z. Tomich, 77, of 4236 Highway 162, a retired pastor of the Apostolic Pentecostal Church, 14th and Iowa streets, was pronounced dead at home at 9:30 a.m. Wednesday by Edward Werner, Madison County deputy coroner.

The Rev. Tomich had served as pastor of the Madison church for 42 years prior to his retirement. He was born in Yugoslavia and had lived in this area nearly 50 years.

He had been in ill health for many years.

Survivors include his wife, Mrs. Pauline Tomich; three daughters, Mrs. Harold (Angeline) Popovich of Akron, Ohio, Mrs. Andrew (Dorothy) Nothum and Mrs. Joe (Mary) Nothum, both of St. Louis County, Mo.; one son Gus Tomich of Phoenix, Ariz.; 17 grandchildren and 13 great-grandchildren.

Glen Carbon Youth Injured in Accident

Four Glen Carbon area residents were injured in a traffic accident Tuesday morning on Route 157 near Southern Illinois University at Edwardsville.

They are Helen Owens, 17, Linda Owens, 18, Lloyd Owens, 16, and David Artip, 15. They were taken by SUE ambulance to St. Elizabeth Hospital.

Helen Owens was admitted with abrasions to the knees and contusions to the forehead. Lloyd Owens was treated for contusions to the right thigh and leg and pains in the left ribs and was released. Artip had pains and contusions to the left shoulder, leg and hip and was released. X-rays were taken of the victims.

FACES ADDED CHARGE

Eddie Abney, 38, who refused to give his address to police, was charged with obstructing justice at 11:10 a.m. yesterday. Abney, who was being held in the Granite City Jail on an intoxication charge, allegedly gave police his name as Jimmie Williams of St. Louis when he first was arrested at 1:45 a.m. Tuesday. Abney was taken to the Madison County Jail.

Old GC Landmark at 'Wedge' Being Razed

Another long-time Granite City landmark—the old First National Bank building on the "wedge" at Niedringhaus Avenue and Cleveland Boulevard—is passing from the downtown scene this week.

Leveling of the brick structure under the impact of a "headache ball" began yesterday after demolition workers first removed the white stone decoration trim on top of the building fronting on Cleveland Boulevard.

G. H. Sternberg & Co. has the razing contract. Work is expected to take about two weeks to level the building and clear the land.

The land is owned by Ernest Karandjeff, president of the Granite City Trust and Savings Bank, who said he personally acquired the property about 12 years ago.

Karandjeff said he has no plans to build on the vacated land, or to use it for other purposes, at this time.

Built in 1896, the building first housed the First National Bank and later the offices of the Granite City, Madison & Venice Water Company. At one time offices of the Co-ordinated Youth Services also were located in the building, as were the law offices of LeMasters and Stallings on the second floor.

SERVICES TO BEGIN

The Church of God of Prophecy, 1732 Rhodes, plans revival services which will be held nightly at 7:30 starting Sunday.

The Rev. L. H. Thompson is pastor and the evangelist is Terry Mahan.

The evening will be spent with singing, preaching and prayers.

HOSTS TO ASSOCIATION

The Second General Baptist Church, 512 State St., Madison, was host to the 24th annual sitting of the Christian Association of General Baptist.

The sessions were held at the Westside Tabernacle, 2601 Cayuga, during the weekend.

Special guest speaker was Mrs. Delores Duck, General Baptist missionary society executive secretary, of Poplar Bluff, Mo. Host pastor was the Rev. Jesse Gibson.

Eagle Park Man Faces Theft, Bribery Charges

Eugene Sanders, 24, of 208 Watson St., Eagle Park Acres, was arrested and charged with petty theft and attempting to bribe a police officer at 7:40 p.m. Thursday at 6th and Madison avenue, Madison.

The complaint charged Sanders snatched a purse from a customer at Schermer's Market, 12th Street and Madison Avenue, and when stopped by Madison police officer Marvin Owca, he allegedly offered the officer \$11 to prevent his arrest on the theft charge. Sanders was released on notice to appear.

'COLLIDE IN VENICE

Autos belonging to Robert Johnson, 299 Booker St., Madison, and George F. Vaz, Webster Groves, Mo., collided at Market and State streets, Venice, at 2 a.m. Wednesday.

CAR TAKEN FROM HOME

The 1967 car of Donna Betts, 2517 Benton St., was taken from her home, she reported at 6:25 p.m. Monday.

END OF AN ERA in early century architecture marks demolition of the old First National Bank building at Niedringhaus Avenue and Cleveland Boulevard. In this view workers lower white stone trim from top of the building before applying a "headache ball" to knock in the sides of the brick structure. G. H. Sternberg & Co. has the razing contract. Demolition work and clearing of property, owned by Ernest Karandjeff, president of the Granite City Trust & Savings Bank, is expected to take about two weeks.

Cyclist Hurt as He Falls to Avoid Crash

Harvey Lynn Beaver, 24, of 3141 Maryville Road, was injured when his motorcycle overturned to avoid a collision with a car at Route 162 and Nameoki Road Monday.

Beaver said he was southbound on Route 203 and was turning right onto Nameoki Road when a gray 1968 auto went through the red light toward him. Beaver said he tipped his motorcycle and jumped from it to avoid being struck by the auto. The bike went behind the car as Beaver fell near the curb. The car then left the scene without stopping, Beaver stated.

He was taken to St. Elizabeth where he was admitted with an injury to his right shoulder. He was listed in good condition this morning.

PARKED CAR DAMAGED

The parked car of Vincent E. Kelly, St. Louis, was struck by a hit and run vehicle on the Nameoki Village Shopping Center parking lot at 6:55 p.m. yesterday.

HIT IN PARKING LOT

The auto of Eleanor Hackethal, Hartford, was struck by a hit and run vehicle in a parking lot in the 1800 block of Delmar Avenue, she reported this week.

CONDUCT CHARGE FILED

David Catterson, 23, of 2091 Lee Ave., was arrested in the 2000 block of Washington Avenue at 1:40 p.m. Tuesday and charged with disorderly conduct. He was released on \$25 bond.

2 CARS DAMAGED

The cars of Larry D. Peterson, 2420 Center St., and Jacqueline Sitzmore, 2406 Pontoon Road, were damaged in a collision at Route 3 and Nameoki Drive at 4:30 p.m. yesterday.

PICTURE FRAMES: CUSTOM MADE, GC GLASS, 18th & EDISON

Schermer Elected To Oriental Band Association Post

Avery Schermer, 2600 Edison Ave., was elected sergeant-at-arms of the Great Lakes Association of Shrine Oriental Bands at a meeting of the association held in St. Louis during the weekend.

Schermer is the first member of Ainaad Temple to be elected to an office in the association and will become, in five years, the first local president. Progression in office is the normally accepted practice of the group.

He plays the Musette, an oriental flute, and was one of the founders, president for the first three years, and is now manager of the Ainaad Temple Oriental band. It was organized five years ago and is the newest in the entire association of 22 bands.

A partner in Schermer Brothers Supermarket, Madison, he has been a member of the Shrine since 1962. He currently is serving as president of the Tri-City Shrine Club and on the executive board of Ainaad temple.

Schermer was nominated last year to the band office at the group's annual meeting in Toledo, Ohio, but declined because he preferred to accept the nomination this year when his temple would host the meeting.

PARKED CAR HIT

The parked car of Dennis Michael, 2440 Cleveland Blvd., was damaged when it was struck from the rear by the auto of Erma Dixon, East St. Louis, on Edison Avenue near 21st Street at 11:05 a.m. yesterday.

Warrior Home Opener Set Friday Against O'Fallon

The Granite City High School football Warriors will hold their home debut at 8 p.m. Friday against a strong O'Fallon Panther team.

The Panthers won the Mississippi Valley Conference last year with a 7-0 record and had an 8-2 overall season. The Panthers racked up 358 points in 1971 compared with their opponents 86.

O'Fallon inaugurated football five years ago under the leadership of Bob Scates, head grid coach. Scates in his prep days played halfback for the Edwardsville Tigers, and prior to coaching the Panthers he was an assistant coach under Fred Cameron in East St. Louis for nine years.

Over the past five seasons O'Fallon has obtained a 32-11-3 record, a 73 percent win.

Nine Lettermen
In Friday's action the Panthers will field nine returning lettermen.

The Panther quarterback is Chuck Schackelford, 6-0, 170, and at fullback position will be

Press-Record Sports

Page 6 Thur., Sept. 21, 1972

Gary Kombrink or George Schwartz. The Panthers boast a light and fast club.

A leading offensive gridders for the Panthers will be Paul Buchanan, senior, and guard; Keith Woods, senior, 200, tackle; and Clyde Booser, 235, junior.

O'Fallon employs an Arkansas monster defense and the middle linebacker and monster man are the keys in making it work.

Scates has been giving Dave Ripple, a 170 pounder, a shot

at this spot, with Tom Kelley and Ron Meyer as linebackers.

WV Openers
O'Fallon won their season opener last Friday 20-0 against Berthoud, while the Warriors won their opener 8-7 against Riverview Gardens.

"O'Fallon is a tough club," Wayne Williams, head Warrior coach, opined. "They play a great deal like we do with a 5-4 defense and a Wishbone T."

"I'm hoping we will have Dave Macios and Keith Hollis in backfield this game. Terry Hollis was hurt in the JV game."

"With the heat Tuesday and Wednesday our regular practice has been slowed down. We went to practicing at night."

"As for our win over the Rams, I was pleased with the way our team played, but it still has a way to go and we sure have a tough conference schedule ahead of us."

The football Warriors will play their first home game, Conference game on the road against Edwardsville on Sept. 28.

SPRINT CAR ACTION will return to the Tri-City Speedway Friday night with many well-known sprint drivers in competition on the half-mile clay oval and hobo cars racing on the smaller quarter-mile track. The photo, taken earlier this year at the track, shows two sprinters colliding near the outer rail while another competitor slips past on the inside.

Sprinters to Return Friday, Join Hobo Cars on Race Card

The super-sprint race cars, featuring the top drivers from throughout the Midwest, will return to the Tri-City Speedway Friday night for a double-header program with hobo cars.

The sprinters, which have not appeared here since Aug. 18, are expected to compete in one of the largest fields of the year as most race tracks in the Midwest have closed for the season and the drivers are seeking events at which to compete.

The field also is expected to be boosted by the promoter for the special event, Joe Shaheen of Springfield, who has a long association with the track and a respected racing background.

Sprints on Half-Mile
The sprinters will compete on the larger half-mile clay oval while the hobo cars will be in action on the smaller quarter-mile track.

Fans at the last hobo car race on Sept. 1 commented after the show that the hobo cars had presented one of the most exciting races seen this year at the racetrack.

The hobo cars on the quarter-mile track race wheel-to-wheel which is responsible for many collisions and for cars being forced from the track surface over the outside edge of the racing service. "We are out to race and we race for blood," one hobo driver commented after the last program here.

The sprint cars will compete in time-trials, a trophy dash, one hobo driver commented after the last program here.

Can Spalding Win?
The big question in the sprint competition will be whether Wil Spalding of Ponton Beach will be able to continue his winning streak with hard chargers such as Chuck Amick of Greenfield, Tenn., Jim Moughon of Springfield, Bill Uff of Sedalia, Mo., Tom Corbin of Carrollton, Mo., and Jerry Camfield of Argenta.

There have been no official entries in advance this year but track officials have indicated all of those drivers are in the area and will be available to race Friday night. Shaheen also is expected to bring many of the Springfield Speedway regulars here.

Spalding has won the last Steve Axmacher (two goals). McBride was taking bows for switching. Smallwood from defense to offense.

three consecutive super-sprint heat race at 8:30 p.m.

The race will be the final Friday night event of the racing season here but a special event is planned at the track Saturday night, Sept. 30, as the United States Auto Club (USAC) association, with more than 35 drivers, has endorsed the event. Many non-members also have been invited to join the competition. The hobo purse also is guaranteed.

Tickets for the event will be \$3 per adult. Time-trials will begin at 7:30 p.m. with the first

Warrior Harriers Beat Kahoks 20-35; Bryant Sets New Track Record

Granite City High School's cross country team defeated Collinsville 20-35 Monday on the local 2.83-mile flat track and Warrior Harrier Bryant set another GCHS record, finishing first in 14:47.

Bryant broke his own record of 15:09 set Sept. 6 against O'Fallon. In practice, he ran the local course in 14:29.

Other GCHS harriers finishing against the Kahoks in the Southwestern Conference meet were Dewayne Terry 2nd, 15:52;

Mike Adams 4th, 16:17; Bill Shands 5th, 16:22; and Jim Hall 8th, 16:37.

The Warrior Jayvee runners lost to the young Collinsville Kahok team by a 20-35 score. The top two local performances were by Greg Ahlers 3rd, 18:19, and John Lignoul 5th, 18:08.

The Warriors will host Edwardsville at 4 p.m. today and will travel to the Edwardsville Invitational beginning at 1 p.m. Saturday.

SIUE Harriers Best Vincennes

Runner Charley Simpson led the cross country team of Southern Illinois University at Edwardsville to a 22-33 victory over Vincennes (Ind.) Junior College Tuesday at Vincennes.

Simpson won the four-mile race with a time of 20:01. The SIUE harriers victory was tantamount to an upset over Vincennes, last year's junior college cross country champions.

The local Cougars will compete Saturday in a double dual meet at Kirksville, Mo., with Northeast Missouri State and Westminster College of Fulton, Missouri.

Cougars Rank 1st In Soccer In Midwest

Southern Illinois University at Edwardsville's soccer team was ranked No. 1 in the Midwest Region by the national ranking board of the Intercollegiate Football Soccer Association of America.

Bill Clarke, chairman of the board, made the announcement from Walsh College, North Canton, Ohio.

Cougar Bob Guelker's SIUE kickers, who opened their season unofficially Saturday with a 7-2 victory over a rugged Cougar alumni squad, will make their regular season debut Saturday against the University of Wisconsin, Parkside, in Kenosha.

SIUE drew 60 votes from the seven coaches voting, including two first place ballots. Coaches voting can't vote for their own teams.

St. Louis University was ranked second with 55 votes and two first places. Third with 50 votes was the University of Missouri, St. Louis, which stunned the Bills nearly two weeks ago by beating them, 1-0, in season openers for each.

Quincy College, fourth, drew 50 votes and one first place ballot. Tied with 34 votes (5th and 6th) were the University of Akron and Cleveland State. In seventh place with 15 votes was the University of Wisconsin, Green Bay, which lost to St. Louis U., 1-0, last weekend. In the eighth slot was Ohio University with 14 votes, and tied for 9th and 10th were the University of Illinois, Chicago Circle, and the University of Indiana, with 13 votes.

The Cougars are scheduled to play five of the top ten Midwest soccer powers: St. Louis University, Ohio University, Missouri, St. Louis, Quincy College, the University of Akron, and the University of Illinois, Circle.

SIUE Kickers to Open Saturday at Kenosha

Southern Illinois University at Edwardsville's soccer team will open its regular season Saturday (Sept. 23) against the University of Wisconsin, Parkside Rangers at Kenosha, Wis., in an afternoon game.

The Cougar kickers warmed up for their encounter with Wisconsin with a convincing 7-2 victory Saturday over a rugged SIUE Alumni squad. Coach Bob Guelker couldn't be faulted if he was impressed by what he saw in the Alumni game.

Playing for the Alumni squad were recent SIUE stars as Johnny Caranza, mainstay on the United States soccer team which made it to the Olympic games at Munich, Tom Howe, signed by the St. Louis pro Stars, John (Dino) Delnoski and All-American Jack Blake, also on the U. S. Olympic squad.

Said a beaming Guelker after the game: "I never dreamed the boys would put it all together like they did. They moved good off the ball, played excellent position and their shooting was extremely good."

Double Striker Duo
The Cougars' new double striker duo of Chris Caranza and freshman John Stremmlau electrified the crowd with two goals within three minutes time, the first coming at 9:30 in the first half on a pass from a head nod from Chris.

Bobby Kesson, the Cougars' little sophomore inside right, made it 3-0 at 33 minutes into the first half (colleges this year are playing two 45-minute halves instead of four 22-minute periods) on a pass from Stremmlau. At 38:30 in the opening half, Jack Blake slipped through the tough SIUE defense, took a pass from Jim Kensing and put the Alumni on the board to make the score, 3-1.

Apparently refreshed and rested by the intermission, Alumni were able to hold off

Guelker's charges for 10 1/2 minutes, but then the elusive and speedy Kesson slipped in and scored unassisted. Less than three minutes later, Bill Renaud infiltrated up from the left half-back slot to make the score, 5-1, with another unassisted goal.

At 20 minutes into the second half, SIUE's one-two punch of Stremmlau and Caranza made it 6-1 with Stremmlau booting in the ball. Blake, however, unassisted, cut the Alumni's deficit to 6-2 at 30 minutes, but highly regarded freshman Greg Miodo, a Kosary High standout, scored the game's most sensational goal with five minutes on the clock.

Brilliant Offense
In posting their 7-2 victory, the varsity offense was brilliant, garnering 30 shots on goal to the Alumni's 18 even though Guelker substituted liberally the final 20 minutes. This disparity in shots-on-goal points up the strength of the Cougar defense, which figures to be outstanding.

Led by Denny Driscoll, co-captains Vince Fassi and Kevin Howe, Tim Howe only one.

Another standout freshman prospect, Steve Casciuto, started for the varsity at outside right and played with the poise of a veteran. Tom Twellman, a junior at outside left, gives the Cougar forward line steadiness that could make it great.

A goal save by the Alumni's goalie, Jim Stranz, robbed Twellman of a goal late in the first half.

Only jarring note in the Cougar soccer picture was the fact that Tom Galati was on the sideline with an injured right knee. Galati's loss would be a severe blow. Rick Benben, starting his third season in goal for the Cougars, turned in his usual fine job, but Guelker subbed junior Chester Kowalewski most of the second half.

In the curtain raiser, Coach Pat McBride's JV Cougars walked off the University of Louisville club team, 7-0, on brilliant performances by freshmen Mike

St. Louis University was ranked second with 55 votes and two first places. Third with 50 votes was the University of Missouri, St. Louis, which stunned the Bills nearly two weeks ago by beating them, 1-0, in season openers for each.

Fast-Pitch Title Won By Hospital

St. Elizabeth Hospital de-
fended the Tri-City Maroons 7-3
Tuesday to win the champion-
ship of the second annual dou-
ble elimination men's fast-pitch
softball tournament, the
Granite City Army Installation.
The Hospital team scored
four runs in the first inning to
relieve most of the pressure.
Batteries were Dave Clayton
and Chuck Spicer for the Hos-
pital and Garland Horn and
Jim Black for the Maroons.
The Maroons, 1971 champions,
advanced to the title game by
downing the Eagles 9-0 on Mon-
day. The winners scored six
runs in the last two innings in
a successful catch-up effort.
Maroon batteries were Horn
and Bob Schofield, while for
the Eagles, Paul Hopper worked
7½ innings and Ron Hopper
finished the game on the mound.
John Kip was behind the plate.

Spalding in Championship

With Spalding of Pontoon
beach, who has been declared
the official late model stock
car racing champion of the Tri-
City Speedway for the 1972 sea-
son, will compete in the fourth
annual Illinois State Champion-
ship race for stock cars at the
Champaign, Ill., Fair-
grounds.

Punt-Pass-Kick Event Sept. 30

The Granite City Jaycees will
conduct the "Punt, Pass and
Kick Contest" for boys between
the ages of 8 and 13 years at
1:30 p.m. Saturday, Sept. 30.
Jim Thrane, project chairman,
announced today.

Competition will take place
at the Granite City High School
athletic field under sponsorship
of B. E. Hohl Ford Motor Co.
Boys may register in advance
at the Hohl firm or at the con-
test site immediately before
the 1:30 p.m. starting time. All
entrants must be accompanied
by an adult or guardian when
registering.

Soccer Game Sunday

The St. Elizabeth and Mexi-
can Honorary Commission
teams of the Metro-East Soccer
Association Junior High League
will compete at 1:30 p.m. Sun-
day at the St. Elizabeth School
field on Pontoon Road.

Junior College

Study to Begin

Formation of a Junior Col-
lege Study Committee has been
completed, and the initial ses-
sion is set for Sept. 26, it was
announced today. Confering
with the group then will be Dr.
Fred Wellman, executive sec-
retary of the Illinois Junior Col-
lege Board.
Leo H. Konzen, an attorney
and a partner in the Lueders,
Robertson and Konzen law
firm, is serving as chairman of
the committee, which will con-
sider ways of providing junior
college services to this region.
Members include: Paul M.
Walter, vice-president of indus-
trial relations, Granite City
Steel Co.; E. J. Davis, execu-
tive vice-president of the Granite
City community unit school district;
Mike Sasyk, mayor of Madison.
Mrs. Emylee Allford of the
Relebe Loan Corp.; Dr. W.
Dean Wiley, dean of the SIUE
Education Division; William F.
Winter, editor of the Press-
Record; and Karl L. Monroe,
editor of the Collinsville Herald.

Physicians' Offices

Looted, Ransacked

Burglars ransacked the offi-
ces of Doctor Robert S. Hall
and Robert H. Halley in the
Bellevue Medical Center, 3165
Myrtle Ave., and took several
items it was reported at 9:10
a.m. yesterday.

Taken from Dr. Halley's
offices were a box of hypodermic
syringes, 40 insulin syringes
and needles, several bottles of
prescription pills, a stethoscope
and \$20 in petty cash.
The doctor's files and desk
and several supply cabinets
were ransacked. A window by
the reception desk was pried
open. Two business cards were
burned in the reception room.
In Dr. Hall's office, the files
and supply cabinets were ran-
sacked and the doctor's office
door and desk were pried open.
An electric clock in the office,
apparently unplugged during
the burglary, stopped at 12:22
a.m.
Entry to the medical building
was gained by prying open a
door on the south side of the
building. A glass pane in the
door was broken from the in-
side.

Most changed Ford Division car for 1973 is the full-sized Ford. Shown here is the LTD four-door hardtop. All-new sheet metal below the window line and a new segmented grille give the 1973 Ford 4 more formal look. All 1973 Fords have a new impact-absorbing bumper system, although the overall length of the car is increased only about one inch. Power front disc brakes, power steering, SelectShift Cruise-O-Matic transmission and a 351-2V eight-cylinder engine are standard in all new Fords.

'73 Fords Here Friday

Ford's brand new line of auto-
mobiles will go on display to-
morrow, Sept. 22, at the B. E.
Hohl, Inc., agency, 1837 Medi-
son Ave., Granite City.

A new Ford car with fresh
front appearance, new sheet
metal and unique features in-
cluding an optional anti-theft
alarm system and a standard
spare tire extractor for station
wagons — highlights the Ford
Division offerings for 1973.

"With our bread-and-butter
car all new, and with the mar-
ket leadership we hope to con-
tinue with Pinto, Torino, Thun-
derbird and Mustang, we look
forward to 1973 as another re-
cord-breaking year," John
Laughton, Ford vice-president
and Ford Division general man-
ager, commented.

The Division's 39 car models
in six lines make their debut
Friday. Availability of all ve-
hicles is subject to federal
emissions certification.

Ford Division continues to ex-
pand the availability of radial-
ply steel-belted tires which are

standard again on the Thun-
derbird in 1973 and now optional
on all other car lines. These
tires are offered with a 40,000-
mile wear guarantee from the
manufacturer.

The Ford car receives a new
look, a more convenient instru-
ment panel, and a variety of
new features. Thunderbird of-
fers a new front appearance and
a new optional air window.

Torino, with two new luxury
models, eliminates the high-back
seat of 1972 and adds a new
front grille. Mustang's
front bumper now is molded
urethane.

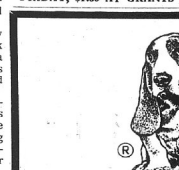

Mercury's interior is sub-
stantially upgraded. Pinto adds
to changes started during the
72 model year both steering
and braking refinements. It
besides new paint and trim color
selections.

New impact-absorbing bum-
per systems that meet federal
safety standards are on all 1973
Ford Division cars, as are new
exhaust emission control de-
vices to help control oxides of
nitrogen.

STRIKES PARKED CAR

The auto of Nancy Daniel,
2441 Edison Ave., driving from
a parking space, struck the
parked car of Thomas Osborn,
2077 Twelfth St., in the First
Granite City National Bank
parking lot at 9:15 a.m.
yesterday.

Draft Reclassifying Lottery Over No. 95

Young men in Madison
County between the ages of 19
and 26 who are classified 1-F
by the Selective Service Sys-
tem but have lottery numbers
greater than 95 will no longer
have to fear being drafted
this year.

Draft officials in Edwardsville
said today that all men over
number 95 in the lottery are
being reclassified 1-H and will
be eligible for the draft only
in the case of a national emer-
gency.

Tom Clark defended the net
in the first period of both
games and Bill Schenkel was
goalie in the final periods.

The Warrior varsity squad
will meet St. John of St. Louis,
last year's St. Louis Metropol-
itan League champions at Wil-
son park at 4 p.m. tomorrow.

Picketing Ends,

SIUE Rooms Cool

Classes and room tempera-
tures are nearly back to normal
today at SIUE, where a paint-
ers' strike and a heat wave
had complicated Monday after-
noon's start of the fall term.

With operating engineers not
crossing picket lines this week,
air conditioning had been dis-
rupted and most classrooms
were extremely hot.

SIUE last night agreed to the
painters' request that they be
assigned to do their own pre-
painting wall washing. There
were no pickets today, bus
service to the Alton and East
St. Louis centers has resumed
and food is being delivered.

Final agreement was reached
at a meeting concluded late
this morning between univer-
sity and union leaders.

The strike began six days
ago and Associate Judge A.
Andreas Mateosian yesterday
denied SIUE's request for a
temporary injunction against
work stoppage.

NAMEOKI ROAD CRASH

The cars of Ronda S. Davis,
2821 Sunbelt Drive, and Richard
A. Francis, 2828 Edison Ave.,
collided at Nameoki Road and
Washington Avenue at 7:30 p.m.
yesterday.

Permanent Registrars

Eliminated by County

Miss Eulalia Hotz, Madison
County clerk, has eliminated 24
permanent deputy registrars
following a mandamus suit al-
leging failure to appoint a suf-
ficient number of Republican
registrars as provided by state
law.

The suit was filed by Ben
Allen, former assistant state's
attorney, who claimed that the
number of GOP voter regis-
trars should match the number
of Democrats. The suit never
reached court action and has
been dismissed.

Allen maintained the law re-
quires two deputy registrars for
each population of 10,000, one
for each major party. Registra-
tions are now accepted at the
county courthouse, use of a
mobile van and in shopping
centers and business establish-
ments to which county clerk
employees are assigned.

20 NAMEOKI VILLAGE **GRANITE CITY, ILLINOIS**

Miss Helen Walck Is Bride-to-Be

The engagement and plans for a spring wedding of Miss Helen Walck and Michael Veizer are being announced by the bride-to-be's parents, Mr. and Mrs. Edward Walck, 2827 Sunset Drive.

Mr. Veizer is the son of Mr. and Mrs. George Veizer, West Covina, Calif. He is a graduate of Mark Keppel High School, Alhambra, Calif., and presently is serving with the U. S. Navy.

A graduate of Granite City High School, Miss Walck also is a graduate of Granite City School of Beauty Culture. She is employed at the Aloha-Tu Beauty Salon.

Plans are being completed for an April wedding.

SGT. RANDALL WRIGHT RETURNS FROM GUAM

Sergeant Randall Wright, son of Mr. and Mrs. Harold Wright, 731 Twenty-eighth St., is home on leave after serving a tour of duty on Guam.

While at home, the serviceman and Miss Coleen Affolter, a daughter of Mr. and Mrs. Earl Affolter, 2908 Sunset Drive, will be married. The ceremony will be performed on Sept. 30 at the First Baptist Church.

The betrothed couple was to be married June 10, but their plans were postponed when Sgt. Wright was transferred to the Pacific base.

ALL THE FISH YOU CAN EAT FRIDAY, \$1.39 AT GRANTS

SEPTEMBER BRIDE. Mrs. Paul D. Slone, the former Miss Judith D. Meyer. Her wedding took place at the Mitchell United Presbyterian Church.

Nuptials at St. John's

Miss Bonnie Milan and Mr. and Mrs. Charles Green of Madison. The bride is a daughter of Mrs. Evie Owens, 625 Lincoln Ave., Venice, and the late Alton Milan. Mr. Green is the son of Mr. and Mrs. Lester Grimes, 2810 Edwards St., Granite City.

Judith Meyer Married In Afternoon Ceremony

The wedding of Miss Judith D. Meyer and Paul D. Slone was solemnized at 2 p.m. Sept. 16, at the Mitchell United Presbyterian Church.

Lighting the candles were Lynn Meyer and Paula Mefford. A program of wedding music was presented by Mrs. Lucy Moore prior to the arrival of the bride.

The Rev. William Reipschlag officiated at the double ring ceremony before an altar of white and blue carnations and greenery.

Parents of the couple are Mr. and Mrs. Harry H. Meyer, 639 Lake Drive, and Mr. and Mrs. Lonnie Slone, 4241 Marigold Drive.

Mr. Meyer escorted his daughter down the white carpeted aisle and gave her in marriage. She wore a traditional gown of Chantilly lace designed with a sabrina scalloped neckline and long tapered sleeves with tiny ruffles at the wrists.

The very full skirt was created in tiers of ruffles forming a bustle effect and extending into a long train. An organza bow was embellished with seed pearls and iridescent sequins, securing her shoulder length veil of bridal illusion. Her bouquet was a cascade of white carnations, pom poms and baby breath.

Miss Mary J. Picel, maid of honor, was attired in blue tulle and chiffon. The full length dress was fashioned with a roll collar, long puffed sleeves and A-line skirt.

The junior bridesmaid, Miss Paula Sue Mefford, a cousin of the groom, was gowned in a yellow frock. Both attendants wore matching colored bows in their hair and held carnation bouquets.

Dale Belcher served as best man with Lynn Meyer, a nephew of the bride, as junior groomsmen. Seating the guests were James Meyer and Rusty Mefford.

Miss Phyllis Slone, a sister of the groom, presided over the guest book at a reception held at the Long Lake Firemen's Hall immediately following the ceremony.

Both mothers wore floor length gowns. Mrs. Meyer selected a pale blue dress made with a white bodice and a floral skirt in shades of blue. Her accessories also were in navy blue. Their corsages were white carnations tipped in blue.

A rehearsal dinner was held in the home of the groom's parents on the evening preceding the wedding.

The newly married Mr. and Mrs. Slone were graduated from Granite City High School. Mrs. Slone is employed as a beautician and her husband works in St. Louis.

After they return from a wedding trip, the couple will make their home in Granite City.

Legion Drill Team Holds Reunion

The American Legion Post 113 Drill Team held its second annual reunion this week at the home of Mr. and Mrs. Gene Ross, 41 Riviera Drive.

Out-of-town guests attending were Mr. and Mrs. Dick Chessey of Jonesburg, Mo., and Mr. and Mrs. Edward Horton of Edwardsville.

Local members present included Mr. and Mrs. Wilbert Niepert, Mr. and Mrs. Kenneth Hillmer, Mr. and Mrs. George Durbin, Mr. and Mrs. Bert Harris, Mr. and Mrs. Ernest Verno, Mr. and Mrs. Russell Robinson, Mr. and Mrs. Stanley Edwards, Mr. and Mrs. Guy Cooper, Mr. and Mrs. Dean Ruebhausen, Mr. and Mrs. Gary Beckland and Bill Caudle.

During the reunion party a telephone call was received from Mr. and Mrs. LaVerne (Dollie) Brewer of Ontario, Calif. Former residents of this area, the Brewers previously participated with the Post 113 drill team.

The 1973 reunion will be held in September at the Wilbert Niepert home.

tee is making plans for fund-raising sales projects.

The program for the evening, "Windows of the Soul," was given by Mrs. Mae Ebling, Mrs. Betty Ebling and Mrs. Dolores Dorich.

Ritual reaffirmation was given to Mrs. Jean Druhe, Mrs. Mae Ebling and Mrs. Mary Herr. Mrs. Herr was presented with a vacation gift and the hostess gift was presented to Mrs. Forrest. A surprise gift went to Mrs. Jane Laule.

The hostess served a dessert course to those mentioned and Mesdames Evelyn Tolliver, Norma Rains, Lora Mae Lombardi and Pat Tsigaloroff.

BETROTHED. Miss Helen Walck, who will become the bride of Michael Veizer in April. The engagement is being announced by her parents, Mr. and Mrs. Edward Walck, 2827 Sunset Drive.

NEWBERRY'S DOWNTOWN OPEN MON. & FRI. 9-8:30 1337 19th St., Granite City—Tues., Wed., Thurs., Sat., 9-5:30

MR. AND MRS. CLIFTON J. AVERS. They were united in marriage at the Third Baptist Church. The bride is the former Miss Sandra Y. Skiles, a daughter of Mr. and Mrs. Odney Skiles of St. Louis.

85 Honor Miss Koelker at Party

Miss Niecy Koelker was honored at a bridal shower held this week at the Venice Recreation Center.

The event was given by her maid of honor, Miss Frances Lee, and bridesmaid, Mrs. Sally Sorenson. They were assisted by Mrs. Joan Wold, Cathy Heagy, Dorothy Schiller, Virginia Williamson, Janice Koelker and Roseann Koelker. Decorations for the shower were in keeping with the colors green and pink which will be used in the gowns worn by the bridal party.

The gift table was centered with a large bride doll. The refreshment table was decorated with a silver punch bowl and a large sheer cake, with each square of cake centered with a pink rosebud in the midst of green leaves.

A buffet table held a centerpiece of pink mums and carnations with pink candles in silver holders on either side.

Miss Koelker opened and displayed her gifts. Games were played and prizes were awarded to the winners.

A buffet luncheon was served to the mother of the bride-to-be, Mrs. Dorothy Koelker, and the prospective groom's mother, Mrs. Lorraine Essington.

Approximately 85 local and out-of-town guests attended, including Mrs. Eileen Donnelly of Alton and Mrs. Arlene Jackovich and daughter, Debra, of Ferguson, Mo.

Miss Koelker will become Mrs. Richard Essington on Nov. 3 at St. Mark's Catholic Church in Venice.

Sandra Skiles Becomes Mrs. Clifton J. Avers

Miss Sandra Yvonne Skiles, daughter of Mr. and Mrs. Odney Skiles, 4625 Louisiana Ave., St. Louis, became the bride of Clifton Jacob Avers, son of Mr. and Mrs. Clifton L. Avers, 2462 Sheridan Ave., Sept. 16.

Bouquets of white summer flowers decorated the altar of the Third Baptist Church for the afternoon wedding performed at 2 o'clock. The Rev. Carl Watkins officiated at the double ring ceremony.

White satin bows marked the pews where the guests were seated.

The bride was given in marriage by her father. She selected a gown of nylon organza designed with a wedding ring neckline and long camelot sleeves. Venice lace, accenting the front of the gown, added interest to the skirt which swept into a cathedral length waltz train.

A Juliet cap embellished with matching lace held in place the bridal veil of illusion and she carried a colonial bouquet of white daisies, pink roses and spriggy greenery, tied with long white streamers.

Miss Deborah Skiles, sister of the bride, was maid of honor

with Miss Lynna Diane Hill, the bride's cousin, as bridesmaid. Their gowns of mint green organza were fashioned similar to that worn by the bride with wedding ring necklines and camelot sleeves. White Venice lace enhanced the bodices and the full length skirts were made in A-line style.

Picture hats in pale green were encircled with wide ribbon bands streaming to the waist and they held nosegays of white daisies and pom poms, tied with long ribbons.

Charles Griba was chosen by the groom as best man, serving with Kenneth Hermann, a brother-in-law of the groom, as groomsmen. Jerry Harper, brother of the groom, seated relatives and friends as they arrived at the church.

The young couple greeted their guests in the church hall where a reception was held.

Mrs. Avers, the former Miss Skiles, is employed by Southwestern Bell Telephone Co., St. Louis. The groom is a WGK Radio Station-Marine operator.

Mr. and Mrs. Avers will reside in Granite City after their return from a honeymoon trip in Tennessee.

MR. AND MRS. MICHAEL S. BARRY. Their wedding took place at Hope Lutheran Church. The former Miss Vicki Lynn Campbell, the bride is a daughter of Mr. and Mrs. Wade Campbell, 14 Briarcliff Drive.

WCTU Discusses Convention Plans

The Women's Christian Temperance Union met during the weekend and discussed the annual WCTU state convention, to be held Oct. 10-12 in Decatur.

Mr. and Mrs. Owen Willtrout, 529 English Place, were hosts at the meeting. The opening prayer was offered by Mrs. Pearl Campbell.

A devotional lesson taken from a book written by the Rev. Charles Allen, concerning the power of prayer, was presented by Mrs. Campbell. Mrs. Bethel Davis led the group in singing special songs.

Mrs. Alice Bates was appointed secretary, replacing Mrs. Verna Willtrout whose resignation was accepted.

Refreshments were served by the hosts following the business meeting. Mrs. Genevieve Willtrout will entertain the chapter at its next meeting.

Hope Lutheran Scene of Barry-Campbell Wedding

Hope Lutheran Church was the scene of the wedding on Sept. 9 of Miss Vicki Lynn Campbell, a daughter of Mr. and Mrs. Wade Campbell, 14 Briarcliff Drive, and Michael Barry, 1713 Moro Ave.

Mrs. June Barton presided at the organ and provided the music of wedding music. The Rev. J. Louis Oetting officiated at the double ring ceremony at 2 o'clock.

Lighting the candles in branched candelabra on either side of the altar was Jim Campbell, a brother of the bride.

For her wedding, the former Miss Campbell selected a full length white polyester knit gown. The dress was designed with a scoop neckline and Empire waist, accented with a wide satin ribbon sash in pastel blue. Long fitted sleeves were fastened at the wrists with tiny blue buttons.

She wore a wide brimmed white lace hat trimmed with daisies and blue ribbon streamers and she held a bouquet of daisies.

Miss Verna Wickham, maid of honor, and Miss Debbie Jones, bridesmaid, wore identical gowns in pale blue enhanced with a royal blue sash defining the high rise waistline. Royal blue streamers trimmed their white picture hats.

Each attendant carried an arrangement of blue and white carnations.

Dennis Farnance was best man and Michael Novosel served as groomsmen.

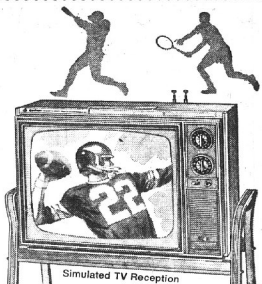

A reception was held in the home of Mr. and Mrs. Charles Bridick in Madison, an uncle and aunt of the bride, following the service. Attending the guest book were Kelly Martin and Brenda Campbell.

The former Miss Campbell is attending Granite City High School. Her husband is serving with the U. S. Army.

Remote Control Tuning

Motorola makes remote control easy by eliminating the complicated color adjustment buttons from its transmitter. All you do is turn the set on or off... change VHF channels... adjust volume from your easy chair. Insta-Matic Color Tuning at the set helps handle the color balancing.

• Insta-Matic Color Tuning

Push one button on the set to automatically balance the color hue, intensity, contrast, brightness... and you can even activate the automatic fine tuning.

• Plug-In Circuit Modules

Solid-state components replace all but four chassis tubes. If a circuit module ever fails, a service technician can unplug it and snap in an exchange module.

Services Held For Thomas Barton, 22

Funeral services were held at 2 p.m. Wednesday in St. John United Church of Christ, Collinsville, for Thomas G. Barton, 22, an employee of Granite City Dodge Co.

He had resided at 702 Vivian St., Collinsville, with his wife, Mrs. Shelly Barton, and daughter, Dede. Also surviving is his parents, Mr. and Mrs. George Barton, also of Collinsville; three sisters and two brothers.

FREE TOUR LITERATURE AT HOLIDAY SERVICE

THEFT FROM AUTO

Items valued at several hundred dollars were stolen from the auto of Tom Walsh, Versailles, Mo., at the YMCA parking lot in Granite City, the owner reported at 9 a.m. Tuesday.

Taken were binoculars, two pieces of luggage, clothing, and a portable radio, three bottles of liquor, three suits, a sports coat and a checkbook.

HOME, GARAGE LOOTED

Tools, lumber and a lawnmower were stolen from the home and garage of Sandra Pellett, 2306 Iowa St., she reported at 1:55 p.m. Monday. Entry to the home was gained by forcing a basement window. The items were valued at \$307.

Three Churches Hit By Vandalism, Thefts

Three Granite City churches were burglarized and extensively vandalized this week.

Hope Lutheran Church, 3715 Wabash Ave., Central Christian Church, 2020 Johnson Road, and Tri-City Park Tabernacle, 2501 Clark Ave. were entered by breaking windows.

At Hope Lutheran, it was reported Monday that two cassette recorders, a phonograph combination and an undetermined amount of petty cash was taken.

The filing cabinets were ransacked and a desk drawer pried open. Entry was through a basement window on the north side of the building.

Dr. L. Jim Ambis, pastor of Central Christian, reported at 8:55 a.m. Tuesday that a tape recorder and a cassette player were stolen from his office. The soft drink machine was broken open and \$4 was taken from the coin box and an additional \$12 was taken from the assistant minister's desk.

A fire extinguisher was thrown through the secretary's window and the office door was broken. Entry was gained by breaking a window in a door on the northeast corner of the building.

MOTORCYCLE STRIPPED

The expansion chamber and air filter were removed and stolen from the motorcycle of Bob Galbraith, 38 Victoria Drive, Pontoon Beach, parked in the rear lot at Granite City High School. It was reported at 4:15 p.m. Monday. A tool kit also was stolen.

STOLEN BOAT FOUND

A 16-foot boat with motor and trailer, stolen from the yard at the home of Tony Sodi, 100 Briarhaven Drive, before 9:30 a.m. Tuesday, was recovered by Illinois State troopers Tuesday morning, the owner was notified.

ing a window in the first grade Sunday School classroom and the blinds were pulled down to hide the broken window.

At Tri-City Tabernacle, two microphones and stands, two speakers and a set of drums, except for the bass drum and cymbals, were taken from the main assembly hall.

The bride's parlor and the office were ransacked. A window in the office door was broken. Entry was gained by breaking a window in a door on the northeast corner of the building.

Animal Group to Stage 1st Dog Wash Saturday

An unique "Dog Wash" project will be staged from 10 a.m. to 4 p.m. Saturday in Granite City to help raise funds for the first of its type to be held in the Quad-Cities.

Pet owners may take their animals for washing to the Terry Collins Shell Service Station at Nameoki and Johnson roads, according to Mrs. Judith Johnson, APA president.

Shampoos will range in price from \$2 to \$5, depending on the size of the animal, Mrs. Johnson said, noting, however, the cost may vary if a dog is very large or extremely furry or proves difficult to handle.

"We also reserve the right to refuse to handle a dog if it is dangerous or appears to be on the verge of hysteria should we try to bath it," the APA officer said.

"I believe most dog owners would prefer that we do set these restrictions rather than insist upon bathing a terrified dog that may go into nervous convulsions when the owner gets it home."

"Under certain circumstan-

ces, we may ask the owner to stay with the animal during the washing process to reassure his pet," Mrs. Johnson said.

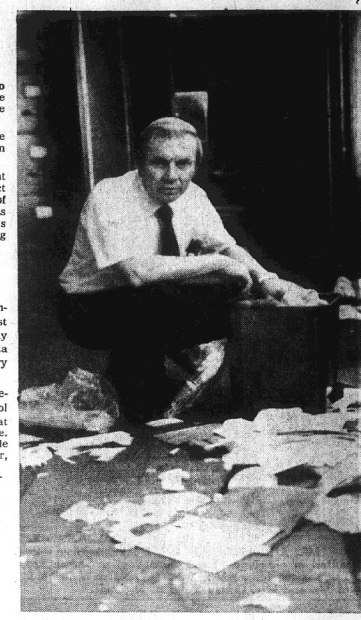

The dog wash project is the first of its type to be held in the Quad-Cities.

Members of the Student Branch of the APA will conduct the wash under supervision of adult APA personnel. Miss Helen Grotz, APA treasurer, is serving as chairman of the dog washing programs.

Rites in Belleville For Sister of GC Man

Funeral services were conducted at the Union Methodist Church in Belleville Tuesday afternoon for Miss Douella Mueller, 84, a sister of Harry E. Mueller of Granite City.

A retired teacher at Belleville Township High School West, Miss Mueller resided at 2920 W. Main St., Belleville. She died Sunday in the Caste Haven Convalescent Center, Swansea.

CLEANING UP after a burglary at Granite Chrysler-Plymouth was H. J. Matson, president of the company. The photo, taken Tuesday morning, shows part of the damage done by burglars who ransacked the building, broke several windows and stole numerous items, including two used cars which they drove through a closed garage door to leave. Two youths have been charged with burglary in connection with the incident.

Two Charged in Burglary at GC Auto Agency

Two youths were arrested Tuesday and charged with burglary in connection with a break-in at Granite Chrysler-Plymouth, 19th Street and Grand Avenue, which was reported at 9:44 a.m. Tuesday.

Dennis Pig, 18, of 2440 Ohio Ave., and Thomas L. Morris, 18, of 181 Grand Ave., are charged with breaking into the agency, damaging the building and taking several items, which allegedly were placed in two used cars which were driven out by crashing through a closed garage door in the repair shop.

One of the cars stalled on Grand Avenue outside of the auto agency and the driver fled east on foot, witnesses said.

The other car drove north on grand Avenue at a high rate of speed and was recovered a short time later where it had run off the road and into a bean field on Route 151 near A. O. Smith Corp.

All of the stolen items except a cash register and a small amount of cash were recovered in the cars. The cash register later was found.

Morris was arrested at 11:30 a.m. Tuesday at 25th Street and Logan Avenue. Pigg appeared at the Granite City police station at 2:05 p.m. Tuesday and said he had heard police were seeking him. He was arrested at that time.

H. J. Matson, president of the auto firm said the burglars apparently entered by breaking a window on the south side of the building.

Once inside, they broke the glass to the bookkeeping office and a partition to the sales office. Both were ransacked.

The two used cars, which were in the repair shop, were reportedly loaded with auto parts, a typewriter, \$25 in change, several credit cards and numerous small items, and the value of the stolen equipment was not disclosed.

Rev. Wm. Weltge, 81, Dies; Rites Friday

The Rev. William B. Weltge, 81, St. Louis, whose father formerly served as pastor of St. John United Church of Christ, died Tuesday in St. Louis.

The Rev. Weltge served as pastor of St. Luke's United Church of Christ, 2336 Tennessee Ave., St. Louis, for many years prior to his retirement.

Surviving are his wife, Mrs. Elsie L. (Niedringhaus) Weltge; and children, the Rev. Ralph W. Weltge, Dr. W. H. Weltge, Mrs. Dorothy E. Zink, Carl F. Weltge and Mrs. Ruth E. Rasche; sisters, Miss Leta Weltge and Mrs. Martha Fieker and Sister Clara Weltge.

Services will be held at 1:30 p.m. Friday at St. Luke's United Church of Christ with interment in St. Peter's Cemetery.

EQUIPMENT STOLEN

Three large hydraulic jacks, four hand winches and a chain hoist were taken from a construction trailer at the S. M. Wilson Co., Inc., 18th Street and Cleveland Boulevard, company officials reported at 4:05 p.m. Monday. Entry to the yard was gained by cutting a chain on the fence gate and the lock on the trailer had been cut. The value of the stolen equipment was not disclosed.

Easter Seal Meeting

The annual meeting of the Eastern Seal Society of Southwestern Illinois will be held Monday evening at the Flamingo Restaurant on Route 159 in Edwardsville. A social hour will be held at 6:30 p.m. with dinner served at 7 p.m.

FINAL SUNDAY OF WORSHIP at the present building of Niedringhaus United Methodist Church, 20th Street at Delmar Avenue. Members of the congregation are shown entering the church. It is to be razed starting Oct. 2, with a new \$518,000 struc-

ture to be erected on the same site for use beginning Oct. 7, 1973.

The next photo was taken inside the sanctuary during the Sept. 17 service. The church's educational facility, Wesley Hall, will serve as the tempo-

rary location of Sunday services starting this weekend. All pictures of the church on this page were taken by James L. Loy Jr.

The photo at the far right shows a processional from the sanctuary to the educational building, each

person carrying such items as Bibles, hymnals, candles and chairs, as well as the cross, lectern and Communion table. The gathering of 501 remained for a luncheon.

BELL RINGING for the final time in the present Niedringhaus United Methodist Church. John Davis is shown performing the task on a day described by church members as "both joyous and sad."

RENEWAL OF WEDDING VOWS by couples on the last day of worship in the existing sanctuary of Niedringhaus United Methodist Church. The Rev. Roy L. Baugh, pastor, officiates. Many members of the congregation took photographs during the day's

events as souvenirs of the occasion. Volunteers are removing furniture and fixtures nightly and also will work all day this Saturday. Groundbreaking for the new building is scheduled for Sunday, Oct. 1.

ORIGINAL MEMBERS of Niedringhaus Church leading the Sept. 17 processional after also participating in a march when the building was first dedicated. Left to right are Miss Anna Plato, Mrs. Grace Dickey, Mrs. Edith McCasland, Elmer Frohardt and Miss Elva Miller. Mrs. Dickey is a former member; the other four shown are still active.

New Agreement With Teachers Ok'd at Venice

A new working agreement between Venice School District 3 and members of the American Federation of Teachers Local 965, entailing only minor changes in contract language, was approved by the Venice Board of Education Monday night.

School Superintendent John Pier said the new one-year contract provides no salary increases other than the regularly scheduled increments. The budget provides \$16,000 to cover raises under the salary schedule, Pier said.

The rental of a 1972 Ambassador 4-door sedan to be used in the Driver Education program of Venice High School was approved by the Venice Board of Education at a meeting Monday night.

Pier said the new car is fully equipped and will be in use until Sept. 15, 1973. Cost of rental which includes maintenance of the car and a monthly cleaning by Brewer Motor Co. is \$1,200.

District to Pay Insurance
The car is to be used at Venice High School for 6 months of the year and at Lincoln Technical School for two summer months. Cost of insurance and gasoline will be assumed by the school district.

The board also was advised the district is to make arrangements to become affiliated with a junior college district no later than Jan. 1, 1974.

Supt. Pier gave a report on a routine check that had been made on pumps at both schools by the St. Cyres Heating Co., St. Louis.

He also informed the board that a payment of \$9,140 has been made to Metropolitan Insurance Co. for the months of July, August and September to cover hospitalization policies.

Herbert Beckmann, 62, Dies; Ill Two Weeks

Herbert E. Beckmann, 62, of 2316 Iowa St., who had been ill for two weeks, died at 7:30 a.m. Tuesday at St. Elizabeth Hospital.

Born in Herman, Mo., he resided in Granite City 22 years. He was employed 22 years at Granite City Steel Co. His latest occupation was as a burner.

Mr. Beckmann was a member of the Evangelical Church of Herman and the Eagles Lodge of Herman.

Surviving are his wife, Mrs. Nola Beckmann; two stepsons, Robert Weston of Granite City and William Weston of St. Louis, two grandchildren and one great-grandchild.

Funeral arrangements are given in the obituary column.

FIGHTING CHARGED

Monte E. Ritchie, 36, Rural Route Two, Box 818, Thorgate Road, was arrested at 11 p.m. Tuesday in the 1400 block of Fourth Street, Madison, and charged with fighting. He was released to appear in court at 10 a.m. Oct. 4.

DAVID W. LEDBETTER

Ledbetter Named Head Of DeMolay Chapter

David W. Ledbetter, son of Mr. and Mrs. William F. Ledbetter, 3215 Harvard Place, was elected to a six-month term as master counselor of the James Stuart Chapter Order of DeMolay, Tuesday night at the Masonic Temple. He succeeds Hiram Ables.

A senior at Granite City High School, he is a drum major with the school band and is a member of the Band Letterman's Club, the Modern Music Society and the German Club. He is a member of the First United Presbyterian Church. As a drummer he plays in a local dance band, "The Four Seasons".

Other officers elected were A. H. "Tim" Nott, 4011, senior counselor; John Young, junior counselor; Gerald Todd, chaplain; and Phillip Mull, treasurer. Elected a n d a d u n o p e n e d officers will be installed in a public ceremony on Oct. 17 at the Masonic Temple.

During the business meeting conducted by Ables, members were asked to submit membership petitions by the Oct. 3 meeting for the special memorial class in honor of J. Edgar Hoover.

The chapter was invited by Tancered Chapter, Belleville, to its 50th anniversary celebration on Saturday. Reservations for the 6 p.m. dinner are to be made with chapter advisor Charles Meyer at 451-7375 by today.

The first meeting of the new District 16 will be Monday night at Wood River Masonic Temple. Members are to meet at the Bellemore Reese store at 7 p.m.

Wally Todd, District 16 sports director, announced that the first game of a district flag football tournament will be at the GCHS football practice field at 2:30 p.m. Sunday.

The next meeting on Oct. 3 will feature an annual pot luck supper. Serving is to start at 6:30 p.m. and DeMolays were asked to invite their families.

CRANE DAMAGED, LOOTED
The fire extinguisher was stolen from a large boom crane owned by Wilbur Waggoner Equipment Rental & Excavating Co., at the new High School in Granite City. It was reported at 1:20 p.m. Monday. The seats in the crane cab were slashed by the thief.

Tour of Orient Is Club Topic

The American Association of University Women met in the home of Mrs. Gladys Pape, 2608 Edison Ave., Mrs. Elizabeth Edwards, president, was in charge. Plans were made for a garage sale to be held Oct. 7 at the home of Mrs. Cynthia Horneel, 2201 Terminal Ave., from 8:30 to 11:30 a.m.

The calendar for the club year was announced. Events include a dinner meeting at 6:30 p.m. Nov. 9 at the Heritage House, St. Louis.

As the program, Mrs. Pape gave an account of her recent trip to the Orient and showed snapshots of points of interest visited by herself and her husband. Also displayed were five unusual plates made with the couple's picture in front of historic buildings in the Far East. Linens, fans and slippers were among other souvenir items displayed by the traveler.

An auction of articles purchased by members while on their summer holidays followed the program. A total of \$45.90 was added to the club treasury from the auction project.

Refreshments were served by the hostess to 18 members and a guest.

DAR Chapter Opens Season

The first meeting of the Drusilla Andrews Chapter, Daughters of the American Revolution (DAR), was held during the weekend in the home of Mrs. Glenn Wherry in Alton, with Mrs. Daisy Rex Turner, regent, presiding.

Reports were given by Mrs. Eva Meier, chaplain and Mrs. Whyres, treasurer. Program books for the year were distributed and chapter goals were discussed.

Fourteen members and a guest, Mrs. Jackie Rea, attended the opening session of the 1972-73 club year.

The October meeting will take place in the home of Mrs. George Vanesler, with the topic to be "Preview of 1976," the 200th birthday of the United States, presented by Mrs. Meier. Others attending were Mesdames Margaret Bell, Helen Gantcheff, Mary Connolly, Ruth McCarty, Barbara Williams, Ruth Mitchell, Emma Schoen and Janet Wilson and Misses Nelle Hart, Ella Ray Smith and Margaret Bayer.

Party Honors 'Sweet Sixteen'

Miss Sheila Hunt was honored at a "Sweet Sixteen" surprise party during the weekend, marking her 16th birthday.

The event was hosted in the 300 Room of the Tri-City by the honoree's parents, Mr. and Mrs. Thomas Hunt, 2132 Bryan Ave.

About 50 young guests enjoyed music and dancing and were served refreshments. A prettily decorated service table was centered with a large birthday cake, topped with a chocolate recording disc and musical notes.

FOUR INITIATED BY WOMEN OF THE MOOSE

Women of the Moose Chapter 247 held a "publicity night" and four new members were initiated—Mrs. Phyllis March, Mrs. Marie Lasso, Mrs. Evelyn Carroll and Mrs. Sylvia Orsey.

The public relations chairman, Mrs. Elizabeth Hanton, gave a talk on membership and attendance. Members of the chapter conducted a booth at the Charity Days held this weekend. It was noted.

Refreshments were served by Mrs. Hanton and a committee composed of Mrs. Marian Lipscomb and Mrs. Rose Summers. Prizes were awarded to Mesdames Virginia Finney, Jay Kahn, Virginia Sever and Jean Teller.

MRS. MACKLIN HOSTESS

The Lydia Sunday School Class of First Baptist Church met Monday evening in the home of Mrs. Doris Macklin, 1540 Second St.

Mrs. Macklin presided with Mrs. Beverly Davis offering prayer. Roll call responses were "Verses of Power."

A topic, "Christian and Political World," was presented by Mrs. Doris Hargrave, followed with quoting of the class color, flower, aim and Scripture in union.

The hostess served refreshments to Mesdames Hargrave, Betty Hell, Marge Thomason and daughter, Lisa. Nora Eaves, Beverly Davis and the class teacher, Lucille Veach. Mrs. Eaves will have the October meeting in her home.

MOTHERS' CLUB ELECTIONS

The St. Stanislaus Mothers' Club held an election of officers. Chosen were: Mrs. Agnes Rueising, president, Mrs. Elsie Gordon, vice-president, Mrs. Rene Krystof, treasurer, and Mrs. Bea Stentzer, secretary.

Mrs. Hattie Munkin is the dancing director for children belonging to the lodge, and Mrs. Connie Grupis is the dancing teacher. Dancing is taught on Thursday evenings at the hall.

The children will perform Polish and modern dances at a dance planned for next spring.

Others present at the meeting included Mesdames Gerry Mendez, Helen Bisto, Mary Jo Kalka, Theresa Gulia, Kathy Dobnal, Mary Anna Kaminski and Marlene Miller.

BAZAAR IS DISCUSSED

The Women's Society of Christian Services met at the United Methodist Church with the president, Mrs. Thelma Black, presiding. Mrs. Estelle McBrian is on the program planning committee for the WSCS for the new year.

During the business period, plans were discussed for the annual chicken dinner and bazaar to be held Nov. 4 at the church. Members are making items to be sold during the bazaar.

Others taking part in the monthly meeting were Mesdames Barbara Radcliff, Erma Graves, Hilda Withaus, Ann Ritter, Alice Thompson, Amanda Hill and Sue Bogue.

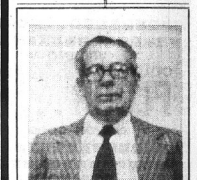

PLAN BENEFIT SALE

Mesdames Helen Cook, Cornelia Homert, Theresa Fogle, Nova Sanders, Jewel Jones, Ann Ritter and a guest, Mrs. Thelma Hill of Woodlake, Calif., a former resident of Madison, quilted at the United Methodist Church.

Mrs. Hazel Reynolds and Mrs. Irene Rodell also were guests. Mrs. Reynolds is a former member of the quilting society.

A rummage sale has been planned for Oct. 6-7 on the lawn of the church. Ladies and other organizations of the church will assist. Refreshments will be served during the sale.

GOLDEN WEDDING. Mr. and Mrs. Jesse E. Schaefer, 2245 Lynch Ave., who will observe their 50th wedding anniversary on Sunday afternoon from 3 to 5 o'clock at an open house at St. Peter Evangelical United Church of Christ. They have lived in Granite City since 1937.

Jesse E. Schaefer to Mark 50th Anniversary

Mr. and Mrs. Jesse E. Schaefer, 2245 Lynch Ave., will observe their 50th wedding anniversary Sunday afternoon at St. Peter Evangelical United Church of Christ, with an open house reception from 3 to 5 o'clock.

Mr. and Mrs. Schaefer were united in marriage Sept. 26, 1922 in St. Louis, Mo. They are the parents of one son, Omer

Schaefer, who is hosting the open house.

Friends of the anniversary couple are invited to attend.

Mr. Schaefer was employed at Corn Sweeteners, Inc., formerly Union Starch and Refining Co., for 40 years prior to his retirement in 1966.

The couple attends St. Peter Evangelical United Church of Christ. They have resided in Granite City the past 35 years.

Gardenaires Plan Public Program

The Gardenaires Garden Club met in the home of Mrs. Mary Kristian for a dessert luncheon and monthly meeting. Attending were Mrs. Charles Kohl, Mrs. C. E. Eads, Mrs. Alex Tarpoff, Mrs. Abe Shannon, Mrs. William Long, Mrs. A. A. Maistak, Mrs. John Farrell and the hostess.

Mrs. Eads, club president, conducted the business session with members voting to contribute to the Blue Star Memorial Highway Fund at the district and state levels.

Plans were completed for a public garden center program, featuring Mrs. Carl Huesman of Collinsville, a long time flower show judge.

Mrs. Huesman specializes in preparing dried material for flower arrangements and will share her knowledge during a program entitled "How to Dry and Preserve Flowers and Wayside Material for Home Decorations."

Engagement of Miss Anderson

Mr. and Mrs. Robert E. Anderson, 2017 Dale Ave., are announcing the engagement of their daughter, Miss Sheila Marie Anderson, to Michael Dennis Licavoli.

The prospective bridegroom is the son of Mr. and Mrs. Sam Sampson, who reside at 1613 Venice Ave.

Both Sheila and Michael are graduates of Granite City High School. She is a civil service employee and he is in the U.S. Navy and now stationed in Pensacola, Fla.

Plans are being made for a Jan. 20 wedding.

Carol Volkmar Is Shower Honoree

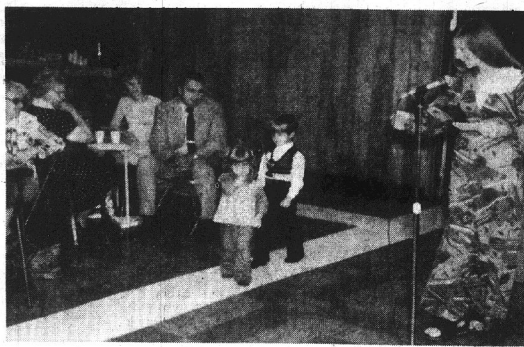

Miss Carol Volkmar was honored at a miscellaneous bridal shower this week given at St. John United Church of Christ fellowship hall by friends and relatives.

The tables and room were decorated in gold and brown, the colors to be used in the wedding of Miss Volkmar and Gary Sturdivant. The couple will be married Oct. 7 at St. John United Church of Christ.

The buffet table held a centerpiece of yellow and gold mums. The arrangement was later presented to Mrs. Betty McIntyre as a special prize.

Games were played and prizes were awarded to Mrs. Ann Frynitzko and Misses Diane Niebur and Jo Marie Harding.

Others attending were Mesdames Nina Volkmar, mother of the bride-to-be; Mrs. Donna Sturdivant, the prospective groom's mother; and Virginia Peters, Elsie Sturdivant, Debbie Daughtry, Frieda Rieken, Kathy Jaros and son, John Audrey Jaros, Pat Tapp, Charlotte Byrne, Debbie Talley, Janet Wiley, Barbara Simmons, Rita Kirchner and daughter, Janice, Grace Kirchner, Amanda Weiss, Lynn Weiss, and son, Brian, Albert McIntyre, Betty McIntyre, Lloyd Godelle and Misses Debbie Peterson, Peggy Jaros, Lynne Davis, Diane Niebur and Dorothy Frynitzko.

LATEST FASHIONS for children are modeled by Melissa and Dwayne Jones during the weekend at the Newcomer Club's annual style show and card party at Tri-Mor Bowl. Mrs. Gail Sangster, right, commentator for the program, also displays a gown which will be in vogue this season.

Al Sihah to Host National Officer

Mrs. Catherine Briscoe of San Francisco, Calif., Supreme Queen of Daughters of the Nile, will make a formal visit Monday to the Al Sihah Temple 29.

Ceremonies honoring the national officer will be conducted at Ainal Temple at 1 p.m. Monday, according to Mrs. Lucille Lipe of Granite City, Al Sihah Temple queen.

A banquet is planned at 6:30 p.m. the same day at Fischer's Restaurant in Belleville. Nobles of the Shrine will join the women in honoring the national official, Mrs. Lipe said. The deadline for dinner reservations, costing \$4.50 per person, is today, she added.

Mrs. Briscoe is a member of Islam Temple 25, Daughter of the Nile, San Francisco. She is traveling on the nationwide tour with her husband.

Accompanied by Mrs. Lipe and other members of the temple's official party, Mrs. Briscoe and her husband will visit tomorrow at the Shrine's Hospital for Crippled Children in St. Louis County.

Projects in which the women's organization primarily are involved include sewing for the Shrine-supported hospital and fund-raising programs to help

replace replacement of artificial limbs for children who are treated and released from hospital care.

Mrs. Lipe's husband, Leo, serves as Midwest Burns Coordinator for Ainal Shrine Temple and holds an imperial appointment for recruitment and patient transportation.

During the weekend, Mrs. Briscoe will be visiting the Daughters of the Nile Temple in St. Louis.

**NOTICE OF HEARING ON
PROPOSED ZONING CHANGE**
NOTICE IS HEREBY GIVEN
TO ALL PARTIES CON-
CERNED, that pursuant to
Article 23 of Ordinance No. 1755
of the City of Granite City, Illi-
nois, the City Plan Commission
will hold a public hearing at
2801 Adams Street of Granite
City, Illinois, at 6:00 p.m.,
September 23, 1972, at the hour of 1:15
C.D.S.T. on the 12th day of Octo-

ber, 1972, at which meeting it
will consider a petition for the
amendment of Ordinance No.
1755, (Being the Zoning Ordinance
of said City), as same
affects the following-described
real estate, to-wit:
A parcel of land being a part of
J. S. Survey 384, Claim 1865
in Township 3 North, Range 10
West, Third Principal Meridian,
Granite City, Madison
County, Illinois and more par-
ticularly described as follows:
Beginning at an iron pin at the
Northeast corner of Block 2,
Westmore Place, as platted
and recorded, said block cor-
ner being on the Southwest-
erly line of Rock Road, 60 feet
wide, formerly 19th Street;

Thence Southwesterly at right
angles along the Northwesterly
line of Division Street, 80 feet
wide, a distance of 300.00 feet
to an iron pin in the Northeast
line of Enzee Avenue, 80 feet
wide, as platted in said West-
more Place; Thence North-
westerly along aforesaid line
of Enzee Avenue a distance of
80.00 feet to an iron pin;
Thence Southwesterly at right
angles across Enzee Avenue
and along the Northwesterly
line of Lot 84, Block 3, a distance
of 185.00 feet to an iron pin;
15 feet wide, and being the West-
erly corner of said Lot 132;
Thence Northwesterly along the
Northeast line of said alley a
distance of 40.00 feet to an iron

pin in line with the Northwesterly
line of Lot 102, Block 3;
Thence Southwesterly along
the Northwesterly line of Lot 102,
Block 3 and continuing in the
same direction along the
Northwesterly line of Lot 128,
Block 4, a distance of 325.00
feet to an iron pin at the
Northeast corner of said Lot 123
at an alley, 15 feet wide;
Thence Northwesterly across
said alley forming an interior
angle of 174° 18' 20" with the
last described line a distance
of 15.08 feet to an iron pin at
the Easterly corner of Lot 132,
Block 4; as platted; Thence
Northwesterly along the North-
westerly line of an alley, 15 feet
wide forming an interior an-

gle of 135° 12' with the last
described line a distance of
170.58 feet to an iron pin in
line with the Westerly line of
Lot 135, Block 4; Thence
Southwesterly along the North-
westerly line of Lot 135, Block
4, a distance of 140.00 feet to
an iron pin to the Northwesterly
line of Roosevelt Avenue, 60
feet wide, formerly Russell
Avenue; Thence Westerly along
the Northwesterly line of said
Avenue a distance of 47.43 feet
to an Illinois State Highway
Right-Of-Way monument;
Thence Northwesterly along the
Southeast Right-Of-Way of
F.A. Route 151 on a curve to
the right having a radius of
1809.86 feet a distance of 644.88

feet to a Highway Right-Of-
Way monument; Thence North-
easterly along aforesaid Right-
Of-Way forming an interior
angle of 167° 05' 12" with the
chord of the last described
curve a distance of 685.20 feet
to a Highway Right-Of-Way
monument; Thence South-
easterly along aforesaid Right-Of-
Way forming an interior angle
of 97° 51' 10" with the last
described line a distance of
258.83 feet to an iron pin in
the Southwesterly line of Rock
Road; Thence Southwesterly
along the aforesaid line of
Rock Road forming an interior
angle of 166° 46' 45" with
the last described line a dis-
tance of 187.78 feet to the point

of beginning, containing 6.4324
acres more or less.
Said amendment would change
the zoning classification of the
real estate immediately above-
described from an R-5 Multiple
Dwelling District to a M-1
Light Industrial District.
This property is also known
as Beckmann Tract, West Side
of Rock Road at FA 151.

FIDELIS PARK SUPPER

The Fidelis Class of Second Baptist Church held a family supper at Wilson Park. After the meal, Mrs. Delores Ayres opened a business session with prayer.

The class sang a hymn, and

an election of officers was held. The devotion was given by Mrs. Delores Ayres and Mrs. Alice Hoffman led in prayer for the sick. The group was dismissed by Mrs. Mina Duggins.

Present were Mr. Carl Ayres, Mr. and Mrs. John Cavins, Myra Grote, Cora E. Miller, Ruth Chapman, Ruth Hassler, Ruby Harper, Norma Tinsley, Louise Mitchell, Alice Hoffman, Wilma Gillham, Mr. and Mrs. Robert Smith, Mina Duggins, Delores Ayres, Herbert Gillham, Yvonne Gillham and Betty Haug and son, Danny.

The next meeting will be held at the home of Mrs. Delores

Ayres, 2103 Amos Ave.

LOGAN PTA POT LUCK DINNER ON OCT. 19

The Logan School PTA executive board held its first meeting at the school. Plans were made for the coming school year, and a pot luck dinner and open house will be held Oct. 19 at 6 p.m.

Those present were: Mesdames Alma Burnett, Shirley LeMaster, Judy Hargrove and Pat Durborow and Gerald Williams, PTA president, and Warren Collins, principal.

Sherry Foster was honored

BACKS INTO CAR

The auto of Suzanne L. Patterson, 2117 Cleveland Blvd., backing from a parking space at Nameoki Village Shopping Center, struck the parked car of Delores M. Grady, 2904 Marshall Ave., at 10:05 a.m. Tuesday.

this week at a family dinner party given by her parents, Mr. and Mrs. Bruce Foster, 2612 West 36th St.

Present were Mr. and Mrs. Jesse Winters, Mr. and Mrs. Charles Moore and children, Mike, Karen and Brian, and Mr. and Mrs. David Hileman.

Judge Hiscott Speaker

At Kiwanis Meeting

Judge Merlin Hiscott spoke at the Kiwanis dinner meeting Sunday night, outlining his views on a proposed rehabilitation program for persons sent to jail, and on the highlights of his career since 1965.

He said, "If we had a complete program in operation whereby the ex-convict could start a new life upon his release, in new surroundings without the stigma of being an ex-convict, he could become a useful citizen again."

Judge Hiscott added that very few employers desire to hire these people and they return to a life of crime.

Jay Bumpers, chairman of the "peanut sale" held during the weekend reported it was the most successful venture the club has sponsored in a long time.

Tentative plans were discussed to set up an eye examination center for two days. It will be open to all Quad-City residents in October. Further details will be announced later.

Guests at the meeting were Lou Enlow, Kiwanis International governor from Edwardsville, and Harry Westerfield of Chicago.

Brooklyn Man Shot, Robbed of \$60

Albert William Banks, 28, of Brooklyn was admitted to St. Elizabeth Hospital at 5:45 a.m. Wednesday suffering a gunshot wound to the right leg.

Banks told police he was picked up by two men and a woman in a Cadillac with Missouri plates on Canal street, in Brooklyn, and driven to Venice. He said that on Weaver street in Venice, one of the men in the car pulled a gun and took \$60 from him.

Banks told police he was shot while escaping and took shelter in an apartment in the 400 block of West Third St., from where police were called.

MORE ABOUT

Youth Dies

he was stationed with the U.S. Army.

Details of the accident were not available.

The young serviceman enlisted in the Army when he was 17 years old and served as a mechanic and door gunner on an Army helicopter.

During his Vietnam tour of duty, Pvt. Reed was stationed in the Phu Bai, DaNang, Hue area and in A Shau Valley, just south of the demilitarized line.

Pvt. Reed returned from overseas one month ago and was to receive his discharge in three months. He was wounded in action in Vietnam and received the Purple Heart.

Born in Venice, he resided there until he was 12, when the family moved to Hazelwood, Mo.

Surviving are his parents, Mr. and Mrs. Clarence (Nick) Reed of 731 Lamplighter St., Hazelwood; one brother, Jeffery Reed, at home; a brother, Clarence Reed of Geneva, Ill., and his maternal grandparents, Mr. and Mrs. Toros Donjon of Granite City. He also was the grandson of the late Mr. and Mrs. Frank Reed of Venice.

Arrangements are pending at Mercer Mortuary, 1416 Niedringhaus Ave.

VACANT HOUSE LOOTED

A rug was taken and 11 exterior locks and interior gas pipes were damaged at the vacant house at 48 Briarcliff Drive, officials of Norton Construction Co., Madison, reported at 10:30 a.m. Tuesday. The house is owned by the Federal Housing Administration.

AIR CONDITIONER TAKEN

An air conditioner, valued at \$300, was taken from a vacant house at 109 Trocadero Lane, Mitchell, David Sander, who was moving into the house, reported at 7:10 p.m. Monday.

JOHNSON - WAYNE CRASH

The cars of Gary R. Enos, 2815 Warren Ave., and Douglas Freck, 2533 Boyle Ave., collided at Johnson Road and Wayne Avenue during the weekend.

TWO TIRES TAKEN

Two tires were taken from the auto of Stephen Heavilon, 1325 Edwardsville Road, while the car was parked in Heavilon's front yard, it was reported at 1:15 a.m. Tuesday.

12TH-MADISON CRASH

The cars of John J. Scannell, 63 Venice Homes, Venice, and Frank Scaturro, 1229 Robin St., Venice, collided during the weekend at 12th Street and Madison Avenue in Madison.

REPORTS HIT AND RUN

Lipson W. Brooks Jr., 2021 Washington Ave., P.O. # 43 Tuesday that his auto, parked at 20th Street and Washington Avenue, had been struck by a hit and run vehicle.

Youth Focus

University Center Sets Open House At SIUE Friday

"Future Shock" will be the theme of the University Center open house at Southern Illinois University at Edwardsville from 7:30 p.m. to 2 a.m., Friday. All three floors of the center will be decorated to create a futuristic atmosphere. Admission price will be \$1 for students and \$2 for guests.

Events will range from films to computer dating. Two films to be shown will be "Andromeda Strain" at 8 p.m. and "THX 1138" at 10 p.m.

A dating computer will be set up in the Goshen Lounge area. Each person will be given a serial number upon entering the center. Those interested can fill out a short questionnaire to be matched with another to find the most compatible couple. Throughout the evening, the computer will announce the numbers of different couples.

Panel discussions on the theme, "Future Shock," will be held from 8 p.m. until 10 p.m. and from 10 p.m. until midnight in the Governor's Lounge. Members of the panel include James Gunn, originator of the television series, "The Immortal"; Philip Jose Farmer, who recently won Science Fiction's Hugo Award for his story, "Riders of the Purple Wage"; and Thomas Clareson, editor of an anthology soon to be released called "Spectrum Worlds."

Other members of the panel include Annette Baich, a member of the biological sciences department at SIUE; Thomas M. Joney of the department of anthropology at SIUE; David Kohfeld, a member of the department of psychological sciences; and William Cate, editor of "Ground Water Pollution," a moderator.

Two bands will play throughout the evening in the University Center and the cafeteria will be open until 2 a.m. Futuristic art exhibits will be on display.

The open house is being sponsored by the University Center Board.

ADVISERS REVIEW JUNIOR ACHIEVEMENT PRODUCTS.

Advisers from six area firms attending the Junior Achievement training meeting discussed products which might be made by their JA miniature corporations this year. Left to right are: Ken Spencer, General Steel Industries; Sam Sharp, Granite City

Steel Co.; Vince Lohmann, American Steel Foundries; John Blas-ingame, Illinois Power Co.; Dile Kaeshoeler, Southwestern Bell Telephone Co.; and Robert Moggio, A. O. Smith Corp. Holding the sample of a silk-screened T-shirt is Zene Gergen, manager of the Granite City JA Business Center.

SIU Medical School Tuition Fixed at \$143

Tuition to be charged students by the new School of Medicine at Southern Illinois University at Carbondale has been set at \$143 per semester for instate student and \$429 for students from out-of-state, the same amounts charged other full-time students.

The SIU Board of Trustees, which voted the tuition figures at its September meeting at SIU at Edwardsville, also approved an advance deposit fee of \$100 to be charged each applicant accepted for admission. The fee, assessed only against students being accepted for the first time, and shall apply to registration, is refundable if the applicant cancels his acceptance before registration. However, it is forfeited by any accepted applicant who fails to appear at registration.

The school's academic programs at Carbondale and Springfield will be initiated in the summer quarter of 1973. Admission applications will be processed this fall. Plans call for admission of a first class of 48 students at Carbondale and 24 at Springfield.

Students enrolled at Carbondale will pay the Student Activity, Student Center, Student Welfare and Recreational Building Trust Fund and Athletic fees. Those at Springfield will pay the Student Activity fee.

Activities Fair Held At University Center

An activities fair is being held at Southern Illinois University at Edwardsville from 8:30 a.m. to 3 p.m. Sept. 20-22 in the Goshen Lounge of the University Center.

Booths were set up by student organizations, including special interest, religious, departmental and sports groups. The purpose of the fair will be to familiarize new students and transfer students with the organizations.

Junior Achievement Center to Open Oct. 9

Business men and women from area firms have been making preparations for the opening of the Junior Achievement Center at Carbondale the week of Oct. 9.

Advising teams from Illinois Power Co., A. O. Smith Corp., General Steel Industries, Granite City Steel Co., American Steel Foundries and Southwestern Bell Telephone Co. will work with local high school students in forming 14 miniature production companies at the Granite City Junior Achievement Business Center, 2307 Washburn Ave.

First Granite City National Bank will also assist advisers in the formation of a Junior Achievement bank which will provide full-service banking to the JA manufacturing companies.

Adviser orientation for the more than 650 business men and women who have volunteered their time to Junior Achievement of Mississippi Valley was held on Sept. 14 at the Sheraton-Jefferson Hotel in St. Louis. The advisers will be responsible for educating 7,000 high school students in all facets of running the 300 miniature companies to be formed in Greater St. Louis in 1973-74.

The East Side communities of Alton, Wood River, East St. Louis and Cahokia will also resume JA operations for the 36-week program year, Towns where Junior Achievement will begin to offer its business education program for the first time include Chester, Milledale and Mascoutah. Nine JA Centers are located in St. Louis and St. Louis County.

It is expected that 400 Achievers will participate in the Granite City JA program this year.

Junior Achievement is a nationwide program for teenagers which enables them to grow in knowledge of private enterprise through the operation of their own miniature corporations. Financial support for JA comes from individuals and corporations interested in providing teens with a first-hand look at business and its challenges.

89 Area Students Make SIUE Deans Lists

Eighty-nine Quad-City area students at Southern Illinois University at Edwardsville were among 742 qualifying for the deans lists during the summer quarter. Perfect averages were compiled by 194 students. To qualify, a student must maintain a grade-point average of 4.25 or better (B is equivalent to 4.0, A to 5.0). Names marked with an asterisk indicate students with 5-point averages. The honor students were:

Granite City: Raelynn Marie Boston, 508 English Place; Thomas Howard Brown, 21C Menette Drive; Robert E. Burns, 2923 Madison Ave.; Robert C. Clippner, 4005 Laura Drive, Apt. 4; Richard Edward Cobb, 2949 Oregon Ave.; Gerald W. Dorch, 2145 State St.; "Harlan D. Earhart, 3805 G Village Lane; William O. Edwards, 13A Melvin Drive; Nancy Ellen Ehler, 2925 Mary Ave.; James M. E. England, 3504 Kirkpatrick Homes; Samuel N. Fazio, 326 Sunny Shores; Beverly Ann Gray, 2906 Jordan Ave.

Parents Weekend Set At St. Louis U.

The St. Louis University Parents Weekend will be held Oct. 6, 7 and 8 on the university campus.

Events have been planned to provide parents an opportunity to view the university as students would themselves.

Registration will be held in Busch Memorial Center, from 4-8 p.m. Oct. 6 and from 10 a.m. to 7 p.m. Oct. 7.

Activities scheduled for Oct. 7 include a tour at Grant's Farm, a soccer game and a buffet dinner-dance. The Billiken will meet Wheaton College at 2 p.m. at Musial Field. Tickets are free upon request. The Jack Egner Orchestra will provide music for the dinner-dance in Busch Memorial Center. Tickets are \$5 per person and reservations are required.

On Sunday, Oct. 8 a celebrated Mass will begin at 9 a.m. in St. Francis Xavier (College) Church. The Rev. Paul C. Reinert, S.J., university president, will address a 10 a.m. breakfast in Busch Memorial Center. Tickets are \$1.75 per person and reservations are required. The soccer Billikens will meet Cleveland State at 2 p.m. to conclude the weekend's activities.

Reservations and tickets to soccer games may be obtained by contacting the Special Events Office, 335-3300, sta. 580.

Special Meeting Set At Grace Baptist

The Rev. Louis W. Brinker, pastor of Grace Baptist Church, 2800 Edwards St. has announced plans for a special meeting at the church Sept. 25-26. C. W. Flisk, associate pastor of the First Baptist Church of Hammond, Ind., will be the principal speaker.

The purpose of the clinic is to inspire, instruct, and challenge Christians everywhere to be so-called winners. The Rev. Brinker said. All interested persons are invited to attend.

Last year over 225 teenagers and adults personally were led to Christ and baptized by the Rev. Flisk. He is one of the associate pastors of one of the world's largest churches with a membership that now exceeds 14,000. The Rev. Flisk has served in the church as a pastor, deacon, Sunday School teacher, Rescue Mission Superintendent, and associate pastor.

He now directs the visitation work, goes soulwinning, teaches an adult class, is youth director, and counsiling, and enlists the Sunday School personnel. The Rev. Brinker said, "anyone who wants to learn more effectively share his or her Christian witness would profit by attending these meetings, and certainly anyone is welcome."

The sessions begin each night at 7 p.m., with nurseries provided.

5 Charming Homes May Be Toured Sunday

Opti-Mrs. Club Starts Season

The Opti-Mrs. Club met Monday evening at the Granite City Park District Recreation Center for the first meeting of the new season.

Twenty-eight members responded to roll call. Mrs. Louise Anderson, president, was in charge and Mrs. Nell Jennings reported on the student nurses school program, a club project.

Announcements included participation in the United Fund "Telethon" and "Guest Day," to be held Oct. 16 at Bruno's Tea House in Collinsville.

The remainder of the evening was spent playing cards. Winning scores were held by Mrs. Ella Odum, Mrs. Jennings, Mrs. Catherine Michel, Mrs. Ruth Sternberg and Mrs. Goldie Fischer.

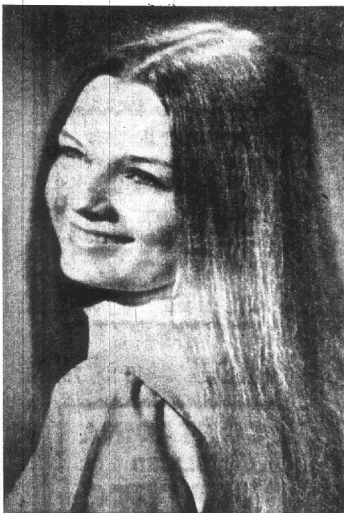

READY MIX CONCRETE CALL LYBARGER 452-3107 or 452-4180

Mona Brazel Is To Wed in June

Mr. and Mrs. James Smith, 3325 Village Lane, are announcing the betrothal of their daughter, Miss Mona Brazel, and Larry Anderson.

The prospective bridegroom is a son of Mrs. Mildred Anderson, 4501 Highway 167. He is a 1970 graduate of Granite City High School and presently is employed at Granite City Steel Co.

Miss Brazel is a senior student at Granite City High School. Plans are being completed for a wedding on June 30.

MISS MONA BRAZEL, whose engagement to Larry Anderson is being announced by her parents, Mr. and Mrs. James Smith, 3325 Village Lane. The betrothed couple will be united in marriage on June 30.

Five area homes will be shown on Sunday afternoon during the second annual "Home Tour and Tea" sponsored by the Granite City Junior Service Club. The tour will be held in conjunction with a bazaar and tea at the Nameoki Recreation Center.

Mrs. Carolyn Thornburg and Mrs. Colleen Sheik are co-chairmen of the home tour, set for 2 to 5 p.m. Sunday.

Those planning to attend are asked to meet at the Nameoki Recreation Center, 2185 Amos Ave., where they will receive a map containing directions to the various homes.

Many unique decorating motifs and unusually designed room areas will be featured on the tour, sunken conservation pit and open ceiling skylight in a dining room, as well as elaborately landscaped gardens.

Homes to be visited will include the George Grove home at 3317 Princeton Drive; Gary Davis home, 2230 Shirlene Drive; Irvin Slate residence, 2240 Shirlene Drive; Fred Rupp residence, 66 Oaklawn Drive; and the former Alvin Meyer house on Stratford and Snowbird lanes.

Mrs. Charlene Pohlman is in charge of the bazaar and Mrs. Phyllis Grimm will be hostess at the tea.

Tickets are available in advance from club members, at a cost of \$2 each, or may also be purchased at the Nameoki Recreation Center Sunday afternoon.

A charitable organization, the Junior Service Club will use all proceeds to promote benefit projects and especially to provide school children with eye glass care.

WROUGHT IRON and wide double doors are used to advantage at the residence of Mrs. Fred Rupp, 66 Oaklawn Drive, whose home may be visited during the Granite City Junior Service Club's "Home Tour and Tea," set Sunday from 2 to 5 p.m. Tickets cost \$2 per person.

INTERESTING ROCK GARDEN at the home of Mr. and Mrs. George Grove, 3317 Princeton Drive, one of five area residences to be visited Sunday by patrons of the annual "Home Tour and Tea," sponsored by the Granite City Junior Service Club as a fund raising project.

150 'Attend Bethel 43 'Royalty Night'

"Royalty Night" was observed conducted at the Masonic Temple in mid-September by Bethel 43, ple, where past honored queens, senior and junior princesses and other dignitaries were introduced. Guest officers were from nine area communities. Bethel 43, Collinsville; Bethel 24, Belleville; Bethel 67, O'Fallon; Bethel 88, Wood River; Bethel 95, Alton; Bethel 20, East St. Louis; Bethel 91, Highland; Bethel 92, Lebanon; and Bethel 72, Edwardsville.

45th Anniversary of Homer Hubers

Mr. and Mrs. Homer Huber, 3245 Willow Ave., were honored on their 45th wedding anniversary at a surprise dinner party given during the weekend by their children at Sunset Hills Country Club. Hosts at the affair were Mr. and Mrs. David (Jo Ann) Brewer and Mr. and Mrs. Glenn Huber. Dinner was preceded with a social hour. Glenn Abenroth, serving as toastmaster, related several interesting experiences of the honorees. Musical entertainment was furnished by Ed Schmitt and the Roving Musicians. Guests included Mr. and Mrs. Glenn Abenroth, Mr. and Mrs. Carl Mathias, Ed Schmitt, Mr. and Mrs. Herman Greve, Mr. and Mrs. Paul Maas, Mr. and Mrs. George Willard, Mr. and Mrs. Evan Relleke, Mrs. Fay Sciarini, Mr. and Mrs. William Ogden, Mr. and Mrs. Charles Polley, Mr. and Mrs. Roy Feder, Mr. and Mrs. John Harsh, Mr. and Mrs. Alfred Stover, Mr. and Mrs. Harold Stewart, Mr. and Mrs. Ted Pfroeder, Mr. and Mrs. Ernest Karandjef, Henry Karandjef, Mr. and Mrs. George Wilkins Sr., Mr. and Mrs. William Evans, Dr. and Mrs. Harry D. Brinkhoff of Collinsville, Mrs. Gladys Price of Arnold, Mo.; and Mr. and Mrs. Arthur Kitz and Mr. and Mrs. Elger Niehaus, all of St. Louis.

Remarks were made by Mrs. Norman Moehler, grand guide; Mrs. Nell Baskette, guardian of Bethel 43; Mrs. Ann Green, grand fourth messenger; Dr. Amos Rode, Bethel 43, associate guardian; and several guests.

The meeting was closed with the cross formation. A cake walk followed. Approximately 150 were in attendance.

Jones-Carpenter Engagement Told

The engagement of Miss Barbara Johnston, a graduate of Granite City High School, is employed as a medical secretary by a Granite City physician.

The prospective bridegroom is a son of Mrs. Barbara Bilbrey, 2120 Missouri Ave. and the late Clarence Jones. He is employed as a deputy sheriff in the Madison County Sheriff's Department.

The couple will be married Nov. 25 at St. Joseph Roman Catholic Church.

Venice Approves Action Against Old Buildings

By WALTER STRANGE
Press-Record Staff Writer
A resolution listing four buildings in a dangerous condition which are to be repaired or demolished to protect the public health and safety was adopted by the Venice City Council Tuesday night.

The structures listed are the mercantile building at 200 Granville St., another store building at 1100 Douglas St., a story-and-a-half residence at 111 Granville St., and the foundation and structure at 503 Millmore St.

The resolution called for the city clerk to determine the owners and notify them that they must either repair or demolish the structures within 15 days.

If they fail to comply, an application to the Circuit Court of Madison County will be made to permit the city to either repair or demolish them.

In other resolutions, the 1972-73 McKinley Bridge budget was approved, having been first approved by the consulting engineering firm of Hardesty and Hanover.

The total budget amounted to \$381,188. Bridge Budget Figures
The budget is divided into four major categories, operating expenses, \$102,726; maintenance, \$29,340; painting and repairs, \$25,000; and general and administrative expenses, \$24,120.

A replacement and improvement budget for the 1972-73 year for the McKinley Bridge also was approved.

The total improvement budget is \$634,250. Major items on this budget are replacing of pipe and lattice type railing on the main span, \$377,000; and to rehabilitate the viaduct carrying eastbound lanes on the Venice approach, \$150,000.

Merolite Chevrolet, St. Louis, was awarded a contract to provide two new police cars for \$5,686. The two other bids considered were Hauss Chevrolet, East St. Louis, \$5,644; and Matthews Chevrolet of Granite City, \$6,486.

A letter from Horace L. Calvo, state representative, was read, expressing his appreciation to the mayor and city council of Venice for a resolution urging the governor to facilitate the passage of House Bill 2416, to divide the East Side Levee Sanitary District into two districts.

The Newport Homecoming Association thanked the mayor and council for the "excellent assistance and relationships between the association and the city" in putting on the homecoming event during the Labor Day weekend.

ICC Hearing Set
A letter was read from the Illinois Commerce Commission which stated a public hearing will be held at 2:30 p.m. Sept. 28, at their offices in Springfield, on the Commission's investigation to determine the practicability, reasonableness and public interest of establishing a uniform rate adjustment clause relating to costs incurred by electric and gas utilities, in providing pollution and environmental control facilities and alternative gas supplies.

A notice was read from the Madison County state attorney that pre-trial conferences on all tax objections filed as rate objections to taxes levied in Madison County for the year 1970 and filed in December 1971, would be held.

Mayor John E. Lee said that Harry Hartman, city attorney, will represent Venice at the conference Sept. 27 beginning at 9 a.m.

The police report for August listed 32 adult arrests and 17 juvenile arrests for a total of 49. A check in the amount of \$102.90 was received for fines collected during the month.

To Attend Convention
The Council authorized police officers Marvin Langston and Ray Mikolaszuk to attend an Illinois Police Association meeting Sept. 24, 25 and 26 in Peoria; and for officers Algie Crawford and John Crook to attend a Police Benevolent Association meeting in Rock Island on Oct. 1, 2 and 3.

The city treasurer's report for August was read and approved. It listed total receipts of \$216,736.78 and disbursements were \$40,312.37. Bulk of the receipts were from the 1971 corporate tax distribution.

Mayor Lee introduced Jamesetta and Vanessa Reed and Carol Walker, all seniors at Madison High School who are in an American Problems class and studying local governments.

GOODWILL BOX BURNS

Vandals are believed to have started a fire in a Goodwill collection box at 20th Street and Madison Avenue at 8:45 p.m. Monday. The contents of the box were damaged by the fire. There was no damage to the box, firemen said.

Five Voter Registration Centers Here This Week

A special voter registration center is being operated until 4 p.m. today at Granite City High School. The center is open to the public and is not restricted to high school students. Four other special registration centers will be open in the Quad-Cities tomorrow and Saturday.

Garesche and Grenzer housing projects in Madison from 10 a.m. to 5 p.m. tomorrow at Solo Bank Grocery, 1104 Logan St., Venice, or from noon to 7 p.m. tomorrow at Kroger Food Store in Nameoki Village Shopping Center.

Saturday special registration mobile centers will be at the

JUVENILE ARRESTED

A juvenile boy was arrested by Granite City police at 6:55 p.m. Monday near the Church of Christ, 2882 Washington Ave., after he allegedly threw rocks at the church and broke a window. The boy was released after his father agreed to pay for damages.

ANIMAL DRUGS TAKEN

A large quantity of drugs for the treatment of animals was stolen from Belmore Animal Hospital, 2117 Johnson Road, it was reported at 7:25 a.m. Tuesday. The office, treatment rooms and upstairs were ransacked. Entry was gained by breaking a window on the west side of the building.

GO TO CHURCH ON SUNDAY

day are eligible to vote this year.

Route 203 Project Vital for New School and Access to Interstate

It is extremely good news that construction bids have been received on improvement of Illinois Route 203, and that the low bid is \$3,796,137, which is 4.6% less than the advance estimate.

The project involves construction of two roadways of two lanes each, for the 2.38-mile distance from the Namoki-Pontoon Roads intersection to Interstate 270.

In addition, the Route 203-Maryville Road intersection will be rebuilt and repaved on both sides to conform with the new elevation of the improved highway. This work is particularly important in view of the current building

of a new Granite City Community Unit District Nine high school on Maryville Road a few feet south of Route 203. Route 203 is one of the "front doors" to the Quad-Cities, and its link with the Interstate highway system is of major consequence to this community and the expanding Namoki Road commercial area.

Governor Richard B. Ogilvie was right in assigning high priority to this vitally-needed construction program. Quad-Cities look forward eagerly to awarding of the contract, perhaps early next week, and to the start of actual work on the new roadway in early October.

'God, Country' Not Outmoded; Work, Loyalty Make Life Worthwhile

In his Labor Day address, President Nixon championed the "work ethic," saying it is natural for a person who works hard to want to keep the bulk of his rewards.

He also insisted that the work ethic is not selfish or materialistic; that there is no such thing as "having for nothing"; and that everything valuable in life requires both striving and sacrifice.

Elsewhere in the spectrum of dialogue, Sydney E. Ahlstrom, an author and Yale historian, told a gathering of religious intellectuals that faith in the United States—and the guiding principles that have led us since we became a nation—"simply no longer exists."

He voiced the belief that some sort of new "God and country ideology" is needed for nations that are so materialistic. "The traditional symbols of loyalty and national reverence are everywhere, in decay and disuse. The martial themes of the Star-Spangled Banner have lost their allure. Domestic tranquility and social justice have become opposing aims," Ahlstrom said.

There is a common thread in the two basically incompatible ideas. First, it is hard to imagine the need for our national leader to have to make a case for the work ethic which has been as much a part of most Americans as breathing. Yet, some would have us believe that the work ethic remains only the province of those they call "squares"; that it is

going out of style.

Similarly, it is strange to hear a well-known historian, a person who views the nation from the perspective of the ages, suggest that it is unrealistic to insist that the U.S. still has the image of a religious, just and honorable nation, one fully deserving of patriotism.

The facts would seem to speak for themselves. Most Americans are law-abiding and reasonably religious. They expect to work for what they get. They are willing to expend extra effort to obtain extra rewards. And they resent the suggestion that it is ethical or proper to support drones in the name of charity.

Put otherwise, and despite Mr. Ahlstrom, there appears to be ample evidence that the belief in the work ethic has made our nation so strong is still intact. God and our country still reign supreme, and work remains the staple of our life.

Having worked hard for 27 years, and having found that the resulting satisfactions more than make up for the effort required, we are hopeful that all who rely behind the preservation of such a fundamental ideal—and that they retain their national loyalty. Adequate living standards are impossible without productive lives. And dedication to a cause bigger than an individual's personal needs and desires serves to motivate, inspire and ennoble each of us.

John Allen Young Has Learned -- People Really Care

To the Editor:

We would like to express our thanks to all of the firemen, policemen, clubs, churches and organizations and to the many citizens of our community for all of the help they have given our son, John Allen Young.

Because of your kind and generous people, John Allen will be able to see a lot of our beautiful country.

He will have many happy memories.

But maybe more important than that, he will remember how people helped him when he needed it—and that people really care about another.

Saying "thank you" seems very inadequate, but we hope all of you know how much we appreciate your help.

Your prayers and concern will never be forgotten.

MR. AND MRS.

ALBERT YOUNG

AND JOHN ALLEN YOUNG

This person has been told that this first examiner's decision will be examined by another examiner, and if the examiner wishes to be heard again, she will be obliged to travel from her home in the western part of the state to the examiner's office at the time this second examiner will choose to hear her case.

Because we have allowed this person's claim in this same hospital for the same treatment at an earlier time.

Whoever has the reins of Medicare at present is sure making it difficult for many deserving people to have proper hospital and nursing home care.

The President of the United States has an osteopathic physician, and this is fine. How about the patients who have realized such great results in osteopathic-arthritis hospitals being able to receive their just consideration through Medicare for hospital costs?

EFFICIENCY, ECONOMY

BY AUDITOR HOWLETT

To the Editor:

I would like to take this opportunity to urge Illinois citizens to vote for Mike Howlett for secretary of state. This suggestion for three reasons:

1) Economy. Candidates like Mike Howlett are known for their efficiency during election campaigns, but Mike is one public official who practices it. During his first year in office as auditor of public accounts, he turned back to the state treasury \$600,628.26.

2) Efficiency. In the last few years, Mike Howlett has participated in a substantial expansion in other areas of state government since he was first elected in 1968. Mike Howlett can handle the accomplishment of seeing his office handle more work with fewer personnel and a lower unit cost than 11 years ago.

Rare is the public official who has fewer employees working for him now than when he started.

3) Accountability. Mike has set an outstanding example as a result of his insistence upon

running a clean office with a record that is always open to public scrutiny.

We know that the auditor's office was not always run in this manner. A \$2½ million scandal in the 1950s taught us that. During Mike's term of service, there has been no hint of scandal—a record that can be proud.

An honest administrator who is also a good administrator gives the public assurance that it will not lose dollars, and it will get its money's worth for every tax dollar spent.

Mike Howlett has that kind of record, and he will carry this same kind of performance into the secretary of state's office if we are wise enough to elect him Nov. 7.

Lieutenant Governor of Illinois

JAYCEES TO OBSERVE

25 YEARS OF SERVICE

To the Editor:

On Dec. 2, 1972, the Granite City Jaycees, formerly the Quad-City Junior Chamber of Commerce, will be celebrating their silver anniversary.

The theme of this banquet is "I wish I had known 25 Years of Community Service."

You as a former member remember many experiences in Jaycees which you will treasure the opportunity to renew old acquaintances and recall past events of Jaycee life.

Reservations for this dinner-dance celebration to be held at the Croatian Hall, Madison, Mo., will be accepted by Earl Warnhoff, 907 24th St., Granite City, home phone 877-6276, business phone 432-2108, or Guy Cooper, 3609 Sheridan Ave., home phone 876-1372, business phone 432-2100.

A price of \$10 tickets is \$10 per person, with the evening's activities beginning at 6 p.m.

JIM JEFFRIES

Past President, Jaycees

NEED MORE HOUSING—

HERE FOR THE AGED

To the Editor:

Governor Richard B. Ogilvie

Tax Level Affects Ability to Retain Firms and Jobs

By MAURICE W. SCOTT
Taxpayers' Federation
of Illinois

The day when the taxpayer pays his ever-rising total tax bill without examining and complaining because of inequities is over.

Total government tax receipts (federal, state and local) increased per American household, from \$2,552 in 1962 to an estimated \$4,530 in 1972, an increase of about 77.5%.

In the same period, total expenditures per American household increased from \$3,225 to \$6,231, a gain of 93%.

No wonder the taxpayer is complaining and saying, "It isn't fair to have to work two hours and 34 minutes in an eight-hour workday just to pay taxes."

In Illinois, as well as in other states, the property tax has become burdensome to home owners and to business and industry. A home is essential to a man and his family, but an

annual property tax bill between \$1,000 and \$1,500 per year on that home hurts when the costs of other essentials, such as food, clothing and medicine, are also rising.

Business and industry must shop around and consider the effect of the property tax before locating a new plant.

A community which loses a new plant that employs 100 persons because of a poor tax climate conservatively loses 100 new households, 360 more people, \$229,000 more bank deposits, \$710,000 more personal income yearly, 97 more passenger cars registered, three more retail establishments, 65 more workers employed in other endeavors and \$331,000 more retail sales.

The property tax needs reform and some amendments to keep in mind are:

1. Efficiency and economy in government cannot work on the national level if we don't make it work on the local level. Spending must be curtailed.

2. Addition of new local programs, financed by means of the property tax, are abhorred if emphasis is on the creation of jobs instead of necessary service.

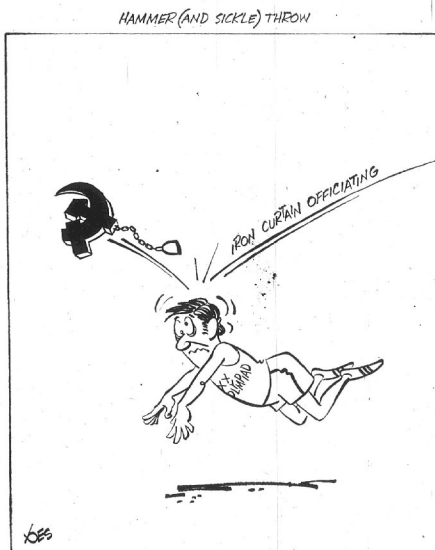

3. Assessments of property should follow one principle: uniformity and equity for all.

4. A 50% to 100% increase in the assessment of a piece of property the year following the quadrennial assessment year simply cannot be explained.

5. New programs, or increases in old programs, financed by the property tax should not go into effect unless the taxpayers get to vote thereon. Backdoor referenda are useless.

6. Abolition of the personal property tax with a shift to the real property tax is no relief at all to the taxpayer.

7. Tax assessing and tax collecting are thankless jobs, but even in Biblical times it was found that a strong back and the use of horse sense were essential characteristics.

MEDICARE BEING DENIED TO ARTHRITIC PATIENTS

To the Editor:

Medicare premiums are constantly being raised, and yet many people under this plan are facing difficulty in that their hospital costs are being cut off or questioned, particularly osteopathic or arthritic patients.

I know of one highly reputable hospital of this type, its arthritic patients are now being cut off.

This very fine hospital has been treating arthritic patients for 40 years with almost unbelievable results—these patients numbering in the hundreds from all over the United States and Canada. One arthritic patient was carried into the stretcher 22 years ago and today, 22 years later and 22 years older, this person is walking, all because of this hospital's treatment.

I know of one of those being denied hospital costs by Medicare at this same hospital who appealed for a hearing. A hearing was held on Aug. 26, 1971.

The examiner ruled in favor of the patient.

New Scout Program Omits Morse Code, Stresses Writing, Speaking

First of Two Columns

Scouting over the years has earned a warm spot in the hearts of everyone, right up there with the flag and motherhood as a hallowed institution.

Visual images include a scout leading the legendary little old lady across the street, or another boy starting a fire by rubbing two sticks together.

Such images do not correspond closely to the reality of today's scouting, but they do help the Boy Scouts of America maintain a place in American folklore along with the flag and motherhood.

The difficulty is that some manifestations of that folklore have encountered rough going. To radical elements, the flag and motherhood, for instance, may not be quite what they used to be.

and appeal for boys, it also had some weaknesses. They learned for example, that today's boys want to have a hand in making decisions—and that scouting was not providing enough opportunities for it. They learned that even 11-year-old boys were beginning to think about their future—and that scouting was n't doing enough to help them get ready for it.

They learned—to no one's surprise—that nearly all scout-age boys like to play team sports—and that they didn't think that scouting gave them much chance to do it.

They learned a lot of other things, too—about boys and their attitudes toward scouting. The details fill a 163-page report.

Scouting's leaders got a good picture of what must be done if the organization's success story is to continue and improve in the years ahead.

In a nutshell, they learned that they must make a bridge between the actual needs of today's boys—in the inner-city, the rural areas, the suburb and the small town—and what they had to offer them in scouting.

The result is the improved scouting program which is being introduced this month. The changes may be the most extensive in the 62-year history, but they're not really revolutionary.

Those who were scouts will still recognize most of the program. It is still strong on camping and hiking—scouts couldn't very well be scouts without this.

Some of the old skills are missing from the advancement program. Signaling, for instance, is gone.

No longer will scouts have to spend hours struggling with semaphore or the Morse code to make first-class rank because it simply doesn't make much sense in 1972.

They will continue to learn basic first aid, knot-tying, fire-building and a d cooking because they do make sense. They'll also learn something about communications by writing and speaking.

Scouting is changing some methods to adapt themselves to it. Scouting was born in this country in 1910, when America was basically an agrarian society.

There were a few huge cities—New York had 2½ million, and Chicago and Philadelphia over a million each. But most people lived on the farm or in small villages.

The new scouting program reflected this fact. One of the first-class requirements for advancement for scouts was to show how to stop a runaway horse.

I don't know how often scouts were called on to use this skill, but for that time and place it made sense.

That requirement was outgrown long ago and was replaced by skills that have more utility in the modern world. In this fashion, scouting gradually evolved into what it is now—a program that attracts hundreds of thousands of boys each year with the lure of fun, adventure and learning in the outdoors.

By any measure, scouting is a tremendous success. But a few years ago, its national leaders posed some questions for the future. "We're successful, all right. But are we as successful as we should be? Are we giving today's boys the kind of program they need?"

"Are we reaching the boys in the cities that have sprung up since the past half century? Or is our program still dominated by the kind of thing that was appropriate to the Tom Sawyers and Pennds of 1910?"

To find answers to those questions, the Boy Scouts of America commissioned a survey to determine the real needs, desires, aspirations and attitudes of American boys.

The researchers confirmed what was suspected: That while scouting had great strengths

The patrol ideally is a miniature democracy of five to 10 boys, each with an equal voice in choosing its leaders and making its plans.

The troop is made up of patrols, and each patrol is represented by its leaders in the troop "legislature" or troop leaders' council.

Through this method of organization, the scout gets a real practice in the working of a representative democracy—and learns what a good citizen is and does.

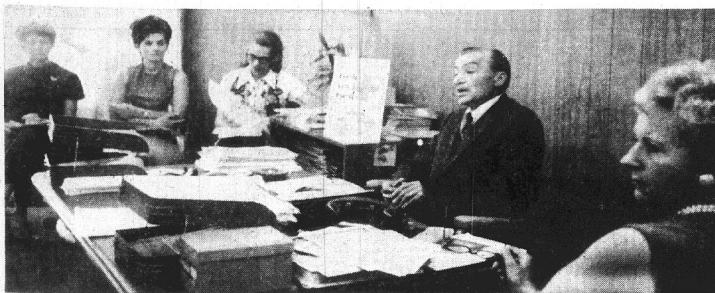

50 Years Ago Life Terms for Slayers of Deputy

SEPTEMBER 21, 1922
The slayers of Deputy Sheriff Patrick J. Nalty were given life sentences in prison. Deputy Nalty was killed in front of the American Hotel here during a battle between the slayers and three men wanted in connection with a \$13,000 robbery. The robbery took place July 10 at the Tri-City State Bank.

25 Years Ago \$750,000 Fire at Engineer Depot

SEPTEMBER 21, 1947
A \$750,000 fire destroyed a 300-foot section of a two-block-long brick warehouse at the Granite City Engineer Depot, Sept. 18. It was fought by firemen from the Depot, Granite City, Madison, Venice, St. Louis and East St. Louis, plus Depot firefighters and soldiers. Empty sandbags, office supplies and photo and drafting equipment were burned. Flames for several hours threatened to spread to adjoining warehouse sections but were extinguished, aided by the thick firewalls in the structure.

Red Cross Project to Aid Elderly Obtain Benefits

By DONNA HARTWICK
Press-Record Staff Writer

Project Find, a program initiated by the federal government to inform older Americans they may be eligible for food assistance through the food stamp and food distribution programs, has been launched in the Quad-City area with the Tri-City American Red Cross Chapter spearheading the campaign.

Through this project efforts will be made to locate and assist eligible elderly persons in applying for benefits at local welfare offices. Volunteer workers are contacting 419 persons in the Quad-Cities who possibly may take advantage of this extra assistance.

The amount of food stamps a person can receive and the amount he pays depends on household size and net monthly income. A four-person household with a net monthly income of \$200 would pay \$30 and receive food stamps worth \$108 (or \$55 worth of free food stamps).

If this same four-person household makes less than \$30 a month, there would be no purchase requirement to receive the \$108 worth of food stamps.

To apply for food stamps the head of the family should contact the local office of welfare department where he completes an application form and is interviewed by a representative of the department. He should have papers to establish where he lives, how many are in the family, how much income they have, how much they are paying for rent, medical bills, child care, education and utility bills.

Since persons applying for the assistance are required to complete a 2-page application, they are urged to call the Illinois Public Assistance office at 1-635-8100 and request the application form be mailed to them. They may complete the forms and collect proof of expenses prior to visiting the public aid office for an interview.

Provides Transportation

The local Red Cross chapter will provide transportation for those persons who have no means to travel. The Edwardsville office is located at 200 Hillside Ave., and the one in Venice is at the Lincoln Technical School on South Fourth St.

Lincoln Technical School office is open five-days a week from 8:30 a.m. to 5 p.m. until

Sept. 29 to accommodate the applicants. This office normally is open three days a week.

On-Wheels that provides hot meals for certain senior citizens who are aged 60 or over, are physically handicapped or too ill to prepare all of their own meals.

Those who are in need of delivered meals may obtain a regular food stamp identification card marked with the letter "M." In some areas this program also is extended to those in need without such cards.

The USDA's Food Distribution program specifically is planned for older persons getting welfare, living on small pensions, working for low wages, or out of work.

People may apply for these foods when their income is below standards set by the state in which they live.

Any resident who has not been contacted either by card or phone call and is interested in receiving this added assistance may obtain more information by calling the Red Cross at 452-7184 or the Edwardsville public aid office 1-656-8100.

Junior Colleges Now Have 'Voice' In Washington

Copley News Service

Springfield—Junior and community colleges in Illinois now have their own "voice" in Washington, representing the public higher education institutions in funding and other matters.

Herb Robbins, for the last 2½ years, has been a social service counsel on the staff of Gov. Richard B. Ogilvie in Washington. He worked primarily with Health, Education and Welfare Department matters and now has taken over the college interests.

He succeeds Miss Winifred Pizzano, named to the college duties about a month ago. She has since left the staff to work with the Illinois trauma program.

One of the chief goals of the intensified college activities will be to aid Illinois junior colleges and community colleges to receive their share of federal funding, particularly under the new higher education legislation.

The higher education omnibus legislation was passed recently in Congress, but because of Presidential veto, no appropriation has been approved to implement the various parts of the act. If and when the money is available, it will be part of Robbins' job to aid schools in the state in seeking appropriate aid under the legislation.

Robbins has been working with Illinois junior colleges and representatives of veterans' affairs offices in trying to secure part of a nearly \$6 million appropriation made last July to help veterans begin college.

Presently, Robbins said, the Upward Bound program to give high school students with college potential the extra help they may need to qualify for college, is limited by its guidelines to resident colleges.

Under these circumstances, none of the state's public community junior colleges qualify, and Robbins is seeking approval of a three month program for veterans which would prepare them for college admission to these schools.

Robbins said he is still waiting for a "dollar figure" which will be asked when the appropriations bills come up again, and said he understands this higher education funding request will be presented separately from other HEW requests.

CHRISTIAN EDUCATION WEEK. Students at St. Joseph School, 2116 Edison Ave., are preparing posters and invitations for Christian Education Week which continues to Sept. 24. Left to right, Juan Jose Ortiz and Brad French, making posters

emphasizing the theme of the week "Grow Spiritually." and Marsha Payne who is designing an invitation to parents and friends to visit the school Sunday between 8 a.m. and 2 p.m.

'Broken Arrow' to Play Major GC Crimes Down At 'Y' Dance Saturday

The YMCA will feature "Broken Arrow" at a dance for teenagers 8:30 to 11:30 p.m., Saturday.

The group played at the "Y" on Sept. 8, attracted a large crowd, and was well accepted. Admission for the dance is \$1.25 for non-members.

CONDUCT CHARGE
Mrs. Dorothy Beeling, 37, of 609 Washington Ave., Venice, was arrested and charged with disorderly conduct at 4:29 p.m. Monday. She was released on a notice to appear in court at 9:30 a.m. Oct. 4.

TRAVELING BY AIR? CALL HOLIDAY SERVICE, 452-3131

The number of major crimes decreased and the traffic accident rate was up slightly in Granite City during August as compared with the same month last year, it was reported by Ronald J. Veizer, chief of police.

Crimes totaled 234, down 40, and there were 106 accidents, an increase of six.

The types of crimes and number cleared by arrest included: forcible rape, one, up one and uncared; robbery, two, up one; one cleared, same; assault, 15, up nine, three cleared, up one; burglary, 54, down 18, one cleared, down three; larceny, 143, down 35, 14 cleared, up seven; and auto theft,

19, up one, with one cleared, up one. Thirteen autos were reported down 19, for a total of 50 cases cleared, down 17. There was no case of criminal homicide, same.

Accidents Increase
Accidents totaled 106, up six, including 27 personal injury accidents, up eight, with 38 persons hurt, up 12, and 79 property damage accidents, down two. There was no fatal accident, same.

A total of 1,024 traffic accidents have been reported for the eighth month of the year, up 160, including four fatal accidents, up two, with four persons killed, up one; 254 personal injury accidents, up 57, with 387 persons hurt, up 60; and 766 property damage accidents, up 101.

Granite City PRESS-RECORD
Thurs., Sept. 21, 1972 Page 29

There were 212 arrests during the month, up 49, including 148 traffic arrests, up 49, and 64 other arrests, same. There were 22 additional charges, same, for total charges of 234, up 49.

So far this year there were 1,837 arrests, up 405, including 1,215 traffic arrests, up 235, and 622 other arrests, up 170. Additional charges total 263, down 16, for total charges of 2,040, up 389.

The department answered 1,768 complaints during the month.

NEW LODGE OFFICERS. Mike Bilbrey, Venice, right, was elected Chief of the Cahokia Lodge Order of the Arrow Saturday at Camp Sunnen near Potosi, Mo. From left to right are Reg Mennerick, lodge adult advisor; Jeff Tolliver, of Venice who was elected Lodge secretary; Brad Cowan of Granite City, vice-chief; William Monical, supreme chief of the fire; and Bilbrey. The Order of the Arrow is a national brotherhood of Scout honor campers with a local lodge membership of 350.

VIGIL HONOR RECIPIENTS. The Vigil Honor, highest award of the Order of the Arrow, was presented Saturday to five local residents at the Cahokia Lodge fall conclave at Camp Sunnen near Potosi, Mo. The new Vigil members, left to right, are Mike Bilbrey of Venice, Dave Gilmore and Jack Small, both of Granite City, Jeff Tolliver of Venice and Ray Gaudette Jr. of Granite City. After a 24-hour ceremony, W. F. "Mick" Strange, Madison, at far right, presented certificates and Vigil sashes.

Five from Area Awarded Vigil Honor at Conclave

Five area residents were awarded the Vigil Honor, highest honor in the Order of the Arrow, Scouting's national honor or camping society during the weekend.

The Cahokia Lodge held its fall conclave during the weekend at Camp Sunnen, Potosi, Mo., at which a 24-hour Vigil induction ceremony was held.

Recipients of the Vigil were: Ray Gaudette Jr., 5 Sunflower Lane, Scoutmaster of Troop 98. Gaudette has been a Scoutmaster for three years. He serves on the Show-and-Do staff and the Uniwah (Quad-Cities) training staff. Gaudette was awarded the Scout Oscar two

years ago for his outstanding service to Scouting in this area. His new Vigil Indian name is translated into English as "The Willing One."

Jack Small, 16, of 3211 Killarney Drive, treasurer of Explorer Post 10-4, was inducted into the Arrow in September 1969 and sealed his membership when he became a Brotherhood member in August 1970. Small is active on the ceremonial teams and a member of the Camp Sunnen camp staff. He also is very active in his church and sports. Small is an Eagle Scout.

On Camp Staff

Jeff Tolliver, 16, of 1250 Klein St., Venice, is a member of both the Ordeal and Brotherhood ritual teams, a member of the Camp Sunnen camp staff and serves on the camp probation committee. He is senior squad leader of Explorer Post 10-4 and also serves as a junior assistant Scoutmaster of Troop One in Venice.

Dave Gilmore, 16, of 2749 Roosevelt Ave., an officer in Explorer Post 6, was inducted into the Arrow in September 1968 and sealed his membership when he became a Brotherhood member in September 1969. He has been active in the Lodge ritual teams and has served on several lodge committees. He also was a member of the Camp Sunnen camp staff.

Mike Bilbrey, 18, of 616 Lincoln Ave. in Venice, received dual honors as he was elected Lodge Chief and also received the Vigil Honor. Bilbrey is president of Explorer Post 10-4 and is secretary of the Cahokia Lodge, Order of the Arrow. Bilbrey is a member of the Camp Sunnen camp staff and also has served as chairman of several major lodge activities.

The members of the Arrow spent Saturday in discussion of topics on ways to improve the lodge and further promote Scout camping within the Cahokia Mound Council. Lodge officers elected were: Bilbrey, lodge chief; B. R. D. Cowan, Post 6 re-elected vice-chief; Jeff Tolliver, secretary, and Greg Durbin, Highland, treasurer.

Uniwah (Quad-Cities) chapter officers elected were Kevin Kearns, chapter chief; Small, chapter vice-chief, and Mike Siebert, chapter secretary. All are of Granite City.

SURPRISE OUTCOME. Kevin Kearns, 15, Granite City (center in dark shirt), was surprised and happy when he won a hotly-contested election of Chapter Chief of the Uniwah (Quad-Cities) chapter of the Order of the Arrow Saturday at Camp Sunnen. Kevin was the youngest in a field of several candidates for the office. Seated behind Kevin at left is G. Rollin Henn, Scout commissioner for the Cahokia Mound Council. Next to Henn is Ray Gaudette Sr., a veteran local Scouter.

Births, Deaths Show Decline in August

Ninety-one births and 37 deaths were reported in the Quad-Cities during August, according to a vital statistics summary released by Robert W. Stevens, Granite City clerk.

The report showed births declined from 100 in July and from 112 reported in August 1971. Deaths declined from 38 in July, but increased over the 29 deaths recorded here in August last year.

The report brought the total births for the first eight months of the year to 674, down the 792 reported during the same period last year. The total of 278 deaths in the period also is below the total of 295 recorded in the first eight months of last year.

One fetal death was reported last month, compared to two in July and equal to the one reported in August 1971. Seven fetal deaths were reported through August, down from the 11 reported in the same period last year.

Cancer Crusade Tops Goal; Reaches \$59,734

The Madison County Unit of the American Cancer Society has reached a total of \$59,734, an all-time high in its Crusade fund-raising program, James R. Heil, county Crusade chairman announced this week.

"The figure not only exceeded our goal for 1972," Heil said, "but went beyond our greatest expectations."

Amounts raised in area communities included \$5,410, Granite City; \$2,145, Madison; \$948, Venice; \$3,364, Collinsville; \$4,630, Edwardsville; \$1,034, Glen Carbon; and \$214, Maryville.

The increase in funds raised over last year's figures primarily was due to greater interest and participation in both the door-to-door campaign and in special events such as the county-wide annual Mardi Gras Ball, Heil said. He commended all volunteers who helped to make the campaign so successful.

Heading the list of guest artists on the popular Sunday Spectrum series are Carlos Montoya, the Alfred Deller Consort, Vincent Price and P.D.Q. Bach. Leonard Slatkin, who is in his fifth season with the St. Louis Symphony Orchestra, will conduct all Spectrum and Family series concerts.

Season tickets may be obtained by contacting Mrs. Anna Rice, ticket director, St. Louis Symphony Society, 718 North Grand Boulevard, St. Louis, Mo. 63103, or by calling (314) 333-2500. Season tickets represent a saving over single ticket purchases and assure the concertgoer of the same choice seats throughout the season.

St. Louis Symphony to Open 93rd Season

The St. Louis Symphony Orchestra, under the direction of Music Director and Conductor Walter Susskind, will open its 93rd season with its first subscription concert on tonight and Saturday at 8:30.

The concerts mark the beginning of the Orchestra's 36-week subscription season in Powell Symphony Hall, a season encompassing eight different series for a total of 66 subscription concerts.

In addition to the traditional 24 Saturday night, 12 Thursday night and 12 Friday afternoon subscription series, a three-concert Baroque series will be offered again this year and three

Sunday afternoon series will be presented. The Spectrum and Family series of the Sunday Festival of Music will be joined this season by a new five-concert series, the Encore series which will be a repeat of five outstanding Thursday-Saturday evening programs.

Maestro Susskind, who will conduct 18 pairs of concerts, and Associate Conductor Leonard Slatkin, who will conduct three subscription pairs, will share the podium with several distinguished guest conductors. For two weeks in November Alexander Gibson, music director of the Scottish National Orchestra and the Scottish Opera,

will take over the podium and in February Georg Solti, the Polish conductor of the Royal Opera House in Copenhagen, will conduct two pairs of concerts.

Making his St. Louis Symphony Orchestra debut in February will be Amerigo Marino, music director of the Little Symphony Orchestra in St. Louis and the Birmingham Symphony Orchestra.

Twenty soloists have been invited to perform with the Orchestra on its Thursday, Friday and Saturday series. Returning guest artist will include pianists Rudolf Serkin, Gina Bachauer, Alicia de Larrocha, Claudio Arrau, Jeffrey Siegel, Arthur Schnabel, Anton Kuerti and Charles Rosen; violinists Isaac Stern, Itzhak Perlman, Henryk Szeryng, Goryok Pauk and Concertmaster Max Rabinovitch; cellist Pierre Fournier; tenor Jeral Becker and Mezzo-soprano Gwendolyn Killebrew.

Debut artists will be mezzo-soprano Janet Baker and Brigitta Fassbaender, cellist Lynn Harrell and Richard Woodhams, the Orchestra's principal oboist who will be making his first appearance as soloist at subscription concerts.

Appearing on the Sunday Encore series will be pianists Rudolf Serkin, Alicia de Larrocha and Jeffrey Siegel and mezzo-soprano Gwendolyn Killebrew. The Sunday Family series,

New Consul to Be Honored at Mexican Fiesta Saturday

Manuel Esparza Jr., the new Mexican consul in St. Louis, will be the guest of honor at the annual "Fiesta Independence" celebration to be staged at 8 p.m. Saturday at the Venice-Madison American Legion Hall, 740 Broadway, Venice.

The fiesta, commemorating the 162nd anniversary of the independence of Mexico, will be open to the public. Tickets are on sale this week at various Quad-City locations or may be

obtained at the door Saturday night.

The "Freedom Fiesta," sponsored annually by the Mexican Honorary Commission of Granite City, features a colorful variety show, spotlighting the talents of local youth, followed with dancing to the music of Miguel Luna and His Orchestra. Authentic Mexican dishes will be included among an assortment of refreshment items available to fiesta-goers, according to Steve Ortiz, commission president. He noted the fiesta has gained in popularity since the traditional event was introduced in the Quad-City area several years ago.

Mrs. Ortiz Director

Mrs. Elva Ortiz is serving as director of the artistic group this year, assisted by Mrs. Norma Mendoza. Mrs. Dorothy Robles is in charge of costuming.

Jesse Ybarra will serve as master of ceremonies and the national anthems of the United States and Mexico will be sung by Mrs. Maria Castillo Scanlan. Members of the local honorary commission who are heading various committees for the

fiesta include Otilio Valencia Jr., kitchen; Joe Becerra, bar; Audrey Laird and Harriet Evans, decorations; and Robert Robles, tickets.

The variety show will be highlighted by traditional dances and legendary folk songs performed by more than 50 local youngsters and adults wearing gaily colored ensembles, reproduced in the decor of "old" Mexico.

Traditional Dances, Songs

The numbers in which they will appear are: "Danza Azteca"; "Pasodoble"; "Los Viejitos" (comic act); "Las Chaperonas"; "Tango"; Adellita; "La Raspa"; and "Jarabe Tapatillo" (Mexican hat dance).

The youthful and adult performers include James Murphy, Timothy Murphy, David Bridick, Danny Mendoza, David Becerra, Tony Becerra, Sandy Ybarra, Marian Valencia, Cynthia Murphy, Becky Antoff, Norma Mendoza, Linda Ortiz.

Karen Simpson, Monica Grim, Linda Cook, Kathy Antoff, Rosa Aiello, Maria Mendoza, Frank Aiello, Delia Antoff, Raymond Valencia, Connie Becerra, Maria Lopez, Juan Jose Ortiz, Ronnie Grim, Jim Segobiano.

David Mendoza, Kathy Ortiz, Joey Valencia, Steve Ortiz Jr., Jeff Tinsley, Jo Ann Ortiz, Raymond Lopez, Sarita Garcia, Jennifer Laird, Sammy Mendoza, Sherri Robles, Toni Henderson, Angela Ybarra, Harriet Evans, David Lopez, Julie Men-

doza, Robert Robles Jr. and Tony Mendoza.

Tickets costing \$2 in advance may be purchased at Mendoza Sporting Goods, 2740 Madison Ave.; Venice-Madison American Legion Hall; Ernie and Annie's Tavern, 833 Niedringhaus Ave.; Tri-City Cycle, 310 Madison Ave.; Madison; Al's Barber Shop, Niedringhaus and State; and Yanchie's Tavern, 849 Niedringhaus Ave.

Admission at the door fiesta night will be \$2.50 per adult, Ortiz said.

City Invests Funds; Will Earn \$20,000

The Granite City treasurer's office has renewed its program of investing reserve city funds in certificates of deposit following receipt of tax funds collected during the summer. City Treasurer Paul E. Rutledge has announced.

Rutledge said he deposited \$1.30 million with the First Granite City National Bank in certificates of deposit at interest rates ranging from 3.5 to 4% depending upon maturity of the certificates.

Some of the certificates will expire each 30 days over the next six months to provide funds for city operational costs from month to month. The arrangement will bring the city about \$20,000 in interest, Rutledge said.

TO PERFORM AT FIESTA. Youthful members of the Mexican Honorary Commission's artistic group rehearse in preparation for Saturday evening's public "Fiesta Independence" at Venice-Madison American Legion Hall. From left to right—Toby Lopez, Linda Cook, Jim Segobiano, Connie Becerra, Joe Valencia and Sarita Garcia. In foreground, at right, are Steve Ortiz Jr. and Kathy Antoff. Fiesta tickets are on sale this week.

Park District Offers 2 October Bus Trips

The Granite City Park District has made arrangements for tickets and bus transportation to the Illinois and Penn State football game on Oct. 7 and a scenic bus tour scheduled for Oct. 22.

Reservations are still available for the football game at the park office at a cost of \$16.25 per person, which includes the \$8 ticket to the game, \$7 bus fare round trip and \$3.25 for one meal. Money for the trip must be in the park office no later than Sept. 30.

The bus will leave from the ice rink at 8:30 a.m. Oct. 7 for Champaign, for the first such trip in several years.

A scenic trip and luncheon has been planned for 180 persons who wish to take the one-day excursion. The bus will leave the ice rink at 8:30 a.m. Tickets are \$7.20 per person for the round trip. Reservations may be made now.

The first rest stop, where coffee and donuts will be served is scheduled at Fort Kaskaskia near Chester. They will proceed to Murphysboro and through Alto Pass near Bold Knob Cross, then to Cobden on the Skyline drive through Carbonale, with lunch at Tony's Restaurant in West Frankfort.

After a smorgasbord meal, the group will continue to Carlyle Dam and back to Granite City, arriving here about 5:30 or 6 p.m.

Turkey Shoot Sunday For John Young Fund

A turkey shoot to benefit the John Young fund will be sponsored by the Long Lake Volunteer Fire Department at noon Sunday at the Fire station.

All proceeds will be used to help enable the Young youth, victim of an incurable eye disease, to visit sites in the U. S. before he becomes blind.

He is the son of Granite City policeman and Mrs. Albert Young. Free refreshments will be served at the event.

RELEASED ON BOND

Robert W. Cole, 24, of 3002B E. 23rd St., was arrested during the weekend on a charge of battery after police were called to Cole's home by his wife, Cynthia. She alleged Cole struck and slapped her. He was released on \$50 cash bond.

"Mock" accidents and Explorer Elaine Noth is chairman of general instructions. The St. Elizabeth Hospital Explorer Post has 60% girls and 40% boys active.

A display of rescue equipment will be an added attraction. The general public is invited.

'Accident' Problems to Test Scout Aid Skills

By WALTER STRANGE
Press-Record Staff Writer

If you see what appears to be a bad accident, a power line down, or several other similar scenes in the vicinity of Wilson Park Sunday, don't be alarmed — it's a Boy Scout training event.

The accident scenes will be realistic. Dempsey-Adams Auto Body will provide wrecked cars and the Illinois Power Co. will provide a "power line" complete with line truck and crew. Other accident scenes will be arranged in the general park area.

Explorer Post 123, a health specialty unit sponsored by St. Elizabeth Hospital, is presenting the event, assisted by CHH Blankenship, Uniway (Quad-Cities District Health and Safety chairman, and Dr. Felicia Koch.

Other groups assisting will include Mercer's Ambulance Service, Pontoon Beach Fire

Department, St. Elizabeth Hospital and the Red Cross.

Granite City Trust and Savings Bank is sponsoring the program.

Approximately 450 Boy Scouts, ages 11 to 14, will participate.

The five "staged" accident problems will be viewed, diagnosed and first-aid treatment administered by each Scout unit. All solutions will be in keeping with new Scout first-aid techniques approved by the Red Cross and listed in the new Boy Scout handbook that was released Sept. 1.

Every Scout participating will receive a complimentary patch and neckerchief upon registration. Awards for excellence will be given to all patrol members reaching a set standard. Walnut plaques will be presented to institutions sponsoring Scout units that earn the excellence rating.

Explorer Joyce Kopsic is in charge of coordinating the

Earnings of A. O. Smith Corp. Are Below Year Ago

Milwaukee—Earnings of A. O. Smith Corp. in the third quarter will fall well below year-ago levels, L. B. Smith, chairman and chief executive officer, said during the weekend.

Smith said labor and cost problems in the company's elevator business, a lack of business at an affiliate line pipe manufacturing company and major model changes in the automotive division combined to reduce earnings both for the third quarter and nine months, compared with the same periods last year.

Sales will be slightly higher for the periods, however, Smith said.

He estimated profits in the third quarter traditionally the company's lowest period of the year, at five cents per share, or possibly more, compared with 31 cents in the third quarter last year. This would amount to about \$250,000 for the quarter compared with \$1,533,000 last year.

For the nine months, Smith predicted earnings of \$1.60 per share or more, compared with \$1.80 last year, or about \$7,802,000 compared with \$8,856,000 in 1971.

Sales in the third quarter were estimated at \$107,000,000 compared with \$103,912,000 last year. Nine-month sales are expected to amount to \$382,000,000 compared with \$344,341,000 for the first nine months of 1971.

"We had planned a good year in 1972," Smith said, "and it is therefore disappointing to have national strikes in the elevator construction industry, and a lack of orders in the line pipe industry, upset our plans. If these problems, which are outside our control, had not arisen, our profits so far this year would be substantially higher."

"We estimate that if the elevator and line pipe businesses had been performing at the same levels as last year, our profits so far in 1972 would be 60 cents per share higher."

Smith pointed out that four of the company's major operating units, the Consumer Products, Electric Motor and Meter Systems divisions, and a subsidiary, A. O. Smith Harvesters Products, Inc., have all turned in good performances in 1972, with both sales and profits ahead of last year.

He also had praise for the Automotive Division, which is the nation's largest manufacturer of automobile and truck frames.

"Even though profit levels are below a year ago, the division has performed well in the face of a profit margin squeeze caused by the Economic Stabilization Program and three major model changes—intermediate size passenger cars, frames, truck frames and control arms," Smith said. "Considering that these were the most extensive model changes in our history," he continued, "they have had high volume all through the year and we expect this to continue for the remainder of 1972 and into next year."

Labor difficulty in the elevator industry, served by the company's Armco Elevator subsidiaries, has been the most serious problem faced by A. O. Smith so far this year, Smith said.

He pointed out that—even though a 100-day national elevator strike, which affected the entire industry, ended July 10—a strike of construction workers in New York City began July 3 and remains unsettled. Several months of labor unrest in Canada culminated Sept. 8 when elevator construction workers there called a national strike.

Marriage Licenses for Quad-City Residents

Marriage licenses issued through the office of Miss Eulalia Hotz, county clerk of Madison County, Edwardsville, to Quad-City residents include: William E. Null Jr., Granite City, and Linda K. Bilyeau, Collinsville; David H. Wolfelt, Bethalto, and Charlene A. Huggins, Madison; Michael S. Barry and Vicki L. Campbell, Gary L. Wasser and Patricia A. Vincent, all of Granite City; John R. DuBoise, Granite City, and Lillie E. Creek, East Alton; Ralph L. Ferguson, Bethalto, and Linda C. Norton, Granite City; Elbert H. Flaughner, Tusculum, Mo., and Maude A. Birdsong, Granite City; Wendell E. Johnson, and Janet S. Harrison, both of Granite City.

Danny C. Millap, Madison, and Shirley J. Pope, Granite City; Robert E. Richardson Jr., Judith L. Talley, Paul D. Stone and Judith D. Meyer, off of Granite City.

Fun Match for Pets Set Sept. 30; Need Entries

Entry forms for the "All Animal Fun Match" to be staged Saturday, Sept. 30, by the Quad-City Association for the Protection of Animals (APA), are available this week at local business places, and from APA members.

Miss Helen Grotz, contest chairman, said the entry blanks may be secured from Farm Fresh Dairy, 2230 Pontoon Road, Bellemore Animal Hospital, 2117 Johnson Road; Doris Evans Grooming Service, 2431 Madison Ave.; and Aqualand Pet Shop, 1233 Nineteenth St. The forms also may be obtained by calling the APA, at 877-4894, or by writing Miss Grotz, at 2245 Colgate Place, City.

The fun match for all types of pets will start at 1 p.m. Sept. 30 on Fehling Road near A&J Grocery Store. An open registration period will take place from 10 a.m. until noon on the day of the show, Miss Grotz said.

Two large tents have been loaned to the APA by Ralston Purina Co., Mrs. Judith Johnson, APA president, said today. In the event of severe weather, the show will take place Sunday, Oct. 1, she added.

Dogs and cats, pedigreed or mixed breeds, guinea pigs, rabbits, horses or any other type of pet may be entered in the fun match.

Judges who were announced today will be Mrs. David Tay-

lor, owner of Willow Walk Cattery, Mitchell, and Mrs. Jenny Pulliam, cat division; Mrs. Doris Evans, toy and small mixed breed dogs; Jack King, hamsters; and Mariene Marmion, horses.

Trophies and ribbons will be awarded to the owners of winning pets.

Sgt. Kevin Taylor in Interceptor Exercise

Sergeant Kevin N. Taylor, son of Mr. and Mrs. Arvil L. Taylor, Rural Route Two, Granite City, is participating in the U.S. Air Force's "William Tell" fighter-interceptor weapons meet at Ft. Rucker, Ala.

Sergeant Taylor is a member of the maintenance team representing the 57th Fighter Interceptor Squadron from Keflavik, Iceland. He will help support his unit's interceptor aircraft, which will be flying F-102 aircraft during the meet. He is a 1968 graduate of Granite City High School.

Six units from the host Aerospace Defense Command (ADC), four from the Air National Guard and one from the Canadian Forces Air Defense Command will match their aerial marksmanship during the 12-day competition.

This year's meet opened the same day the Air Force celebrated its silver anniversary. The youngest of the nation's three primary armed services was established 25 years ago on Sept. 18 when former President Harry S. Truman signed into law the National Security Act of 1947.

The elite air defense teams are using the huge Air Force test range over the Gulf of Mexico as their arena for the competition. Target for the interceptor pilots are the elusive Firebee drone, which is launched from the ground and flies at speeds in excess of 600 miles per hour at altitudes of 60,000 feet. The pilots have the task of intercepting and shooting down the "radio-controlled" invader.

2 Boys Arrested in Louis Baer School
Two boys, ages 8 and 10, were arrested in Louis Baer School in Madison this week and were referred to juvenile court.

The boys allegedly broke into the building and ransacked every teacher's desk. In the kitchen, the meat cooler was left open and mustard was spread on the floor.

Police used Sir Kelly, a police dog, to search the building and find the boys. They were found in the teacher's lounge and were holding the door shut when the dog and officers approached. When they surrendered, one youth was holding a butcher knife. Another knife and a bag full of items taken from the school later were found in the school underpass near McCambridge Avenue.

TRUCKS DAMAGED ON LOT

A parked flatbed truck owned by Realco Service Co. was struck by a flatbed truck operated by Charles Kirkpatrick, South Roxana, this week on a Granite City Steel Co. field near 18th Street and Washington Avenue.

Undergoes Surgery

Mrs. Henry Kovalik, 47 Villa Drive, underwent major surgery Monday at St. Elizabeth's Hospital where she expects to be a patient for one week.

TRAVELING BY AIR? CALL HOLIDAY SERVICE, 452-3131

It's 1973, and Chevrolet roofs are opening, seats are swiveling, bumpers are retracting, hatches are flipping up.

Did you ever have so much to talk about that you didn't know what to say first?

We're happy to report that's us for 1973. But since everything must begin somewhere, we'd like to draw your attention to our roof...

Isn't it romantic?

You see that rectangle beaming at you from above? That's a moonroof. Not to be confused with a sunroof. (Although many people will undoubtedly be caught using it like one.) A power roof is available on Chevelle and Monte Carlo; a manual, one on Nova.

New Malibu Coronado Hardtop Coupe.

We've been thinking about your legs

One of the few things people asked us to improve in our popular Chevelle was leg room in the back seat. Well, your knees will be pleased with the '73s. There's almost 3 1/2 more inches for your legs in the sedans.

(above) Caprice Coupe. Our new uppermost Chevrolet. Its luxury, comfort and quiet ride rival the most expensive cars you can buy.

(below) Monte Carlo S Coupe, America's newest road car. With the handling of the finest European cars, and the looks and comfort of an American car.

Dr. P. A. Rinfret to Be Chamber Speaker

The principal economic advisor for the Nixon Administration during the election campaign, Dr. Pierre A. Rinfret, will be keynote speaker at an Illinois State Chamber of Commerce economic outlook session Friday, Oct. 6 in Chicago's Palmer House. The 2 p.m. forum, titled "The Economy: '73 and Beyond," is part of the State Chamber's 54th annual meeting Oct. 5 and 6.

Rinfret is president of Rinfret-Boston Associates, New York City, international economic and financial counseling firm. He will be joined by these panelists:

Dr. Milton Friedman, professor of economics, University of Chicago, and former economic advisor to the President; Virgil B. Day, vice-president, General Electric Co., New York City, and a former member of the Pay Board; Richard S. Peterson, vice-president and economist, Continental Illinois National Bank and Trust Co. of Chicago.

David M. Willis, director of corporate planning, Deere & Co., Moline.

Other sessions on Oct. 6 include a noon luncheon featuring a debate between Illinois gubernatorial candidates Governor Richard B. Ogilvie and Daniel Walker, and a morning forum examining "The Image of Business."

Royal Rangers Capture Third Place in State

Royal Rangers Outpost 91, formed at the First Assembly of God Church in January, captured the third place campers' award in an annual statewide pow-wow held for three days in mid-September at Lake Williams, Carlinville.

Dale Dickey is senior commander and other adult commanders of the boys' group seven-to-17-year-olds are Don Fencil, Pat Harris, Hans Seemiller, Gene Thomas and Bill Thomas.

Fastest growing youth organization in the world, the Royal Rangers group has an active membership of 110,000 in 30 countries. There are 35 local chapters.

YOUTH, 17, ARRESTED
Anthony J. Hawkes, 17, of 2301 Nameoki Road, was arrested this week in the alley between Nameoki Road and Alexander Street after police were called on a disturbance report at the trailer where he lives. He was charged with disorderly conduct. A burglary complaint was filed against him last week by Mark Sparks of the trailer court.

William S. Lowe, president of the Chamber of Commerce of the United States, will address an Oct. 5 dinner, more than 3,000 Illinois business and professional men and women are expected to attend the two-day meeting.

Cystic Fibrosis Campaign To Open in Area Sunday

Quad-City Mayors John Lee of Venice, Mike Sasyk of Madison and Donald Partney of Granite City this week signed a proclamation designating the "Breath of Life" campaign to be set Sunday through Sept. 30. A door-to-door march for contributions under the leadership of Mrs. James (Alice) Worthen, Quad-City chairman, is planned. The drive for funds will aid the National Cystic Fibrosis Research Foundation in its search for medication to control the disease and lengthen the lives of children affected with the presently incurable illness.

Twenty-six area chairmen will direct the project in specific neighborhoods. More volunteers are needed and may submit their names to Mrs. Worthen at 877-4478. Those named to head the Sunday afternoon event are Mesdames Louis Whitsell, Pontoon Beach; Diane Scherlis, Venice; Brenda Harper, Madison, and the following persons in the Mitchell and Granite City area: Pat Polley, Jean Stefanski, Agnes Barrum, Bernice Hagnauer.

Other Workers
Nancy Webb, Vernie Von Nida, Joyce Toussaint, Beverly Schutzenhofer, Vera LeMaster, Dorothy Petrille, Julia Fuzessery, Mary Yoboy, Sarah Stover, Olga Garcia, Aterrella Mangiaracino, Sarah Shelton, Carol Murray, Mary Havron, Angie Buehler, Virginia Apper-

"BREATH OF LIFE" campaign is set Sunday through Sept. 30 in a proclamation signed by Quad-City mayors to assist the National Cystic Fibrosis Research Foundation in its drive for funds for research. Left to right are Mayor Mike Sasyk of Madison, Mayor Donald Partney of Granite City and Mayor John Lee of Venice. Standing in background is Mrs. Alice Worthen, Quad-City drive chairman, holding her 2-year-old grandson, Billy Donaldson, a victim of the disease.

son, Hilda Melton, Shirley Parmley and Karen Worthen. Sixteen years ago a group of parents, seeking an answer to what was erroneously thought to be an obscure disease,

formed the National Cystic Fibrosis Research Foundation. They began to raise limited funds to call attention to the problem and start research to find a control.

In 1961 they established the first CF Center where physicians, nurses and other medical personnel could learn to diagnose and treat the disease where victims could receive treatment. Eight years later the CF program was broadened to include most children with chronic lung damaging diseases. Today there is a network of 110 centers to which 12,000 CF patients seek aid. There is hope for the cystic fibrosis child and continued research produces brighter prospects for the future. Today, with early diagnosis and improved therapy, more and more are living into their teens, twenties and beyond.

Area Hospitals Serve
The Gateway Chapter to which the funds collected here will go, supports three Cystic Fibrosis Care, Teaching and Research Centers at St. Louis Children's Hospital, Cardinal Glennon Hospital and Missouri University Medical Center. These centers serve children from Illinois and Missouri. The Quad-City mayors named September "Breath of Life Month" and urge all citizens to support the National Foundation.

Mayor Partney said, "There has been a tremendous upsurge of scientific interest in genetic diseases throughout the world. This heightened interest will benefit research to find a control for CF, which is considered a model for genetic disorders." Mayor Sasyk praised the 110 CF treatment centers which provide medical care to children with such chronic respiratory diseases as asthma with lung damage, chronic bronchitis, bronchiectasis, and the condition sometimes called childhood emphysema. All have symptoms in common with those of CF, and respond favorably to the treatment designed for CF patients.

Need Support
"Most of us are lucky, and don't have to think much about the act of breathing," said Mayor Lee, but these children can't take breathing for granted. They need our support and understanding and we hope every citizen will regard these children's struggle for the breath of life as a very personal matter."

Mr. and Mrs. Worthen have had six grandchildren, three of the youngsters were diagnosed as CF victims. David Lee Donaldson died in 1968, his two brothers, Joseph, 5½, and Billy, 2, have been diagnosed as having the disease and are receiving treatment. They are the children of Mr. and Mrs. Carl (Cindy) Donaldson. Julie Ann, 4-month-old daughter of Mr. and Mrs. James (Karen) Worthen, is free of CF as are two other Worthen grandchildren, Theresa, 2, and

Michael Alan, 11 months, children of Mr. and Mrs. Thomas (Diana) Meador.

Mrs. Worthen is serving for the fourth consecutive year as Quad-City chairman of the Cystic Fibrosis drive. She is a member of St. Elizabeth Hospital Auxiliary, Pink Ladies program, St. Margaret Mary Catholic Church, Sacred Heart Choir and is a past member of Madison County Medical Assistants Association. Mrs. Worthen also serves as a Democratic precinct committeewoman.

TRUCK HITS CAR IN LOT

The truck of Thomas Roach, 813 E. Chain of Rocks Road, struck the left side of the parked car of Alex Bason, 214 Cheshire Court, in a parking lot near Tri-Mor Bowl during the weekend.

Model Building Contest Features Skill Center

The Southern Illinois Builders Association through its Industry Foundation announced the opening of the annual Model Building Competition.

The project for this year is to design and construct an Occupational Skill Center. The contest is open to all high school sophomores, juniors and seniors from 26 counties in Southern Illinois. The purpose is to uncover future talent for the construction industry.

This year's assignment is to construct a finished scale model of an Occupational Skill Center. The center complements the academic education of high school. Emphasis is on technical training.

The Center is the work world core where students can develop occupational skills. The Center's method of teaching is known as the cluster concept in technical vocational education. Students will attend two days a week, leaving three days for their academic studies.

Skills Taught
Skills taught at the Center will be considered part of the high school curriculum. Skills will be taught in the areas of construction, cosmetology, home economics, architectural drafting, commercial art, machine and design drafting, automobile maintenance, electricity and business education.

In addition to high school diplomas, certificates of competence will be awarded when a student masters a skill. A large colored Model Building Competition Brochure is now being distributed to 115 schools in the 26-county area. Included in the brochure are the rules and instructions, a construction site map and a photograph of the last year's award winning model.

The Industry Advancement Foundation offers 20 scholarship awards totaling more than \$1,500 to the competition winners. Student awards range from \$500 for the first prize Gold Medal Award to \$25 for the honorable mentions. Award winning models will be selected primarily on the basis of superior craftsmanship and design excellence. Additional awards will be given to those schools whose students have the greatest number of award winners.

Register at School Registration may be made

Hospital Notes

Patients admitted to St. Elizabeth Hospital Monday:
Jacqueline Mills, 212 Weaver, Venice; Lois Biggers, Collinsville; Bessie Schwiager, 2580 Lynch; Birdie Patton; Brooklyn; Willie Williams, St. Louis; Jennifer Beard, 7091 Meadow Lane; Maude Earney, Edwardsville; Harvey Beaver, 3141 Maryville; Charlene Boyd, Rural Route 2.

Marsha Hare, 2538 Edwards; Margaret Stevens, 1831a State; Edith Wagner, Collinsville; Diane Coggins, 210a Madison, Madison; Imogene Stinson, 2015 Grand; William Willard, 2816 Pershing; William Brannan, 2102 Nevada; Leslie Laird, Box 185, Madison; Shirley Mitchell, Troy.

Kimberli Morgan, Cahokia; Karl Bain, 2061 Fourteenth; Carrie Ardison, Caseyville; Richard Agers Jr., 2261 Iowa; Alice Pankow, Edwardsville; Sybil Wilson, 1029 Bissell, Venice; Judith Bausch, 2916 Buxton; Laron Curtis, 138 Lennox; Dawn Delour, 2113 Dawn; Agnes Jones, Collinsville.

Rosetta Horton, 306 Hill, Madison; Yvonne Hawk, Collinsville; Paula Anthony, 104 Central; Beulah Boone, 4719 Benning; Edna Ritz, 638 Lincoln, Venice City; Interment was at Granite Cemetery, 2901 Nameoki Road.

Survivors include her husband, William Schruppf; sons, Robert D. Ray of Granite City and Prince C. Ray of Little Rock, Ark.; one daughter, Mrs. Roberta Walker, Edwardsville; a brother, Lewis Atwood of Madison; 11 grandchildren, and 16 great-grandchildren.

Mrs. Schruppf died Sept. 8 at St. Elizabeth Hospital.

Model Building Contest Features Skill Center

with the Industrial Arts teacher or principal at high schools in the area. Registration opens Oct. 1 and closes Dec. 1.

Models, which must be designed and constructed entirely by the individual student, must be delivered to the Southern Illinois Builders Association, 7623 W. Main St., Belleville, 62223, on March 10, 1973, and will remain on display through March 22. Announcement of award winning entries will be made March 24 and the presentation of awards is scheduled for March 24.

The competition is made possible through employer contribution to the Industry Advancement Foundation which is administered by the Southern Illinois Builders Association on behalf of some 900 firms engaged in building, heavy and highway construction. The contributions are based on hours worked by carpenters, cement masons, ironworkers, laborers and operating engineers.

Sgt. Richard Schall Sgts. Schall Graduates With Honors at School

Army Sgt. Richard J. Schall son of Col. (Ret.) and Mrs. Joseph F. Schall, 68 Karer Drive, has graduated with honors from the 40-week clinical specialist course at Brooke General Hospital, Ft. Sam Houston, Tex.

During the course the students received instruction in the performance and supervision of patient care duties and in various clinical services.

Sgt. Schall entered the Army in 1968 and was last stationed at Ft. Bragg, N.C. The 24-year-old soldier was graduated from Granite City High School in 1967 and attended Southern Illinois University.

His wife, Lynne, lived in San Antonio, Tex., during his training.

GC Steel Request for Time Variance Denied

A request by Granite City Steel Co. for a variance from the Sept. 1 deadline for filing petitions for pollution operating permits has been denied by the Illinois Pollution Control Board, local officials were informed this week.

The IPCB denied the request with permission to refile it after the Environmental Protection Agency rules on a similar request asking for an extension to March 1, 1973.

A steel company spokesman said that the requests for extensions are necessary because EPA rules call for the company to inventory pollution emissions from every stack and vent at the company's facilities. That task will require about one year to complete, the spokesman said.

MADISON AVE. ACCIDENT

Cars of Robert C. Johnson, 2314 Clinton St., and Pyong W. Kelly, 2123 Collinsville Ave., Madison, were involved in an accident at Madison Avenue and 23rd Street during the weekend.

New Wheat Planting Due Soon in County

By WARREN W. BUNDY

Madison County Extension Adviser

Farmers grow about 44,000 acres of wheat annually in Madison County. They will plant another year's crop during the next 4 or 5 weeks.

Several have asked about the Hessian fly-free date for planting wheat. The fly-free date here is Oct. 7 to 9. That means wheat planted later than those dates is not likely to become infested with fly.

Hessian fly can kill wheat seedlings during November and December and next spring can weaken the straw and cause it to break.

Fly populations in wheat remained low again this year in this area with an average of one puparia per 100 tillers. The average the last 11 years has been five puparia per 100 tillers.

Even when fly populations are low, it is still advisable to follow control recommendations. This helps to prevent building and damage by the fall generation, which could lead to an even larger buildup of the spring generation.

Soft wheats such as Abe, Arthur 71, Benhur, and Knox 62 and hard wheats such as Centurk, Gage, Parker, and Scout 66 are reasonably resistant to Hessian fly. They can be seeded before the fly-free date. If susceptible varieties are seeded early, use a recommended insecticide placed in the drill row with a grass seeder attachment during planting.

Yields Higher

Average wheat yields now are nearly double the yields of 20 years ago. Plant breeders have developed varieties that resist lodging and can withstand heavy applications of fertilizer. Present varieties also have better disease resistance, better insect resistance, and higher yield potential.

Arthur, Arthur 71, Benhur and Monon are good soft wheat varieties for this area. Blueboy and Bluebird II are high yields.

The varieties Arthur and Arthur 71 yielded higher than Benhur and Monon in most yield trials in 1972.

Arthur 71 is the result of a back-cross breeding program to incorporate Hessian-fly and leaf-rust resistance into Arthur, currently the most popular soft wheat variety in Illinois. It

compares to Arthur in maturity, plant height, and yield and is resistant to stem rust, soil-borne mosaic, loose smut, and powdery mildew.

Important Feed

Corn silage is an important feed on many livestock farms. For top feed value and yields of dry matter per acre, start harvesting corn silage in the early dent stage and try to complete harvest by the time the kernels are fully dented and approaching final stage.

Silage dry matter content will vary between 30% and 40% during this period. When the lower leaves are brown and the grain well-dented, silage dry matter content will be about 35%.

Chop silage as fine as possible. One-fourth inch to three-eighths inch is preferred.

Finely chopped silage is more palatable and packs much better in the storage structure. This allows better fermentation

and greater storage capacity. Cover unsealed silage storage structures with plastic and weight it with old tires or silage. Do not repack the silage after it has been covered a few days. This breaks the seal and introduces more oxygen to the upper layers of silage.

Fill unsealed silage storage structures as rapidly as possible to minimize the effects caused by air. If a long delay in filling occurs due to problems such as poor weather or machinery breakdown, covering the silage with a plastic cover reduces spoilage at the surface. Three thousand head of feeder cattle have been consigned to the 23rd annual feeder calf sale at the Dixon Springs Agricultural Center near Robbs in Southern Illinois.

The sale starts at 1 p.m. on Thursday, October 5. It is sponsored by the Egyptian Live Stock Association.

Lewis Lane, 58, Dies; Former GC Resident

Lewis Lane Jr., 58, of Buffalo, N.Y., formerly of Granite City, died Monday night in the Buffalo General Hospital where he had been a patient for three weeks. He had been ill for one year.

Born in Stewart County, Tenn., he had resided here five years before moving to New York 20 years ago.

Mr. Lane was a world war II veteran having served for 31 months with the U.S. Navy. He served 29 months in the Pacific theater and participated in 13 invasions receiving 11 campaign stars.

Survivors include a son, Steven Lane, three daughters, Misses Debbie, Charlotte and Robin Lane, all of Buffalo; four sisters, Mrs. Lorine Vessman and Mrs. Thelma Mathis, both of Granite City; Mrs. Dorothy Caraway of St. Louis, and Mrs. Vera Erdosak of Chicago.

Funeral arrangements are incomplete. Services were to be held in Buffalo.

Dr. Raymond Harvey To Speak at Baptist Meet

The Dr. Raymond F. Harvey, pastor of the Greenwald Missionary Baptist Church in Tuskegee Institute, Ala., will be the guest speaker at the 26th annual session of the Madison County Baptist Association today and Friday.

The meeting will be held at Grace Baptist Church, 2600 Edwards St. Dr. Harvey will speak at the 3 and 8 p.m. services on Thursday and at 2:15 and 7 p.m. services on Friday. He was the featured speaker at the state convention.

VOLUNTEER DONORS. Army Privates Mark Peters (left) and Luther Jones from the Granite City Army Installation appear relaxed as they contribute blood to help Anthony McCreary, 9, of 2901 Kirkpatrick Homes. The pair was among 13 servicemen from the local military base who volunteered to replace the blood used in six skin graft operations performed on the boy since he was severely burned June 3. The youngster was transferred last week from St. Elizabeth Hospital to the Cincinnati Burns Institute, a Shriners Hospital.

3 First-Aid Courses Offered Next Week

Three multi-media standard first-aid courses, offered by the Tri-City Chapter, American Red Cross, will begin next week at the Civil Defense office, 1141 Nineteenth St.

Monday, the standard course will be taught from 8 a.m. to 5 p.m. by Bob McCaster and the following day, McCaster will hold instructor training during the same hours for persons holding a standard multi-media certificate.

The eight-hour multi-media course will be offered in two evening sessions, the first from 6 to 10 p.m. Thursday, Sept. 28, and the second during the same hours Oct. 5. Both will be taught by Clifford Duniphan. Persons interested in the new courses may contact the local Red Cross at 452-7184.

Corporation Charter Issued for Tavern

A corporation charter has been issued to The Finish Line Inc., 29 Victoria Drive, to operate a tavern business. It was announced by the office of Secretary of State John W. Lewis. Officers listed, Joe B. Dickie, 29 Victoria Drive, corresponding secretary; Sandra J. Dickie and R. P. Cowan, were authorized to issue 100 shares of common non-par-value stock.

THEFT CHARGE
David Dawson, 43, of 1317 Washington Ave., Madison, was arrested and charged with petty theft at Schermer's Market, 12th and Madison Avenue, Madison, at 4:10 p.m. Monday. Dawson was released on notice to appear in court Oct. 4.

Many Youngsters Still Do Not Get Free Lunches

By JOAN MURARO

Copy News Service

Springfield—Preliminary indications are that the big majority of eligible school children in Illinois public schools are receiving free lunches, as provided by state law.

Robert Ohlzen, director of school food services, in the office of the superintendent of public instruction, said that results of his office's investigation so far indicate that not many eligible youngsters are being missed, in public schools.

However, there are perhaps as many as 30,000 to 40,000 youngsters eligible for free lunches who aren't getting them, because they attend parochial schools in the Chicago area.

There are approximately 300 parochial schools, with some 300,000 youngsters attending them, in the Chicago area, Ohlzen said, and many of these are located in economically disadvantaged regions where youngsters would qualify for free lunches.

Many of these parochial schools are not participating by their own choice, he said, having indicated they do not wish to take part in the free lunch program.

Campaign Underway
Presently, there is an intensive campaign being conducted by OSPI personnel and the office of the Chicago archdiocese to encourage participation in the program, Ohlzen said, adding that "hopefully" the goal is to have food service established in all archdiocesan parochial schools within three years with particular emphasis on elementary schools.

The study being made by Ohlzen's office is in compliance with "Action Goals for the Seventies," recently released by the office of state school superintendent Michael Bakalis. The "Goals" set up a number of objectives, including one involving education, with time tables for preliminary steps and final attainment.

One of the objectives in the "pupil services" category calls for immediately providing free lunches for all needy children, with the preliminary step of completing, by this summer, a survey of all school districts in the state to determine if they are complying, and to publish, by Oct. 1, the proposed procedures for dealing with non-compliance. These could include withdrawal of state recognition and financial aid.

However, Ohlzen said, he doubted any school would choose to get into such a position, for lack of food service.

In making the survey, Ohlzen's office obtained public aid rolls which showed all children eligible for free lunches, by county. School district free lunch claims, by county, for April and May, are now being checked against this list, and where there are discrepancies, field staff members are meeting with school superintendents

Gospel Singing Program

Barney Barrows and The Victory Quartet of Granite City will appear at the St. Paul's Church of the Nazarene, 4300 Maryville Road, Sunday from 9:45 to 11:45 a.m. for an old fashion Gospel singing program. The public is invited.

COLLIDE IN VENICE

The auto of Roseann Koelker, 325 Jefferson St., Venice, and Bobbie Jones, Apartment 3 of 801 Third St., Madison, collided at Seventh Street and Broadway in Venice during the weekend.

To find why specific youngsters are not being reached, a preliminary test run survey, done by comparing March lists and claims, indicated that there were 1,388 claims for the month for downstate Illinois, not including Cook county. By figuring typical absentee rates of five to seven percent and adding this total, the entire eligible number would be covered, Ohlzen said.

When the survey is completed, each regional superintendent will receive a report of how his district is complying with the request.

Over 50,000 Drivers Fail

Last year alone, over 50,000 Illinois licensed drivers failed the state written examination. This year the number of drivers that will fail could jump to a hundred thousand or more. Experts say "One reason is, that rules and regulations change, and even some good safe drivers just don't keep up with the new laws." If your license expires this year, you may be among the hundreds of thousands that will be re-examined in 1972. So if you're nervous about taking the state written exam, here's good news. You can now purchase your own "self-scoring" test papers, complete with questions, answers and road signs you should know for that instant examination day. This method has helped thousands pass the state exam. Introductory price just \$8 plus 75 cents handling. (Check or money order only.) Mail to AA-A School of Safe Driving, 6307 N. Milwaukee Ave., Chicago, Ill. 60646, Dept. 900. Copyright 1972—AA-A School of Safe Driving. All rights reserved.

Memorial Service Set For Minnesota Girl, 12

A memorial service for Laura Elizabeth Schoen, 12, daughter of Mr. and Mrs. Roger (Elaine) Schoen, 1315 Sixth St., Northeast Minneapolis, Minn., will be held at 8:15 a.m. Wednesday, Sept. 27, at St. Margaret Mary Church here.

The girl, born in Granite City, was killed when she was struck by an auto at 9:15 p.m. Sept. 11, in the Minneapolis area. Her family moved to Minnesota when she was a year old. She was a student at Sheridan Junior High School at Northeast Minneapolis.

Funeral services were held last Friday at St. Joseph's Catholic Church at Northeast Minneapolis with burial in Sunset Memorial Cemetery, Montevideo, Minn.

In addition to her parents, she is survived by three sisters, Teresa, Leslie and Lisa Schoen, at home, her grandparents, Mrs. Rose Schoen of Madison and Emil Hanson of Montevideo, and two aunts, Mrs. Roland (Dolores) Riddle of Granite City and Mrs. Kenneth (Kathleen) Strand of Montevideo.

Agricultural Association Joins in Tax Challenge

The Illinois Agricultural Association will attempt to intervene in a court case that challenges the constitutionality of a new state law exempting all tangible personal property used in farming from the personal property tax.

Target of the intervention attempt is a lawsuit filed in the circuit court of Cook County by Elk Grove Engineering Co. and others against Bernard Korzen, Cook County collector and county treasurer, and others. The lawsuit attacks the constitutionality of House Bill 3776, signed into law by Gov. Ogilvie on July 19, 1972.

The new law, supported by the IAA, provides that all tangible personal property which is used by the owner in farming shall be exempt from taxation. The law removes the personal property tax from farm properties such as livestock, grain, farm machinery, and various other items used in the operation of a farm.

The plaintiffs in the lawsuit claim that the new law is unconstitutional on the basis that it "violates both the Illinois and U. S. Constitutions by denial of the due process of law and equal protection of the law."

IAA General Counsel Gordon Adler has been authorized by the IAA board of directors to attempt to intervene on the side of the defendants in an effort to convince the court to uphold the constitutionality of the new law.

Adler said that a motion to the judge requesting permission to intervene in the case will be filed in late September. If the intervention request is granted, further action will be filed by the IAA, Adler said.

The IAA has been active for several years in seeking personal property tax relief for farmers.

Marriages, Deaths Up Births Down in County

The birth rate declined while the number of marriages and deaths increased in August in Madison County, compared to the same month last year, according to vital statistics compiled by the office of Miss Eulalia Hotz, Madison County clerk.

Births totaled 295, down 53, including 154 males, down 15, 141 females, down 38, and three sets of twins, down one.

There were 311 marriages, up 68, and 166 deaths, up eight.

Forget-Me-Not Sold Here By DAV

Members of Disabled American Veterans will sell traditional forget-me-not flowers throughout the Quad Cities today, tomorrow and Saturday in conjunction with "Forget-Me-Not Week" now being observed.

The week is to honor American veterans who were injured in the line of duty. Funds raised will be used for DAV programs.

CAR TAKEN FROM HOME

The purple 1964 car of Lynett Crook, 1615 Spring Ave., was stolen from her home, she reported during the weekend.

AN INDIAN RAID on Civic Park took place Saturday as members of Cub Pack 7 of St. Joseph Church displayed their knowledge of Indian lore.

The display was one of many Boy Scout and Cub Scout displays throughout the area Saturday as part of a drive to recruit more scouts.

World Trade Breakthroughs Helping Illinois -- Ogilvie

By GOVERNOR
RICHARD B. OGILVIE

Dollar signs are flashing all over the world — and some of those dollars are coming to Illinois.

With unprecedented speed, this nation is making sales and contracts abroad where we didn't make a nickel before.

The news is good just on the face of it, because sales mean jobs and new opportunities for us — and I do mean "us" in Illinois.

But there is deeper significance to these trade breakthroughs that will affect every American.

We've been sending too many of our dollars abroad to buy foreign goods — too many, that is, in terms of what other nations buy from us.

The result has been a worldwide glut of dollars, and the only way for us to end this cheapening of the dollar is by selling more of our goods to bring our dollars back home.

Higher prices for everything Americans buy — at home or abroad — would certainly be the result of a

continued dollar glut abroad.

But back to jobs now for Illinois and new sales from our farms and industries.

Very shortly, parts manufactured here in Illinois by International Harvester will be appearing on Polish-made tractors.

The official foreign trade body of Poland has signed a multi-million-dollar contract to make tractors under IHI license.

Officials estimate that there will be many millions of additional sales during the 10-year life of the agreement, which will put versions of IH tractors into most of the Iron Curtain countries.

Caterpillar, the biggest exporter in Illinois, reports that 14,000 of its employees have jobs because of "Cat" exports to all the rest of the world.

And that's only the record of the past — the future looks booming.

Just recently President Nixon opened the doors of Japan for hundreds of millions of dollars of new United States sales there.

I've already discussed the effect of the \$750 million grain sale agreement with the Soviet

Union — and the Illinois farm trade mission to Russia, a "first" for any state.

This may well be dwarfed by the story carefully leaked from the Soviet Union that our sales of other goods and services there may come to \$5 billion annually within five years.

The White House reported only that "significant progress" had been made in the current talks, but it should be noted that the source of the Russian leak has been right before.

And just in the past few days has come news of the first significant sales to China since the fall of Chiang Kai-shek.

First there was a cash-on-the-barrel deal for Boeing 707s, followed by the multi-million bushel sale of American wheat.

Looking ahead, the dollar will bring back from abroad what may be far less significant than the impact of these sales toward creating a world at peace.

It's only been a few years since Mao's China's domestic propaganda was directed at the hated Yankee imperialists.

Since the President's visit, there's been a noticeable moderation. It's going to be even harder to hate us so pointedly while U. S.-built

planes traverse the China skies.

There's another aspect to the trade developments which I think has special significance to us in Illinois.

We're first in agricultural exports and second in overall exports, and we didn't get there by being slackers.

You just can't compete and win against international competitors if your products are shoddy or overpriced.

And if people in Illinois aren't working hard, then an awful lot of otherwise smart people are being fooled.

An entirely different situation has hit Great Britain.

Their products were once the standard of excellence — but not anymore, thanks partly to a system that doesn't seem to get the best either from management or labor.

By contrast, American workers design and put together the machines of Atlas Chalmers, Deere, J. I. Case, Caterpillar, International Harvester and other companies that now are the world's standard.

2,400 Attending 160th Annual Masonic Meeting

One of the nation's largest Masonic conventions will be held in Boston between today and Sept. 22 as the Supreme Council of Scottish Rite Freemasonry for the Northern Masonic Jurisdiction conducts its 160th yearly meeting.

A total of 2,400 Thirty-third Degree Masons and wives are attending from the 15 northern and midwestern states making up the 500,000-member Northern Jurisdiction.

A major purpose will be to confer the Thirty-third Degree upon 204 Scottish Rite Masons who were elected to receive the signal honor at the 1971 meeting of the Supreme Council in Philadelphia.

The Thirty-third Degree is a world-famous achievement in the Fraternity or for significant contribution to others reflecting credit on Freemasonry. The impressive ceremony, witnessed only by Thirty-third Degree Masons, will be held at John Hancock Hall on Wednesday evening, Sept. 27.

C. A. "Jack" Dempsey, 4054 Vesic St., will be among those receiving the Thirty-third Degree.

Executive and general sessions are scheduled throughout the week at the Statler Hilton Hotel and John Hancock Hall, and prominent leaders of other Masonic organizations in the United States, Canada, Europe and Latin America will join Northern Jurisdiction members for report and discussion periods.

Numerous entertainment and social events will be sponsored by the Supreme Council and the participating Scottish Rite state groups for visiting members and ladies. Included are a vesper service Sunday, large-scale sightseeing tours of historic Boston during the day on Monday followed by a special Pops Concert under the baton of Harry Ellis Dickson at Symphony Hall on Monday evening.

The 1972 Supreme Council meeting will conclude on Thursday morning, Sept. 28, with the final general session at the Statler Hilton Hotel, which has been named convention headquarters.

College Frosh Scared But Want to Learn

Many students entering college are scared and confused, but at the same time, according to a survey report released today by Dr. Gene A. Budig, vice-president and dean of Illinois State University.

The report, designed to help faculty members and counselors better understand new students, is being distributed to all ISU faculty and administrative staff members, to high school and community college counselors, and to new students of ISU and their parents. Others may obtain copies from Dean Budig's office.

In an accompanying letter, Budig said "We must keep in clear sight student backgrounds, individual strengths and weaknesses, and student perception of relevant issues."

The booklet is edited by Dr. Gordon A. Sabine, director of the University of Iowa School of Journalism and a special assistant to the president of Illinois State during 1971-72.

Selected Comments
It includes selected anonymous comments from a questionnaire completed by 3,800 students and 1,500 parents attending two-day "Preview ISU" sessions on the campus during the summer.

In answering a question related to what students want faculty to know, a frequent response related to feelings of insecurity and uncertainty.

"I'm scared to death. I'll be lonely. I'm very touchy. I want to be a good student. I get discouraged easily," one student responded.

Another said, "I'm scared and confused. I'm out on my own for the first time so I'm not sure how much time I should spend studying and how much time having fun. I'd like them to be patient until I get things straight for myself."

'Bitter Sweet' Sound Expected to Catch On

By JUDY HUGG
Copy News Service

Every now and then a vocal group emerges that has such a great sound that you know it's only a matter of time before they hit it big. That's the way it is with Bitter Sweet who has a new album out called "The Main Ingredient" on RCA. The group has the style and harmony to join the ranks of other top black vocal groups like The Four Tops, The Miracles, The Temptations and The Miracles. Bitter Sweet definitely has a sweet sound and knows how to handle both standard and original songs well. Two songs in particular are top 40 material, they are: "Traveling" and "Everybody Plays the Fool." Bitter Sweet is really a sweet-soul experience.

It is possible to forget who wrote what sometimes when listening to symphonies — unless the one you are listening to happens to have been written by the Hungarian composer Bela Bartok. If there ever is distinctive music, this is it, especially "The Miraculous Mandarin." Bartok's weird tone poem which the New York Philharmonic performs on a new Columbia Records LP.

Today's audiences would not be disturbed by the musical theme of the prostitute and a mandarin, but it was too much for the audiences of 1926. Besides, Bartok's harmonies were far ahead of his time (they still sound that way). So "The Miraculous Mandarin" lay in limbo for 20 years before it was retrieved about the time that Bartok died in New York City. Since then the musical tale of a mandarin who cannot die from stab wounds until the girl takes him in her arms has been performed widely.

Also on the LP is Bartok's "Dance Suite." Unlike "The Mandarin," this orchestrated collection of folk music was an immediate success. Bartok himself said that there were both Arabic and Hungarian influences in the dances that make up the suite. But they are, above all, distinctly Bartok.

"Sanford and Son"
If you enjoy "Sanford and Son" on television, you'll dig RCA-Victor's new release "Sanford and Son." The album contains the best routines of Redd Foxx, as Fred Sanford, a n.d. Demond Wilson playing the son, Lamont.

Foxx, who has been around for years, and Wilson click as a team. Together they bring warmth, pride, anger, affection and most of all, honesty to television and this platter as "Sanford and Son."

"Hot Wax Greatest Hits" on

Many are serious about learning, the Sabine study indicates. One said, "I worked hard for several years to earn money for my college education. I want to learn as much as possible." "I'm willing and eager to learn and I'm not going to college just for something to do," another noted.

Social Concern
The social side is not neglected, however. "I'm here to learn and to have fun. I think it's possible to do both in a classroom," a student responded.

Sabine found that students want to be known as individuals, especially as individuals with feelings.

One responded, "I am different from most, for I am very old-fashioned. We are not all the same." Most of all, I am an individual and I'm on my own, not an extension of someone else," another said.

"I'll be looking for the professor who cares whether we flunk or pass or are happy or sad," was a third student comment.

"I would like for the professors to understand my problems as I see them. Just being black creates problems in itself in this society," another responded.

A portion of the questionnaire includes responses to a question of what a teacher or professor can do that "turns you on" to learning.

Search for Answers
"When a teacher is truly enjoying what he teaches, it catches on — just like laughter does," one student noted.

Another said that teachers should "Make you search for some answers, make you think, not just give them to you."

The opposite, or what can "turn you off" to learning, also produced a number of interesting responses.

"When the teacher lectures right out of the textbook, it doesn't seem like it's worthwhile to come to class," one commented. "If a teacher is disorganized, how can the students expect to be organized," another wrote.

"Teachers should inspire students to learn by means other than just holding the grade over their heads," one responded, while another said "Good teachers have time before and after class for student questions."

A number of students said that professors should keep their personal lives to themselves, others noted that there is a limit to class jokes. "It is most important that the teacher keep his identity and not act like a freshman himself," one commented. "Everyone needs sleep. If the teaching is boring, I'll get mine in class," another wrote.

Optimistic Views
A section of responses to how you expect ISU courses and professors to be different from those in your previous school or college included many optimistic viewpoints.

"The courses will be about what I want to do in life. They will have meaning for me," one stated. "I feel I just might have to work," was a representative comment from those expecting work to be different.

A common idea from transfer students was that "I don't expect them to be very different. As far as I'm concerned, I'm going to see if she accepts some of our values."

Jump Down Threats?
"We won't jump down her throat if her grades don't start out with a bang," one parent noted, and another remarked "We should make her know that what we love is her, not her successes or accomplishments."

In relation to what the university can provide for a freshman, good teaching was a top response. "Give her that certain ingredient that will keep her mind inquiring and searching and growing long after she has left there," a parent suggested.

"Expose him to other people from different areas and different races so that he may gain a better insight and grow socially," a parent wrote. Another said "Now expect ISU to give our child a set of morals. What she hasn't learned about her conduct by now, she never will learn."

Others urged firmness. One said "Be firm in what you think is right for the student," and another "Don't let students run everything."

The section from parents was well summarized by the following: "Convince our sons and daughters that there is still hope for mankind. We may have many problems in the world but we also have many tools to solve the problems."

Finally, freshmen gave parents a low rating on a question of "Who or what do you think will have the most influence on you at ISU?" Only 13% listed parents, 9% roommates, 7% boy or girl friend, 9% activities, 9% professors, 19% other friends, 29% courses and 27% dormitory.

For those of you who think guitar picking means "Wabash Cannonball" and other such hokey-tonk sounds, well, you should latch on to RCA-Victor's Chet Atkins Picks On The Hits. "This is guitar playing as it should be; gentle, moody, swinging, rollicking and above all, pure music. Chet Atkins can 'pick' them all, from the spiritual 'Amazing Grace' to the contemporary 'Song Sung Blue' he plays pure music, no gimmickry, just music. Atkins is the greatest!"

Scholarship Commission Sets Area Aid Seminars

The Illinois State Scholarship Commission has announced plans to sponsor a series of financial aid seminars in nearly 40 towns and cities throughout the state during September and October.

The seminars will involve interested parents and high school seniors, as well as school and college counselors and youth workers from a variety of non-school agencies.

One major purpose of the meetings is to acquaint families of students who plan to enter college in September of 1973 with available financial aid resources and the proper procedure for making application for such assistance.

The commission is a major source of financial aid for Illinois youth, providing monetary awards of up to \$1,200 per year toward the tuition and fees of eligible students who enroll at higher learning.

Educational loans of up to \$1,500 per year are also available for Illinois youth who attend an approved college or vocational school in or out of the state.

In addition to discussing commission resources, the seminars also will relate information concerning programs of federal and institutional aid for the needy student.

Dr. Joseph D. Boyd, executive director of the commission, warns that students who expect to enroll in college in September should be prepared.

Parents provided some interesting notes in answer to a question about what parents can provide to freshmen at ISU.

Parents should "Trust them enough to let them make their own mistakes," one offered, while another stated "We as parents have had 18 years to try to guide her. Now expect ISU to give our child a set of morals. What she hasn't learned about her conduct by now, she never will learn."

Others urged firmness. One said "Be firm in what you think is right for the student," and another "Don't let students run everything."

The section from parents was well summarized by the following: "Convince our sons and daughters that there is still hope for mankind. We may have many problems in the world but we also have many tools to solve the problems."

Finally, freshmen gave parents a low rating on a question of "Who or what do you think will have the most influence on you at ISU?" Only 13% listed parents, 9% roommates, 7% boy or girl friend, 9% activities, 9% professors, 19% other friends, 29% courses and 27% dormitory.

For those of you who think guitar picking means "Wabash Cannonball" and other such hokey-tonk sounds, well, you should latch on to RCA-Victor's Chet Atkins Picks On The Hits. "This is guitar playing as it should be; gentle, moody, swinging, rollicking and above all, pure music. Chet Atkins can 'pick' them all, from the spiritual 'Amazing Grace' to the contemporary 'Song Sung Blue' he plays pure music, no gimmickry, just music. Atkins is the greatest!"

Miss Intriere Enrolls At Emerson College

Nancy Intriere, daughter of Dr. and Mrs. Anthony Intriere of 2401 Pontoon Road, is a member of the freshman class at Emerson College, Boston.

She will study in the new first level program which will prepare freshmen and sophomore students for a concentrated study in the areas of the communication arts and sciences. Emerson is a four-year co-educational institution specializing in the communication arts and sciences and the creative and performing arts.

Berosky Named Head Of NROTC Platoon

Midshipmen in the Naval Reserve Officers Training Corps at the University of Illinois will head the battalion and its units during the coming semester have been announced by Capt. Christopher Withers, professor of naval science.

Among them is John M. Berosky, 2812 Wayne Ave., platoon commander with rank of midshipman ensign.

Midshipmen earn naval commissions at the same time they are earning college degrees from the university. On graduation they become officers in the Navy, Marine Corps or Reserve.

Youth Focus

Two Place First in State Carpenter Contest

The Industry Advancement Foundation of the Southern Illinois Builders Association and Tri-County Illinois District Association and Tri-County Illinois District Council Carpenters have announced that Milton Galle placed first in General Carpentry and Ronald Neff placed first in Mill Cabinet at the Statewide Carpenters Contest held in Springfield.

It was the third time that a representative of the Tri-County District Council won first place in General Carpentry in the past five years.

General Carpentry contestants are judged for two days on both practical and classroom work. The men built a scale model of a house which included setting jacks and doors, figuring heights of studs, rough pitch, filling a set of finished stairs with mitered return corners, setting concrete forms and general wall construction.

In addition to classroom work, contestants in the mill cabinet section must build a wardrobe cabinet complete with shelves, hangers, doors and mitered corners.

Neff placed second in the national contest which was held in Las Vegas. Contestants in the national contest come from both the United States and Canada.

SIU Department Heads Approved By Trustees

Appointment of four new academic department chairmen highlighted personnel changes at Southern Illinois University at Edwardsville which were approved by the SIU Board of Trustees.

Chairmen were appointed for the departments of philosophical studies, sociology, psychology and historical studies.

Carol A. Keene, assistant professor of philosophical studies, will head the Philosophical Studies Department. A native of Chicago, Mrs. Keene joined the SIU faculty in 1968. She earned her bachelor degree in philosophy at St. Xavier College, Chicago, and has a master's degree from Loyola University and a doctorate from St. Louis University. She has taught at St. Louis University and Fontbonne College in Clayton.

Her research specialty is classical modern and contemporary philosophy of the self.

Robert H. Lauer, an assistant professor, was named chairman of the Sociology Department. He joined the SIU faculty in 1968. Lauer earned his bachelor and doctoral degrees at Washington University and a master's degree at Southern Illinois University. His specialty is social change. Earlier this year he wrote an article in the American Sociological Review on what he termed four fallacious assumptions about sociology which he says have hampered developments in the theory of social change.

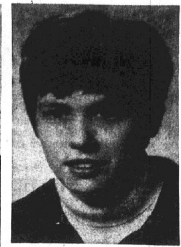

Robert J. McLaughlin, new chairman of the Psychology Department, joined the SIU faculty in 1966. He earned his

Air Force Scholarships Open to 1973 Graduates

Male high school students who will graduate in 1973 and are interested in flying are eligible to apply for an Air Force ROTC four-year college scholarship.

One thousand four-year college scholarships are available for students who will enroll in the Air Force Reserve Officers Training Corps at one of the colleges and universities in the United States and Puerto Rico which offer the four-year program. The scholarships will be awarded to qualified students who agree to become Air Force pilots or navigators after college graduation.

Each scholarship pays full tuition, laboratory fees, and textbook reimbursement. In addition, each scholarship student receives a monthly non-taxable subsistence allowance of \$100. All applicants for a scholarship must qualify on the Air Force Officer Qualifying Test and on an Air Force medical examination. A special committee of Air Force officers will evaluate all students who apply for a scholarship. They will consider the student's scores on the American College Test or the Scholastic Aptitude Test, high school grades, extra-curricular activities and personal references.

Interested students must submit their applications postmarked no later than Nov. 15. Application forms and additional in-

formation may be obtained by writing Directorate of Admissions, Air Force ROTC, Maxwell Air Force Base, Ala. 36112.

Dance Student Amazed, To Join World Troupe

Paul Hoskins, a dance student at the Performing Arts Training Center of Southern Illinois University at East St. Louis, was shaking his head in disbelief.

"I'm fantastically happy—this is the kind of things most dancers hope for all their lives, and I've been dancing less than a year," he said.

Hoskins, 23, of Edwardsville, was packing for a move to New York City, where he will become a member of one of the most prestigious dance companies in the world, the Alvin Ailey American Dance Theater.

Ailey's dance company has performed in the Soviet Union, Asia, Africa and Europe as well as America. Clive Barnes, New York Times dance and drama critic, recently wrote: "The company is performing brilliantly. It offers far more variety than any other modern dance group."

Saga Begins in '71 Hoskins' saga began in late 1971 when he was studying at SIUE.

"I'd been interested in dancing and heard about the fantastic training available at SIUE's Performing Arts Training Center in East St. Louis," he said.

"I went there and joined the program and from that time on everything has been like a dream."

After Hoskins had danced for several minutes, Ailey turned to Miss Dunham and asked her who that was dancing. By the end of the day, Ailey had made his offer.

The Performing Arts Training Center was begun in 1967 by Katherine Dunham, internationally known dancer and choreographer, to provide cultural enrichment for young people through the performing arts. Her students range in age from 6 to 50.

Hoskins' first instructor at the center was Lenwood Morris, one of the dance masters assembled in East St. Louis by Miss Dunham. Hoskins also has received instruction from center staff members Ural Wilson, a former member of Miss Dunham's own world-famous troupe; Archie Savage, who joined Miss Dunham recently after 11 years in Italy; and Thomas Gomez, a member of the original Dunham company in the early 1940s.

Major Stage Appearance Hoskins made his first major stage appearance. With 19 other Performing Arts Training Center dancers, he went to Atlanta for the world premiere of Scott Joplin's opera "Treemonisha."

Joplin, a black composer and native of St. Louis, wrote the opera more than 60 years ago. It never had been staged.

The performance received praise from reviewers for national magazines and major newspapers, which led to a week-long run of the opera in August at Wolf Trap Farm Park, an outdoor theater outside Washington, D. C.

In that performance, Hoskins joined 22 other dancers from the Performing Arts Training

Miss Wilson Named To Achievement List

Miss Janet Wilson, daughter of Mr. and Mrs. Marlon Wilson, 1306 Twenty-Seventh St., has been named to the achievement list of William Woods College, Fulton, Mo., for the 1972 winter and short terms.

Students must have a grade point average of 3.00 to 3.99 to qualify. Miss Wilson is a past graduate of Granite City High and is now a sophomore at William Woods.

Center and his desire for a career in the dance was whetted earlier.

Hoskins, the brother of San Francisco after professional football player Bob Hoskins, met Alvin Ailey earlier this month when he accompanied Miss Dunham, center dancers Ann Gailer and Jacqueline Thompson and instructor Clifford Fears to New York for a choreography exchange between Ailey and Miss Dunham.

Brazilian Composer Hoskins and the others were to dance Choros Numbers 1-4, choreographed by Miss Dunham to music by Brazilian composer Vadio Gagliano.

"Miss Dunham could have taken just Mr. Fears along, because he has danced in her company before, but she's doing everything she can to help us," Hoskins said. "I really owe a lot to Miss Dunham and her master instructors—without them, this wouldn't have been possible."

After Hoskins had danced for several minutes, Ailey turned to Miss Dunham and asked her who that was dancing. By the end of the day, Ailey had made his offer.

Teaching-Learning Center Open at Roxana

Southern Illinois University at Edwardsville and Roxana School District No. 1 have started a Teaching-Learning Center in Roxana as part of an innovative teacher preparation program approved by the Roxana School Board in May.

A major objective of the cooperative venture is to add teaching power to the Roxana schools for the ultimate benefit of Roxana students, according to John Schnabel, SIUE associate professor of secondary education. Schnabel will be spending much of his time in Roxana schools as coordinator of the center.

Other objectives are to transfer the bulk of professional preparations from the university campus to district schools, thereby focusing on real experience, and to provide for development of Roxana faculty through in-service programs.

Roxana Supt. Don Harvick, high school Principal Robert Kissack and junior high Principal John Geninatti believe the center will benefit Roxana and SIUE.

Harvick said Roxana has had "excellent experiences" in the past with SIUE student teacher under more traditional programs.

Interaction Between People

"This new program will mean more interaction between our people and the University and should help our teachers keep up with the times," Harvick said.

A task force of Roxana school personnel and SIUE Education Division faculty members Schnabel, D. O. Davis and George Goodwin were instrumental in designing the sequence of three academic quarters at the Teaching-Learning Center for SIUE students aiming to be certified as teachers.

During the first quarter, the student will spend one-half day on a daily basis in Roxana schools. Though basically an observer, the student will participate in seminars, microteaching laboratories and one-to-one tutoring with Roxana high school and junior high students. During the second quarter, the SIUE student will be in Roxana schools one-half day daily as a teaching assistant, gradually assuming limited classroom teaching responsibilities.

During the third quarter, the student will generally will assume the duties of a full-time teacher, working in conjunction with his supervising teacher and the second-quarter teaching assistant from SIUE.

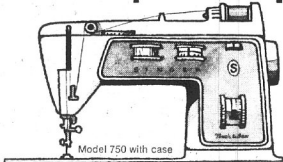

"As the candidate progresses, he'll be expected to meet specific performance criteria including behavioral and humanistic objectives," according to a document detailing the program. "The flow of students in the program will provide an opportunity for each group to work with its successors. This will

Coast Guard Academy Entry Forms, Exams Set

U. S. Rep. Melvin Price has announced that the annual competition for entry to the U. S. Coast Guard Academy will start with the Dec. 2 administration of the College Entrance Examination Board Tests.

Arrangements to take the CEEB examination should be made by the applicant through the local public schools. Completed Coast Guard application forms must be received at the academy by Dec. 15.

Congressman Price emphasized the opportunity offered qualified young men who choose to enter the academy as a career officer in America's armed service and a bachelor of science degree.

"Appointments are made on a competitive basis; there are no separate quotas for states or districts and no special categories," Congressman Price said. "I urge all qualified young men who are interested in this worthwhile profession to write for details and application at once to the director of Admissions, U. S. Coast Guard Academy, New London, Conn. 06320."

A candidate for the next examination for the Coast Guard Academy must be single, a citizen of the United States, must have reached his 17th but not his 22nd birthday by July 1, 1973, and must be in excellent physical condition.

A high school diploma is the minimum educational requirement, although high school seniors assured of being graduated by June 30, 1973, are eligible to take the examination if they will have at least 15 credits by that time.

All applicants must have three units of English, three in mathematics including algebra and plane or coordinate geometry, and must fulfill the basic physical and moral requirements.

SIUC Summer School Draws Fewer Students

Summer enrollment on the campus of Southern Illinois University at Carbondale plummeted to its lowest level since 1957. A final figure of 9,732 reported by Robert McGrath, dean of admissions and records, is 13.7% under the summer term total of last year, or a drop of 1,548 students.

Not in the past decade has SIUC-Carbondale enrollment declined from one summer to the next, according to a records check for that period. The last time the summer student head count dropped below five figures was in 1967, when 9,064 students were enrolled.

McGrath said all classes showed decreases over last year, led by a 26% drop in sophomores and a drop of nearly 24% in freshmen. Graduate classes were off 12.8%.

The same losses showed up in off-campus extension courses, which enrolled 670 students compared to 946 last year. SIUC-Carbondale opened fall quarter classes Tuesday night, and registrar Jerre Pfaff said "it is probable that enrollment will be under last year's total of 22,382."

New Teaching Methods Outlined to SIU Board

Innovative teaching techniques, recently developed student options, advanced studies for students unable to attend classes on campus, courses stressing community service and new program options at Southern Illinois University at Edwardsville were outlined to the SIU Board of Trustees at a September meeting, held at SIUE.

The most recent program using innovative teaching techniques is the Teaching-Learning Center, established jointly by SIUE and the Roxana public schools for preparing prospective teachers.

The bulk of professional training has been transferred from the university campus to the public schools to "increase relevancy," SIUE students spend three academic quarters in the public school system, working with Roxana personnel.

Aspiring teachers also are receiving instruction through the Microteaching Laboratory on the local campus, trustees were told. Students are videotaped while giving short lessons to a group of college freshmen. An experienced teacher and a freshman fill out evaluation forms after the lesson, and the prospective teacher is shown no separate quotas for states or districts and no special categories," Congressman Price said.

Other Techniques

Other non-traditional teaching techniques are used in the English Department's Writing Clinic, open to all SIUE students with difficulty writing college-level English, with special programs for disadvantaged black students and foreign students.

The Earth Science Department's Self-Instruction Lab uses a multi-media approach to help students identify rocks and minerals and read geologic and topographic maps. The theater program is designed to break down the dichotomy between what happens in the classroom and what happens on stage.

The trustees were told that new student options include the Student Colloquium, in which students receive academic credit for courses they plan and carry out. The program provides an opportunity for students to study subjects not provided in the regular curriculum.

Other options described to the trustees were increased opportunities for students to gain credit through advanced standing and proficiency examinations; the Dean's College for outstanding students, which em-

phasizes flexible programs tailored to the interests of the individual; a pass-fail grading system for General Studies Division courses; early admission for students who have finished junior year in high school; and the Supplemental Instruction Program, offering academic assistance to minority and disadvantaged students and students on academic probation.

Extramural Programs

The trustees were also given descriptions of SIUE's three extramural programs, on the graduate-level, taught on weekends off-campus, allowing a student to pursue an advanced degree without committing himself either to resident instruction or to years of night school.

Such extramural programs include the master's degree in business administration, supervised by the SIUE Business Division at 10 Military Airline Command bases; a master's degree in science in government offered by the SIUE department of government and public affairs in Washington, D. C., St. Louis and Scott Air Force Base; and a master of science in counseling for education, offered at Scott AFB.

The trustees also were given information on the university's program of continuing education for practicing dentists and the planning of a statewide program allowing registered nurses to work for a baccalaureate degree in nursing without having to leave their jobs.

Community service programs involving student interns also were described to the trustees. The SIUE Speech and Hearing Center has a joint program with the Easter Seal Society to help deaf students to diagnose and treat communication disorders at sites in Alton, Belleville and Granite City. Another cooperative program between the Speech and Hearing Center and the hospital at Scott AFB was described.

Speech, Hearing Center

The Speech and Hearing Center is developing cooperative programs with Special Services, Inc. of Alton to provide diagnostic and therapeutic services in communication disorders to the adult mentally retarded; with the Easter Seal Society to aid aphasia-stroke victims; and with the SIU School of Dental Medicine to develop interdisciplinary instruction and delivery of integrated communication disorder services.

Other student internship-community service programs include teams of students in the

Department of Earth Sciences working with area governments to investigate municipal problems; pre-law students assisting attorneys in the Madison County public defender's office and in Legal Services Society offices in Alton and Madison; the Professional Experience Program of the Business Division, allowing a student to combine work and study during a five-year period leading to a degree; and on-the-job training of mass communications students working for area media.

The Management Problem Laboratory, an accelerated program of 15 courses for juniors majoring in business administration, is one of the new program options at SIUE, the trustees were told. Theoretically based and interdisciplinary, the program was designed through the "learning systems" approach to education.

Other program options described to the trustees were the

War-Peace Course to Be Taught at SIUE

A course entitled "The Problem of War and Peace" will be team-taught this fall at Southern Illinois University at Edwardsville.

Ronald Glossop, associate professor of philosophy and one of the four members of the teaching team, said the course will give students many different views from many different areas. This is a problem-oriented course rather than one built around the traditional academic division of subject matter, Glossop explained. "We will not only look backward in the course," he said, "but forward to see how we can secure peace."

Instructors, in addition to Glossop, who are assigned to the course are William Peasey and John Paul Davis of the government and public affairs department and Jerome Hollenhorst of the economics department.

Films will be shown during the quarter and experts on topics discussed will be invited to be guest lecturers. At the end of the quarter students will receive a questionnaire which

Granite City PRESS-RECORD
Thurs., Sept. 21, 1972 Page 39

bachelor's degree in human services, which prepares students specifically for work in corrections, mental health and other helping professions through seminars and a series of field experiences; the bachelor's degree in sanitation technology, the only such four-year program in the U. S.; the Experiment in Higher Education, a two-year program in East St. Louis to prepare students for upper-level university work; a master of science in biochemistry, being developed by the Science and Technology Division and the School of Dental Medicine; and master degree programs in urban and environmental studies, both waiting for approval from the Illinois Board of Higher Education.

Miss Sawyer Begins Teaching Internship

Brenda Sawyer, 4005 Sara St., a student at Illinois State University, is beginning her teaching internship at Maroon Forsyth High School at Maroon and will remain there for a nine-week term.

The program involves student teaching, observation, participation, studies of individual pupils and research. Professional laboratory experiences prior to the internship are usually integral parts of specific college courses.

will give them an opportunity to express their reactions to the course.

The new three-hour course is scheduled at 9:30 a.m. Mondays, Tuesdays and Thursdays. Two days each week the class will meet as a whole. On Thursdays it will be broken up into four sections, Glossop said.

Couple Pleads Guilty to U.S. Tax Charges

Donald B. MacKay, United States Attorney, Springfield, and Leon C. Green, district director of Internal Revenue for Central and Southern Illinois, announced that Harold C. Haycraft, 56, of Meadowbrook, former tax collector for Fort Russell Township in Madison County, and his wife, Bessie B. Haycraft, 47, former deputy tax collector, appeared before United States District Judge Omar Poon in U. S. District Court Monday and changed their pleas of innocent to guilty of charges of willful attempt to evade their income taxes for 1966 in violation of Section 7201 of the Internal Revenue Code.

The Haycrafts previously were indicted for attempting to evade their income tax liability for 1964 through 1967 on April 7, 1971, and Feb. 17, 1971, respectively. They entered pleas of not guilty to the charges on April 20, 1971, and Feb. 25, 1971, respectively. The charges for 1966, 1965, and 1967 were dismissed by Judge Poon.

The indictments charged that the Haycrafts reported joint taxable income for the four years in the total amount of \$23,945.66 when they knew that their correct joint income for these four years totaled \$24,791.53 and for the four years the Haycrafts reported and paid taxes in the amount of \$4,507.59 whereas their correct tax due totaled \$18,103.08. During 1966 the Haycrafts reported joint taxable income of \$7,484.37 and a tax liability of \$1,282.60. They knew their correct income for 1966 was \$27,930.53 and that they owed a tax of \$7,019.52, the indictments charged.

The Haycrafts were sentenced to one year in custody of the U. S. Attorney General to be served concurrently with their present state sentences.

The Haycrafts are liable for all unpaid taxes plus penalties and interest, the IRS reported. The Haycrafts currently are serving one-to-two-year prison terms at Menard Penitentiary and the Illinois Reformatory for Women resulting from convictions in the Madison County Circuit Court, Edwardsville, involving misuse of school district funds.

The case was presented by Donald MacKay, United States Attorney for the Southern Judicial District of Illinois, and was based on evidence developed by Special Agents of the Intelligence Division, Internal Revenue Service.

Renovations at SIUE Center Are Approved

Minor renovations in the Student Activities Center at Southern Illinois University at Edwardsville have been approved by the SIUE Board of Trustees, meeting at SIUE. The renovation is not to exceed \$4,000 and will be financed from the Student Welfare and Recreational Facility Building Trust Fund. Additional office space will be provided to house the Community Involvement Project, the student orientation program, the advertising and business office of the campus newspaper, the Aleste, and the University Center Board.

Discuss Yule Baskets

Officials of the Salvation Army were to meet today with a consultant from St. Louis and several interested persons to discuss means to avoid duplication in providing Christmas baskets to needy families.

STORAGE SHED LOTTED

Frank Pelikan, Rural Route Two, reported at 5:40 p.m. Monday that his storage shed at his home was looted in a burglary. Entry was gained by forcing a lock from the door. Taken were an acetylene tank, cutting torch and about 50 feet of hose, and two tires and wheels from a boat trailer behind the shed. The value was estimated at \$500.

PONY, GEAR STOLEN

Danny Smith, 33D Jeanette Drive, reported Monday that his gelding pony was stolen from behind his used car lot on Highway 162 during the night. The bridle and saddle were taken from his unlocked garage. The pony is 2 years old with a light face and is brown in color.

Card of Thanks 32

WE WISH to express our sincere thanks to our relatives, friends and neighbors for the beautiful floral tributes and the kind expressions of sympathy extended us during our recent bereavement, the loss of our dear husband, father, grandfather and brother, LEWIS G. BOWMAN. We especially wish to thank Rev. David Maxton, the pallbearers, all fellow members of the Fleet Reserve Association, Captain Smith, the bugler, the firing squad and the Mercer Funeral Home.

MRS. L. G. BOWMAN
 AND FAMILY

The family of EDWARD HILL SR. wishes to thank their many acquaintances and friends for the many acts of kindness and concern bestowed on them during their hour of sorrow. Special thanks to the Officer Funeral Home, Mt. Nebu Baptist Church, Rev. S. Gardner, Bethel A.M.E. Church for services rendered. We wish to give you thanks for the many cards, telegrams of condolence, and flowers.

In Memoriam 33

In loving memory of W. H. (HARLEY) DISHONG who passed away Sept. 21, 1971. Today recalls sad memories of a loved one gone to rest. Those who think of you today are the ones who loved you best.

What I would give to see you smile
 Today sit with me and talk awhile
 The blow was sudden,
 The shock severe,
 To part with one I loved so dear
 I often sit and think of you
 Things you used to say and do,
 I wonder why you had to die
 Without a chance to say goodbye.

Sadly missed by—WIFE

In loving memory of CHARLES WARD JR., who passed away Sept. 21, 1971. The shining spirit and the love he left behind.
 The echo of his voice, his eyes, his smile.
 Just as they were, are with us all the while.

Sadly missed by—
 THE CHARLES WARD FAMILY

In loving memory of LAWRENCE E. DAVIS SR., who passed away Sept. 21, 1969.

Sadly missed by—
 WIFE and CHILDREN

In Memoriam 33

In loving memory of ALTON MILAM, Sept. 15, 1968: You are not forgotten loved one, Nor will you ever be. As long as life and memory last, We will remember thee.

Public Notice 34

CLAIM NOTICE
 STATE OF ILLINOIS
 IN THE CIRCUIT COURT OF THE THIRD JUDICIAL CIRCUIT
 MADISON COUNTY,
 PROBATE DIVISION
 No. 72-P-276

In the matter of the estate of GEORGE NELSON, deceased.
 Notice is given of the death of the above.

Date letters were issued: August 30, 1972.
 Executor: Leo Nelson of 3029 Buxton, Granite City, Illinois.

Attorney: George Filcuff of Granite City, Illinois.
 Claims against the estate may be filed in the office of the Circuit Court, Probate Division, County Courthouse in Edwardsville, Illinois, within 7 months from date of issuance of letters; and any claim not so filed is barred as to the estate inventoried within that period. Also, copies of claims must be mailed or delivered to the executor and to the attorney.

WILLARD V. PORTELL
 Clerk of the Circuit Court
 30-9-7-14-21

Public Notice 34

POLLUTION VARIANCE
 Granite City Steel Company, Madison County has filed with the Environmental Protection Agency and Pollution Control Board a Petition for a Variance, Title IX of the Environmental Protection Act, provides for individual variances upon proof by the petitioner that compliance with specific provisions of the Act, related regulations and/or Board Orders would impose upon the petitioner an "arbitrary or unreasonable hardship." The petitioner alleges such a hardship, and seeks permission to extend the time period for filing "Operating Permits" with the EPA for a period of twelve months in violation of the September 1, 1972 deadline required by Pollution Control Board Regulations Section 103 (b) (2) (a) and (b).

The Environmental Protection Agency solicits the views of persons who might be adversely affected by the granting of the variance. Any comments or inquiries should be addressed to: Variance Section, Division of Air Pollution Control, Springfield, Illinois 62706 (217/525-5811). 34-9-14-21-28

Riviera Hardtop Coupe.

A Built-In Emission Control System. To permit smooth engine performance.

Solenoid-Actuated Throttle Stop. Helps prevent a major little irritation. Now, when you turn your car off, it will stop running.

A Balanced Braking System. For confident, straight-line stops.

Deep, Roomy Full Foam Seats. For solid comfort and support.

Dual-Rate Body Mounts. Isolate car from road vibration. For smooth, quiet ride.

AccuDrive. Buick-built for stable handling even on bumpy roads.

Time Modulated Choke. For quick starts in cold weather.

A new front bumper system.

Computer Selected Chassis Springs. For superb ride and handling, based on precise weight of equipment you order.

Semi-Closed Cooling System. Helps prevent coolant loss.

Padded instrument panel, padded head restraints, padded sun visors.

Step-on Variable Ratio Parking Brake. For added parking security on steep hills.

Inner fenders for added protection.

Double panel roof construction for strength and quietness.

Side-guard beams for added strength.

Anti-Theft Steering Column. Locks your wheel automatically for added security.

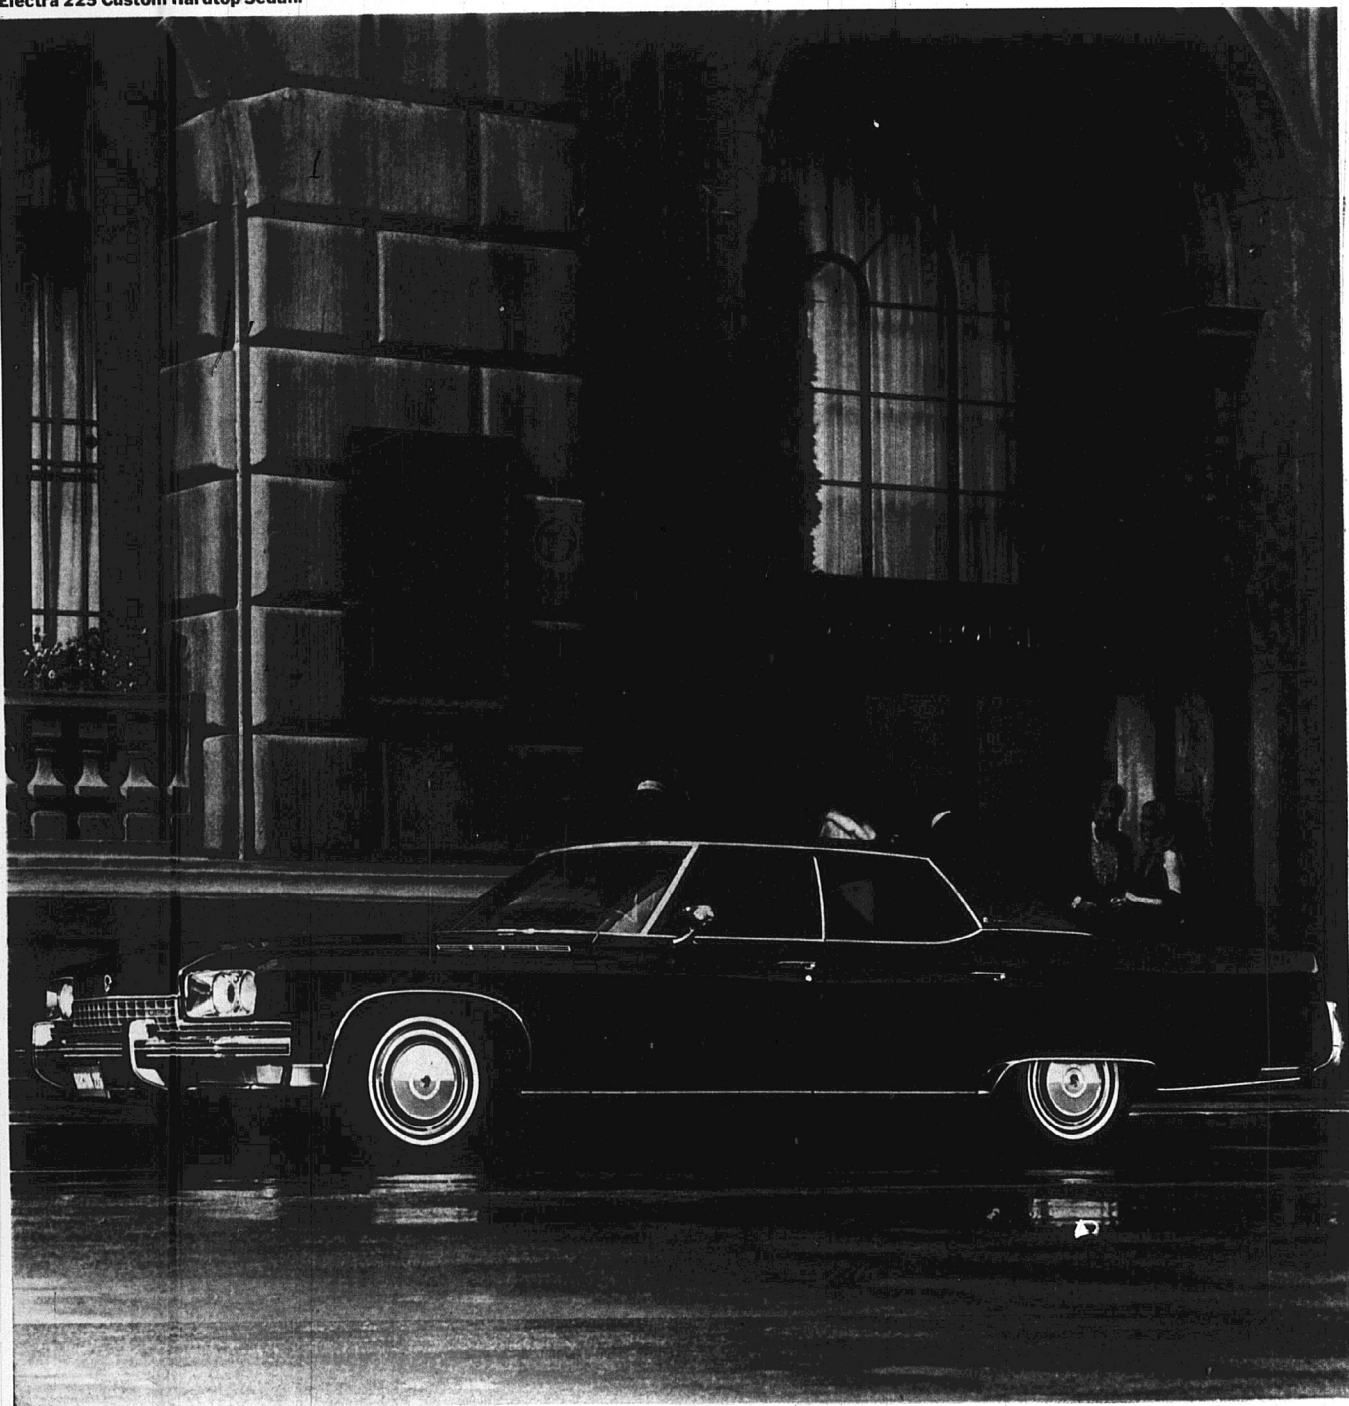

A ventilation system that circulates outside air even when the car is standing still.

Nickel-Plated Engine Exhaust Valves. For long valve life with low-lead or no-lead fuels.

Never before have we brought together so many innovations so well. The total feeling is Buick. Solid Buick '73. LeSabre, Centurion, Estate Wagon, Electra 225 and the Riviera.

Solid Buick for 1973. It's a good feeling.

Electra 225 Custom Hardtop Sedan.

The 1973 Big Buicks.
A system
of innovations creates
the feel of Buick '73.

Century Luxus Station Wagon (foreground), Century Station Wagon.

Estate Wagon.

1973 Buick Wagons. There's one for every size family.

Families are something special to Buick. Which is why Buick offers such a wide array of wagon choices for 1973.

Six wagons in all, from the modestly-priced Century to Buick's most luxurious station wagon, the 1973 Estate Wagon.

All of Buick's new wagons have specially tailored suspensions to help maintain superb handling and riding comfort, even when loaded. All have Buick's AccuDrive, for forward stability on bumpy roads, winding roads or in strong cross-winds. All have power front disc brakes for smooth, straight-line stops.

The smaller wagons for 1973 include the Century and Century Luxus, both available in four-door models with two or three seats. And an easy lift-up tailgate for loading ease. And a huge cargo area.

The Estate Wagon comes with four doors in a two-seat model or three-seat model with forward facing rear third seat. The rear

glass glides away into the roof electrically and the gate slides under the floor to reveal a whopping cargo capacity of 106 cubic-feet.

Whatever your station wagon wants are, there's a good chance Buick can fill them. And fill them better.

LeSabre Hardtop Coupe.

LeSabre Custom Hardtop Sedan (foreground), LeSabre Custom 4-door Sedan.

The 1973 Buick engine story.

All new Buick engines for 1973 have a new emission control system.

A special exhaust gas recirculation unit and air injection reactor help reduce pollutants, yet provide smooth idle and good per-

formance on no-lead or low-lead fuels. And a time-modulated choke system helps control emissions while giving quick starts and smooth operation during warm-up.

Buick engineers have gone to a lot of trouble in 1973 to create the kind of engine smoothness you've come to expect from Buick. And that comes from building in an emission control system as an integral part of Buick's engine.

Buick Motor Division, General Motors Corporation, reserves the right to make changes at any time, without notice, in prices, colors, materials, equipment, specifications, and models and also to discontinue models. Some of the equipment shown or described throughout this supplement is available at extra cost.
